3. LIMITATION :

The applicant further declares that the application is made within the limitation period prescribed under Section 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE :

4.1 That the applicant is a citizen of India and as such he is entitled to all the rights, protections and privileges guaranteed under the Constitution of India.

4.2 That the applicant is an Executive Engineer(Electrical) under the C.P.W.D. and presently posted at Guwahati. He joined his post at Guwahati on 30.4.93.

4.3 That the applicant states that the Government of India in the Ministry of Finance, issued a Presidential Memorandum No. 20014/3/83-E.IV dated 14.12.83 whereby certain special facilities were given to the Central Government employees serving in the North East Region. The said facilities were provided with a view to attracting and retaining the services of competent officers in the North East Region. It was inter alia stated in the Memorandum that there will be a fixed tenure of posting of two years at a time for officers with more than 10 years service. On completion of the fixed tenure of service, the officer concerned may be considered for posting at a station of their choice as far as possible.

The applicant craves the leave of this Hon'ble Tribunal to produce a copy of the said memorandum at the time of hearing of the application.

4.4 That the applicant states that he accepted the transfer to Guwahati as there was a promise from the Central

Government as indicated in the aforesaid memorandum that on completion of fixed tenure of posting, the applicant will get his choice place of posting.

4.5 That the applicant was to complete his two years of tenure at Guwahati on 30.4.95 and accordingly, he submitted a representation well in advance requesting that he may be transferred from Guwahati on completion of his tenure which is after 30.4.95 indicating therein his choice place of - New Delhi. He also submitted that if he is posted in New Delhi he can attend to various domestic problems like arranging for the marriage of his daughter and getting his wife treated for acute asthma.

Copy of the aforesaid representation dated is annexed herewith as ANNEXURE-1.

4.6 That the Director (Administration), C.P.W.D., New Delhi wrote a letter dated 3.2.95 addressed to the respondent No. 3 asking him to convey the readiness of the officers posted in the Eastern Zone likely to be transferred on completion of their tenure. The officers concerned were asked to give their choice place of posting. A list of officers who were likely to be transfer also was enclosed wherein the name of the applicant appeared. It was also stated that the transfer orders may be issued by the second week of March 1995.

A copy of the aforesaid letter dated 3.2.95 is annexed herewith as ANNEXURE-2.

4.7 That pursuant to the said letter dated 3.2.95 the applicant submitted his choice place of posting vide

communication dated 13.3.95.

A copy of the aforesaid communication dated 13.3.95 is annexed herewith as ANNEXURE-3.

4.8 That subsequent to it, the applicant submitted a representation/reminder dated 24.3.95 addressed to the respondent No. 2 referring to his earlier representation and indicating therein that his name also appears in the readiness list circulated vide D.O. dated 3.2.95. The applicant requested to issue his transfer order well in ~~advance~~ time so that he can be relieved on completion of tenure.

A copy of the aforesaid representation dated 24.2.95 is annexed herewith as ANNEXURE-4.

4.9 That by an order dated 30.5.95 issued by the Director General of Works for posting and transfer of as many as 10 officers. By the said order, the applicant has been ordered to be transferred from Guwahati to ECD-II, New Delhi vice one Shri M.M.L. Chibba transfer from New Delhi. One Shri N.D. Malo has been posted on promotion at Guwahati in place of the applicant.

A copy of the aforesaid order dated 30.5.95 is annexed herewith as ANNEXURE-5.

4.10 That the applicant after receipt of the aforesaid order of transfer dated 30.5.95 made all preparation to leave for New Delhi and was awaiting his relieving order. However, he came to know from the respondent No.3 that since Mr. N.D. Malo who was to join in place of the applicant at Guwahati on promotion had some personal problems and

his representation has been recommended to the respondent No. 2 for changing the place of posting. The applicant was also informed telephonically that said Shri N.D. Malo who had to join in place of the applicant was not willing to join at Guwahati and may even forego his promotion if he is forced to join at Guwahati. The applicant, therefore, requested the respondent No. 4 stationed at Guwahati to relieve the applicant by making ~~the~~ due charge arrangement locally as two more Executive Engineer (Electrical) are available locally at Guwahati. The applicant states that in the past also as and when any Executive Engineer (Elect.) proceeded on leave, these arrangements have been made and this is also a practice in whole of the Government ~~offices~~ of India offices. The applicant further states that in the past the work of three Executive Engineers (Electrical) was carried out for long period even though two Executive Engineers were posted at Guwahati. As such, there is no difficulty on the part of the respondent No. 4 to relieve the applicant.

4.11 That the respondent No. 4 declined to relieve the applicant by making duel charge arrangement as according to him he was directed by the respondent No. 3 not to relieve the applicant by making duel charge arrangement.

The applicant could not ascertain as to when the representation of ~~the~~ Shri N.D. Malo is likely to be decided and whether he may actually forego the promotion in case his representation is rejected. Further the possibility that Shri Malo may proceed on ~~the~~ long leave without joining at Guwahati in view of his personal problem could not also be ruled out. Thus it may take an indefinite period as to when

his joining is likely to take place and in the process the applicant has been forced to uncertainty. The applicant states that even if another officer is posted at Guwahati subsequently, it is likely to take a long time for the posting to be decided. Moreover, there is no denial of the fact that the officers do not like to be posted in the North East and take recourse to making representations, proceeding on ~~leave~~ long leave and thereby manage not to get relieved from original place of posting and as such, even if another officer is posted in place of the applicant it cannot be ascertained as to when he may join.

4.12 That the applicant states that he has completed his fixed tenure as prescribed by the Government and therefore, he must be relieved immediately. If the applicant is to be relieved only after some other officers' joining, the time period is likely to be indefinite resulting in uncertainty thereby causing mental agony and acute family problems. It would also totally defeat the special facilities as promised by the Government of India vide memorandum referred to above.

4.13 That the applicant states that as his relieve order is not forthcoming he made a representation dated 21.6.95 and faxed the same to the respondent No. 2. However, no favourable reaction has been intimated as yet and therefore, he has been constrained to approach this Hon'ble Tribunal.

A copy of the representation dated 21.6.95 is annexed herewith as ANNEXURE-6.

4.14 That the applicant states that due to unreasonable attitude of the controlling officer, the applicant and his

✓

family are suffering badly at New Delhi. The applicant has also developed acute hypertension with I.H.D. (cardiac problem) due to this mental tortured ~~and~~ of not relieving him after he has meritoriously completed his tenure. Thus to the utter disregard of the memorandum issued by the Govt. of India and his order of transferred as issued by the Respondent No. 2, this has resulted in his having been recommended complete rest for four weeks but since his family is presently not in a position to be with the applicant in view of the education of the children and acute asthmatic problem of his wife who is not supposed to be at Guwahati at this period of time due to intense humidity ~~without~~ adversely affecting her health. The applicant is in a precarious predicament.

A copy of a medical certificate is annexed  
hereas Annexure - 7

4.15 That the applicant states that in his transfer order it is nowhere indicated as to who is to move first and as such as the applicant has completed the prescribed fixed tenure at Guwahati, he has a bonafide claim to be relieved without any delay for whatever reason by making duel charge arrangement. The applicant states that time is the essence of the promise made by the Union of India and as such his relieve order cannot be delayed on the pretext of ~~xxxxx~~ Mr. Malo not joining, more so in view of the fact that there will not be any difficulty on the part of the respondents to relieve the applicant by making duel charge arrangement as has been done earlier.

4.16 That the applicant states that the order of transfer issued by the respondent No. 1 does not indicate as to who is to move first and therefore, the respondent No. 3

and 4 cannot frustrate the purpose of the same by delaying the relieve of the applicant. The action of the respondent Nos. 3 and 4 are malafide, illegal and nothing but colourable exercise of power which is required to be remedied by immediate intervention of this Hon'ble Tribunal.

**5. GROUNDS FOR RELIEF WITH LEGAL PROVISIONS :**

5.1 For that the action of the respondents in not relieving the applicant is not sustainable.

5.2 For that the purpose of the order of transfer dated 30.5.95 cannot be frustrated by the respondent Nos. 3 and 4 by not relieving the applicant which will also amount to insubordination on the part of the respondent Nos. 3 and 4.

5.3 For that time is the essence of the tenure posting in the North East as envisaged in the Presidential memorandum dated 14.12.83. The Union of India having made a promise to give the choice place of posting after fixed tenure and order of transfer having been issued pursuant to such promise, same cannot be defeated ~~xx~~ by the respondents by not relieving the applicant.

5.4 For that as per the spirit of the Presidential memorandum, the applicant should have been relieved on 30.4.95 automatically. However, the order of transfer having been made on 30.5.95 in compliance with the Presidential memorandum, the applicant cannot be made to be detained and kept in uncertainty.

5.5 For that the Presidential Memorandum states "that there will be" a fixed tenure of posting and as such, the

action of the respondents in not relieving the applicant is violative of the Presidential memorandum.

5.6 For that in any view of the matter, the action of the respondents is arbitrary and therefore, appropriate direction may be issued as provided for.

5.7 ~~Other~~ grounds that may be taken ~~up~~ up during the course of hearing.

6. DETAILS OF REMEDIES EXHAUSTED :

The applicant declares that he has no other alternative and/or efficacious remedy than to come under the protective hands of this Hon'ble Tribunal.

7. MATTERS ~~OR~~ NOT PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT :

The applicant further declares that he has not filed any application, writ petition or suit regarding the matter in respect of which this applicant has been filed before any other Court, authority and/or any other Bench of this Hon'ble Tribunal nor any such application, writ petition or suit is pending before any of them.

8. RELIEFS SOUGHT FOR :

On the facts and circumstances stated above, the applicant prays for the following reliefs :

8.1 a direction to the respondents to relieve the applicant immediately pursuant to the transfer order dated 30.5.95 (Annexure-5) if necessary by making duel charge arrangement may be issued ;

8.2 appropriate cost be awarded for causing harassment to the applicant, for not complying with the order of transfer.

8.3 any other relief or reliefs to which the applicant is entitled under law and equity.

9. INTERIM ORDER PRAYED FOR :

Pending disposal of the application, the respondent No. 4 may be directed to relieve the applicant forthwith.

10. .....

The application is filed through Advocate.
