ANNEXURE - 1

IN THE CENTRAL ADMINISTRATIVE TRIBUNAL
CHANDIGARH BENCH

Original Application No. 179 of 1995

Date of decision: This the 11th day of January 1996

The Hon'ble Justice Shri M.G. Chaudhari, Vice-Chairman

The Hon'ble Shri G.L. Sanglyne, Member (Administrative)

Shri Gadhadhar Bania,
Electrician, MES No. 243646 and 107 others,
Working in MES Lehmkhong, 57 Mountain Division,

By Advocate Shri D.K. Biswas.

the Secretary to the Government of India,

2. Commanding Works Engineer (CWE),

3. Assistant Garrison Engineer,
MES, Lehmkhong, 57, Mountain Division,
99 A.P.O.

.....Respondents

By Advocate Shri S. Ali, Sr. C.G.S.C.

O R D E R

CHAUDHARI, J., V.C.

Mr D.K. Biswas for the applicant.

Mr S. Ali, Sr. C.G.S.C., for the respondents.

This application is purported to be filed on behalf of 113 Defence civilian employees by one Gadhadhar Bania, whose name alone appears in the title claiming Special Compensatory, (Remote Locality) Allowance (SCA(RL) for short) on the strength of the earlier judgment and order of this Tribunal in O.A.No.48/89 dated 29.3.1994. The title mentions the name of only one person. The O.A. is also signed by him alone. The verification is also made only on behalf of the said Gadhadhar Bania and not others. The Vakalatnama is attached to a list containing 111 names. Against those names the persons concerned appear to have signed except in respect of some of the names. Some names are also

deleted. Even though the Vakalatnama may have been signed in this manner it is difficult to treat the application as filed by all of the persons for whom the application is purported to be filed. Even otherwise the list together with the signatures does not appear to have been served on the respondents and thus they had no opportunity to verify the correctness of the particulars of the persons mentioned in the list.

2. It is also not prayed in the application that the applicants have joined together in filing the single application and should be allowed to do so. No application has been filed for leave under Rule 5(a) of the Central Administrative Tribunal (Procedure) Rules, 1987, nor any leave has been obtained. We cannot, therefore, regard the application as being properly constituted and we would not, therefore, be entitled to exercise our jurisdiction in law. Mr S. Ali, learned counsel for the respondents, also raised the objection that the application is not maintainable in this form. Procedure can be relaxed or non-compliance therewith can be condoned in the interest of justice, but that can be done only when a properly constituted application is brought before the Tribunal and only after which it will be in a position to exercise its jurisdiction for that purpose. In the present circumstances, unfortunate as it is, the whole difficulty may have arisen because of the inadvertence on the part of the learned Advocate that cannot be rectified having regard to the position in law. Consequently, we are constrained to confine the order only to the extent of the applicant whose name appears in the title, namely, Gadhadhar Bonia, leaving it open to the other persons who purportedly are applicants to file separate applications in accordance with law and the rules. ~~The order now passed may be considered to be extended after such applications have been filed.~~

3. The applicant, Gadhadhar Bonia, is a civilian Defence employee working under the respondent No.3, MES, 57, Mountain Division 99 APO. He claims SCA(RL) on the strength of the earlier decision of this Tribunal in O.A.No.48/89 decided on 29.3.1994. Although the respondents have not filed written statement, Mr S. Ali, Sr. C.G.S.C., sought permission

to.....

to rely upon the contentions raised by the respondents in the written statement filed in O.A.No.178/95 wherein similar claim has been made.

4. A group of civilian Defence employees posted in Tripura Modified Field Area have made similar claim on similar grounds in O.A. No.178/95. We have disposed of that O.A. by a separate order and while negating the contentions of the respondents have allowed the claim of the applicants in terms of order passed on that O.A. We adopt the same reasons in this O.A. and accordingly pass similar order as in that O.A. Hence following order is being passed:

i) The respondents are directed to pay to the applicant SCA(RL) from the date of actual posting of the applicant in the N.E. Region at the prescribed rate per month which is payable with effect from 1.10.1986 in terms of O.M.No.20014/10/86-E-IV dated 23.9.1986 upto 31.12.1995, 30.1.95.

ii) The respondents are directed to continue to pay the said allowance with effect from 31.1.95 in accordance with the order dated 31.1.1995 and other relevant guidelines at the prescribed rate.

5. The original application is allowed in terms of the aforesaid order. No order as to costs.

6. This order is confined to the applicant in the name of the title, i.e. Gadhadhar Bonia, with liberty to the other persons to file separate applications if so advised as indicated earlier.

O R D E R

Leave granted. We have heard learned counsel for the parties.

These appeals by special leave arise from the various orders passed by the Central Administrative Tribunal, Gauhati Bench in different matters. The main order was passed on 17.11.1995 in RA No. 4/95 in OA No. 49/89.

The Government of India have been issuing orders from time to time for payment of allowances and

facilities for civilian employees of the Central Government servants working in the States and Union Territories of the North-eastern region. It is not in dispute that Special Duty Allowance was ordered by the Government @ 25% of the basic pay subject to a ceiling of Rs.400/- per month on posting on any station in the North-eastern region. Subsequently, the Government have been issuing orders from time to time. In the proceedings dated April 17, 1995, the Government modified the payment of the Special Duty Allowance and Special Compensatory (Remote Locality) Allowance as under:

"The Defence Civilian employees, serving in the newly defined modified Field Areas, will continue to be entitled to the Special Compensatory (Remote Locality) Allowance and other allowances as admissible to Defence Civilians, as hitherto, under existing instructions issued by this Ministry from time to time. However, in respect of Defence Civilian employees in the newly defined Field Areas, Special Compensatory (Remote Locality) Allowance and other allowances, not concurrently admissible along with Field Service Concessions."

It is contended by Mr. P.P. Malhotra, learned senior counsel appearing for the Union of India, that the view taken by the Tribunal that they are entitled to both, is not correct and that they would be entitled

to either of the allowances. Shri P.P. Rao, learned senior counsel appearing for some of the respondents has contended that those civilian employees working in the defence service at various stations in the North-eastern region were given Special Duty Allowance with a view to attract the competent persons and the persons having been deployed, are entitled to the same and the amended concessions would be applicable to those employees who are transferred after April 17, 1975. All those who were serving earlier would be entitled to both. Shri Arun Jaitely, learned senior counsel appearing for some of the respondents has drawn our attention to the distinction between Field area and Modified Field area and submitted that in cases where civilian employees are supporting the field defence persons deployed for the border operational requirements facing the immense hostilities, they will be denied the payment of both allowances while the personnel working in the Modified Field Area, in other words, in barracks, will be entitled to double benefit of both the allowance. This creates hostile discrimination and unjust results.

Having regard to the respective contentions, we are of the view that the Government having been

extending the benefit of payment of Special Duty Allowance to all the defence employees working in the North-eastern region as per the orders issued by the Government from time to time as on April 17, 1995, they are entitled to both the Special Duty Allowance as well as Field Area Special Compensatory (Remote Locality) Allowance. The same came to be modified w.e.f. that date. Therefore, irrespective of the fact whether or not they have been deployed earlier to that date, all are entitled to both the allowances only upto that date. Thereafter, all the personnel whether transferred earlier to that or transferred from on or after that date, shall be entitled to payment of only one set of Special Duty Allowance in terms of the above modified order.

As regards the payment of Special Duty Allowance to the defence civilian personnel deployed at the border area for support of operational requirement, they face the imminent hostilities supporting the army personnel deployed there. Necessarily, they alone require the double payment as ordered by the Government but they cannot be deprived of the same since they are facing imminent hostilities

in hilly areas risking their lives as envisaged in the proceedings of the Army dated January 13, 1994. But the Modified Field Area, in other words, in the defence terminology, "barracks" in that area is a lesser risking area; hence they shall not be entitled to double payment. Under these circumstances, Mr. P.P. Malhotra is right in saying that the wording of the order requires modification. The Government is directed to modify the order and issue the corrigendum accordingly.

The appeals are disposed of accordingly. It is made clear that the Union of India is not entitled to recover any payments made of the period prior to April 17, 1995. No costs.
