..... Contmner  
Respondents.

The application of the abovenamed  
petitioner-

Most Respectfully Sheweths :

1. That the petitioner as applicant approached this Hon'ble Tribunal in O.A. No. 170/95, challenging the action of the contemner/respondent in not appointing him in the post of Clerk as a physically handicapped person of visual deformity. This Hon'ble Tribunal, however, upon hearing the parties had been pleased to disposed of the application with a direction upon the Respondents therein to pass reasoned order after ascertaining the deformity of the applicant/petitioner from a medical expert within a period of three months from the date of receipt of the order. The said order was passed on 12.2.98.

A copy of the aforesaid order dated 12.2.98 is annexed herewith as Annexure - 1.

2. That the case of the petitioner was further that after his selection he was firstly examined by the Railway Authorities on 30.4.91 which was followed by a second round of medical examination done by the District Medical Officer, Cooch Behar w.e.f. 21.8.91 to 29.8.91

following the instruction of Chief Personnel Officer, N.F. Railway, Maligaon. Thereafter, the petitioner was once again required to undergo medical examination on 24.9.93 and on that occasion the examination was done by the Chief Hospital Superintendent, N.F. Railway, Maligaon. But, even thereafter the petitioner was not given appointment although he was examined on three different occasions. It may be pertinent to mention that on all those occasions the medical authorities reported in favour of the applicant certifying his degree of disability. The applicant thereafter approached this Hon'ble Tribunal through O.A. No. 170/95.

3. That the petitioner, however, after receipt of the copy of the order dated 12.2.98 passed in O.A. No. 170/95 approached the contemners and submitted a copy of the said order dated 12.2.98. The contemners, thereafter arranged a Medical Board for medical examination of the petitioner and informed the petitioner about the same vide letter dated 23.3.98. Accordingly, the petitioner was examined, on 20.5.98 by the Medical Board so constituted by the Railway Authorities.

A copy of the aforesaid letter dated 23.3.98 is annexed herewith as Annexure -2.

4. That the petitioner states that after his medical examination on 20.5.98 more than 7(seven) months have elapsed but the Contemner authorities have neither communicated the report of the Medical ~~Board~~ Board

to him nor have taken any steps for his appointment. It is further stated that the authorities have not acted upon the report of the Medical Board and consequently have not passed any reasoned order as per direction of this Hon'ble Court thereby flouting the order deliberately and wilfully.

5. That the petitioner begs to submit that from the action/inaction of the contemners it is apparently clear that they have violated the order of the Hon'ble Tribunal deliberately and wilfully thereby making them liable to face appropriate proceeding for contempt of the Tribunal's order dated 12.2.98.

6. That the petitioner submits that this is a fit case wherein this Hon'ble Tribunal may invoke and exercise its jurisdiction to draw an appropriate proceeding of contempt against the contemners and accordingly punish them as per provision of law.

7. That this application is filed bonafide and in the interest of justice.

Upon the premises aforesaid it is thus humbly prayed that your Lordships may be pleased to admit this application, issue notice upon the contemners and draw a proceeding

of contempt against them for  
deliberately and wilfully viola-  
ting the order of this Hon'ble  
Tribunal dated 12.2.98 passed  
in O.A. No. 170/95 and cause or  
causes being shown and upon  
hearing the parties be pleased  
to punsih the contemnners as per  
provision of law.

And for this, the petitioner shall ever pray.

ORDER

BARUAH J.(V. C)

This application has been filed by the applicant  
praying inter alia for a direction to the respondents to  
appoint him as a physically handicapped person. He is a  
handicapped person of visual deformity. The claim of the  
applicant was turned down by the Railway administration.

on the grounds stated in Annexure R1 circular annexed to the reply of the Railway administration. The applicant was not covered by the said circular and therefore he was not entitled to the benefits of physically handicapped person. Against that a representation was submitted by the applicant to the Railway Minister. However, there was no reply to that representation. The contention of the applicant that the Railway administration unreasonably denied the claim of the applicant even though he came very much within the provisions of the Annexure R1 circular to the reply of the respondents. We have perused the Annexure R1 circular and so far the definition is concerned the Blind is described as follows :

"The blind are those who suffer from either of the following conditions:-

- (a) Total absence of sight;
- (b) Visual auity not exceeding 6/60 or 20/200 (Snellen in the better eye with correcting lenses;
- (c) Limitation of the field of vision subtending an angle of 20 degrees or worse."

2. We have heard Mr P.K.Tiwari, learned counsel appearing on behalf of the applicant and Mr J.L.Sarkar, learned Railway standing counsel for the respondents. From the definition of blindness as per Annexure R1 to the written statement only a medical expert can ascertain about the visual auity 6/60 or 20/200 (Snellen). Under the circumstances, we dispose of this application with a direction to the respondents to pass a reasoned order after ascertaining from a medical expert. The respondents shall allow the applicant to personally appear at the time of consideration of the matter if so advised.

This must be done within 3 months from the date

of receipt copy of this order. If the applicant is still aggrieved he may approach this Tribunal.

Considering the entire facts and circumstances of the case however, we make no order as to costs.

In order to employ Physically handicapped persons against 28 posts of Office Clerk/Commercial Clerk etc. in scale Rs.950-1500/- (RP) and Rs.975-1540/- (RP) in this Railway a requisition was placed on Employment Exchange/Special Employment and Vocational Rehabilitation Centre to sponsor Handicapped candidates. There are 3 Categories of Physically handicapped - hearing, visual and orthopedic. The name of Sri Chandan Ukil was sponsored by Employment Exchange Cooch Behar alongwith others. The panel for the Physically Handicapped persons was published on 18-6-91 and Sri Chandan Ukil found his place

in it as a physically handicapped person on visual deformity.

On a complaint lodged by one Sri Nares Das on the genuineness of certificate produced by Sri Ukil as Physically handicapped the Vigilance organisation of this Railway enquired into the matter. The appointment of Sri Ukil was therefore withheld inspite he was empanelled.

The applicant Sri Ukil represented the matter to Sri Ajit Kumar Panja Hon'ble Union Minister Information and Broadcasting, Govt. of India, New Delhi. Railway Board took up the matter and advised this Railway that the candidate be examined by Medical Board duly constituted by this Railway. According to the advise of the Railway Board the applicant was examined by a Medical Board at Central Hospital, Maligaon on 24-9-93. The opinion of the Medical Board was as under :-

"Sri Chandan Ukil is blind in his left eye.

There is no perception of light in the left eye. But his right eye is normal and he has visual acuity of 6/24 or it may be more. In terms of Railway Board's instruction circulated vide their letter No.E(NG) III-77/ECI/54 dated 8.1.78, Shri Chandan Ukil does not belong to the physically handicapped quota (Blind) as his right eye is normal and has a visual acuity of 6/24."

Aggrieved with the Board's decision the applicant approached Hon'ble Central Administrative Tribunal, Calcutta and filed an application bearing OA No.716 of 1994. By order dt. 19.7.95 Hon'ble Central Administrative Tribunal/Calcutta Bench has returned this application to

the applicant to be presented at the Bench for want of jurisdiction. The applicant again filed the application before Hon'ble CAT/Guwahati bearing No.170 of 1995.

Hon'ble CAT/Guwahati vide their order/judgment dt. 12.2.98 directed the Railway to pass a reasoned order after ascertaining from a medical expert the blindness of the applicant for consideration of his case. [Accordingly the applicant was directed to the Chief Medical Director, Northeast Frontier Railway, Maligaon. So as to comply with the order the applicant was thereafter examined by an Optholmologist and his report was not leading to any conclusion by the Chief Medical Director. He therefore referred the case to Medical Board at Central Hospital Maligaon comprising of 3 Medical experts including one eye specialist. The Medical Board examined the applicant on 7.1.99 at Central Hospital, Maligaon with the following comments. IN THE CENTRAL ADMINISTRATIVE TRIBUNAL  
GUWAHATI BENCH

Contempt Petition No. 1 of 1999  
arisen out of O.A. No. 170/95  
Sri Chandan Ukil

-versus-

Union of India & Ors.

-And-

In the matter of

Rejoinder submitted by the petitioner  
to the show cause reply submitted by  
the alleged contemner No.2.

The above named petitioner most humbly and  
respectfully begs to state as under :

1. That with regard to the statement made in paragraphs 4,5 of the reply to the show cause by the alleged contemner No.2, the petitioner begs to state that the Judgement and Order passed by the Hon'ble Tribunal dt. 17.2.98 in O.A. No. 170 of 1995 has not been implemented in terms of the direction of the Hon'ble Tribunal contained therein rather an attempt is made by the alleged contemnners to avoid the implementation of the order in its true spirit and letter as such the medical examination conducted on 20.5.98 in pursuance of the Hon'ble Tribunal's order dated 17.2.98 passed in O.A. No. 170/95. But the result of such medical examination which was conducted on 20.5.98 was not deliberately communicated to the contempt petitioner as per the direction contained in the said judgement.

Contd...

30  
Filed by the applicant  
through M. Chanda, Advocate  
On 23.3.95

Most surprisingly the alleged contemnners without communicating the result of the medical examination held on 20.5.98 by expert Railway Doctor in terms of the direction made by the Hon'ble Tribunal in its judgement and order dated 17.2.98 took an arbitrary decision to conduct a further medical examination in respect ~~xxx~~ of the contempt petitioner in order to ascertain whether he falls within the category of handicapped as claimed by the contempt petitioner. It may be presumed from the conduct of the contemnners that the medical examination report which was held on 20.5.98 might have gone in favour of the contempt petitioner. Therefore the alleged contemnners did not communicate the result of such medical examination and with a view of intention to harass the present contempt er and petition/arbitrarily decided to conduct a further medical examination and accordingly the alleged contemnners particularly contemner No.1 vide his letter bearing No. E/227/220 (Rectt) Pt III dated 04.01.99 directed the present contempt petitioner to report for further medical examination on 5.1.99 at 09-30 A.M. to Medical Director, Maligaon. The contempt petitioner finding no other alternative and in the compelling circumstances again appeared before the Medical Director on 5.1.99 for further medical examination and accordingly a medical examination was conducted on 5.1.99 by the Railway Authority.

It is pertinent to mention here that there was no scope for the Railway Authority to conduct the 2nd medical examination in total violation of the order of the Hon'ble Tribunal that too without taking any permission from the Hon'ble Tribunal. It is also relevant to mention here that the result of the medical examination held on 20.5.1998

Contd....

20/5/98

also not communicated to the present contempt petitioner therefore it is not known whether the contempt petitioner was declared fit or not by the expert medical authority who conducted the medical examination on 20.5.98. However, it may be presumed that the medical examination report which was held on 20.5.98 might have gone in favour of the contempt petitioner. Therefore the Hon'ble Tribunal be pleased to direct the alleged contemnners to produce the report of the medical examination which was held on 20.5.98 in terms of the direction of this Hon'ble Tribunal passed in O.A. No. 170/95 dated 17.2.98 and if the applicant is found fit as per the medical examination report held on 20.5.98 in that event the Hon'ble Tribunal be pleased to direct the alleged contemnners to issue necessary order of appointment or further be pleased to act in accordance with the direction passed in the Original Application No. 170/95. It is stated that the Railway authority had no scope or jurisdiction to conduct further medical examination on the same issue but the respondents/railway authority conducted the medical examination on 5.1.99 with an ulterior motive to frustrate the claim of the present contempt petitioner for appointment to the post of Commercial Clerk/Office Clerk in spite of the Hon'ble Tribunal's order/direction passed in O.A. 170/95.

It is also relevant to mention here that the opinion of the medical board examination held on 24.4.93 was never communicated to the present contempt petitioner and after waiting for about two years the contempt petitioner did not find any response from the Railway Authority approached the Hon'ble Tribunal in a compelling circumstances. Therefore it is not correct that the contempt petitioner aggrieved with

the decision of medical examination held on 24.9.93 approached the Hon'ble Tribunal, rather the Contempt Petitioner approached the Hon'ble Tribunal as he was not intimated nay decision of the medical examination held on 24.9.93 that too after a lapse of two years the contempt petitioner approached the Hon'ble Tribunal by way of filing the Original Application No. 170 of 1995.

It is further stated that since there was no scope for the alleged contemnners to conduct the further medical examination, therefore the question of further examination of the contempt petitioner in the All India Institute of Medical Science, New Delhi does not arise and the railway authorities are binding to act upon the medical examination report which was held on 20.5.98.

2. The contempt petitioner categorically denies the statement made in paragraphs 7,8,9.10 of the reply and further begs to state that the medical examination was conducted by the alleged contemner on 20.5.98 in pursuance of the direction of the Hon'ble Tribunal passed in O.A. No. 170/95. It is surprising that there is no mention in the reply regarding the examination conducted in respect of the contempt petitioner on 20.5.98. Therefore the Hon'ble Tribunal be pleased to direct the alleged contemnners to produce the medical report of the examination held on 20.5.98 before the Hon'ble Tribunal. It is pertinent to mention here that the contempt petitioner although appeared before the further medical examination held on 5.2.99 with a written objection addressed to the General Manager, N.F.Railway, Maligaon.

A copy of the letter dated 4.1.99 is annexed hereto for kind perusal of the Hon'ble Tribunal as Annexure-1.

In view of the facts and circumstances  
stated above, the Hon'ble Tribunal be pleased to initiate  
the contempt proceeding against the ~~xxxxxx~~ alleged  
contemners and the alleged contemnners are liable to be  
punished in accordance with law.

In terms of your above quoted letter,  
the above named was examined by an expert (Opticologist), Dr(MS)D.Kharmalki on 20-5-98.

Sri Ukil's vision was blind in the left  
eye and vision in the right eye is 4/60.

Hence in terms of Rly. Board's letter  
NO.E(NG)III-77/RC-1/54 dt. 8-1-1978, Sri Chandan Ukil  
belongs to the physically handicapped quota (blind) as  
on 20-5-1998.

However, it may be mentioned that  
Sri Chandan Ukil was examined by a Medical Board which  
include one Eye Specialist, (Dr. B.R.Deka) Sr.DMO/CH/MLG

During that medical examination (on

In the matter of :

Additional Rejoinder submitted by  
the Applicants

The abovenamed Petitioner most humbly and respectfully begs to state as under :

1. That it is stated that similarly situated persons who appeared for selection against handicapped quota in the said selection where the present applicant was selected, it would be evident from the select list that from Alipurduar Division I Sri Ujjwal Kumar Adhikari also selected alongwith the applicant under the quota of visually handicapped. Similarly, another candidate Smti Rekha Rani Das selected from Lumding/Tinsukia Division under visually handicapped quota, both of them have been required one eye blind but they have been appointed in Railway Service whereas the applicant in whose case the Medical Board constituted by Railway already confirmed beyond all doubts that blindness of his left eye, and regarding right eye it is stated with doubtful range to vision, more particularly as per letter

Contd...

dated 8.2.1999 issued by the Chief Medical Director, Maligaon, therefore even assuming but not admitting that there is a doubtful range of vision in the right eye found after examination by the Medical Board as stated in the letter dated 8.2.1999, then also applicant is entitled to be appointed as because, similarly situated visually Handicapped candidate Sri Ujjwal Kr. Adhikari and Smt. Rekha Rani Das where appointed by the Railways from the same select list therefore denial of appointment of the applicant is violative of Article 14 of the Constitution of India.

It is further submitted that District Medical Board initially constituted under the District Magistrate, Cooch Behar also certified that the disability of the applicant is 55% and which would be evident from the letter dated 31.8.1999 issued by the Employment Officer, District Employment Exchange, Cooch Behar to Chief Personnel Officer, Recruitment Section, Maligaon, Guwahati wherein it was requested that case of the applicant should be considered for the post of Clerk. Therefore denial of appointment of the applicant is highly arbitrary and unfair and more particularly when similarly situated candidates have been appointed by the Railways out of the same selection therefore there is no justification to deny the same benefit to the applicant.

Copy of the Select List and letter dated 31.8.1991 are annexed as Annexures-3 & 4 respectively.

2. That it is stated that General Manager (P) vide letter dated 18.5.98 informed the applicant to appear for medical examination by medical expert on 20.5.1998 as per the

Contd....

Hon'ble Tribunal's order dated 12.2.1998 in O.A. No. 175/95 at 10.00 hrs. positively. The applicant accordingly appeared and the opinion of the Medical Board went in favour of the applicant which was held on 26.5.1998. The respondents being not satisfied with report again directed the applicant to report on 5.1.1999 at 09-30 hrs. for further medical examination as per direction passed in O.A. No. 170/98 vide General Manager (P) letter dated 4.1.1999. It would be evident from the correspondence dated 23.3.1998 that although the applicant was directed to deposit Rs. 24/- only for medical examination but the same has been treated as cancelled as the same was not required to be done. Therefore it appears that on different occasion different opinion is being formed by the higher authorities/respondents regarding medical examination for the purpose of recruitment under physical handicapped quota therefore it could be presumed that only in the name of medical examination the applicant is being harrassed by the alleged contemnners with an ulterior motive.

In the facts stated above Hon'ble Tribunal be pleased to initiate a contempt proceeding and further be pleased to impose punishment upon the alleged contemnners in accordance with law.

A copy of the letter dated 18.5.98 and 4.1.1999 and 23.3.98 are annexed as Annexures-5, 6 & 7 respectively.

Contempt Petition No. 1 of 1999

in

OA. No. 170/95

Shri Chandan Ukil

- Vs -

U.O. I & Others

In the matter of :

Reply to the Rejoinder filed by  
the applicant

The respondents most respectfully beg to state as under:

1. The respondents have gone through the rejoinder filed by the applicant and understood the contents thereof.
2. That in reply to the statements in rejoinder the respondents reiterate the statements in the W.S. and do not admit any statement which is not supported by records.
3. That in reply to the ~~stx~~ statements in paragraphs 1 and 2 of the rejoinder it is stated that the appointment to the posts against handicapped quota are made on the basis of medical examination reports. The cases of the persons named by the petitioner are not of doubtful range<sup>of vision</sup>. They fall within the physically handicapped norms. But the case

of the petitioner is of doubtful range and as such to clear any doubt expert medical check up in the institution where such facility exists <sup>is necessary,</sup> The allegation of denial of appointment is denied.

The petitioner was advised to go for medical examination to confirm percentage of visually handicappedness and after the examination if he was found within norms of handicapped person he would have been appointed. But the petitioner avoided the medical examination. The petitioner was informed that his depositing of Rs. 24/- for medical examination was not required by the letter No. E/227/Pre-Medical/ST (XI) dated 23-3-96 and ~~XXXXXXXXXXXXXXXXXXXX~~ this is not a change of decision as regards medical report and appointment. It only informs him that the said money need not be paid. It is also stated that the medical examination is required in the case of the applicant for the reason that appointment on physically handicapped quota should be done <sup>after</sup> ~~for~~ deciding the prescribed percentage of physical disability of the candidate and hence the allegation of the applicant that he has been harrassed with an ulterior motive is baseless in the facts and circumstance of the case.

4. That this reply to the rejoinder has been made bonafide and in the interest of justice.
5. That in the facts and circumstances of the case the contempt petition deserves to be dismissed.

VERIFICATION

I Sri A.K. Nigam working as Chief Personnel Officer (Administrative) do hereby verify that the statements made paragraphs 1 to 5 are true to my knowledge.

**IN THE CENTRAL ADMINISTRATIVE TRIBUNAL  
GUWAHATI BENCH**

In the matter of :

Contempt petition No. 1/1999

In ..

OA No. 170 of 1995

Sri Chandan Ukil

Vs

Sri R. Nath and others

And

In the matter of

An additional affidavit by the petitioner to apprise the Hon'ble Tribunal of development taking place after Submission of Medical Examination report, conducted by the SHANKARDEV NETHRALAYA . Guwahati on 21.7.2001 and deliberations before this Hon'ble Tribunal on 2.8.2001 for appropriate order.

I, Sri Chandan Ukil, S/o Sri Birendra Chandra Ukil, resident of Shibendra Narayan Road, P.O. & Dist. Cooch Behar, West Bengal, petitioner in the aforementioned Contempt Petition, do hereby solemnly affirm and state as follows :

1. That your petitioner approached this Hon'ble Tribunal way back in 1999 by filing a contempt petition before this Hon'ble Tribunal under section 17 of the Administrative Tribunal Act, 1985 for initiation of contempt proceeding for wilful and deliberate violation of the Judgment and order of the Hon'ble Tribunal dated 12.2.98 passed in O.A. No. 170/95. The said Contempt Petition was registered as C.P. No. 1 of 1999 and the Hon'ble Tribunal was leased to issue notice in the year 1999 itself, against the alleged contemner. However, the alleged Contemner Sri P. Murugan the then Chief Personnel Officer N.F. Railway, Maligaon submitted his show cause reply on 19.2.1999 before this Hon'ble Tribunal in the said show cause reply said Sri Murugan stated as follows :

"Hon'ble CAT Guwahati vide their order/judgment dated 12.2.1998 directed the Railway to pass a reasoned order after ascertaining from a medical expert the blindness of the applicant for consideration of his case. Accordingly the applicant was directed to the Chief Medical Director, N.F. Railway Maligaon. So as to comply with the order the applicant was thereafter examined by the ophthalmologist and his report was not leading to any confusion by the Chief Medical Director. He therefore referred the case to Medical Board at Central Hospital, Maligaon, comprising of three medical experts including one eye specialist. The Medical Board Examined the

applicant on 7.1.1999 at Central Hospital, Maligaon, with the following comments. Opinion of the Medical Board of was blind of left eye with doubtful range of vision of right eye which will require electro psychological test for confirmation. In order to come to a deceive conclusion Sri Chandan Ukil is required to be sent to AIIMS , New Delhi to establish the degree of visual loss over left eye and to obtain their opinion".

It is stated that the above statement of Sri Murugan also not correct which would be evident from the Confidential letter bearing No. H/5/80(A) dated 20.5.1998 addressed to CMD, N.F. Rly., Maligaon, enclosing the Medical Examination on report dated 20.5.1998 conducted by Dr. D. Kharmalki, Maligaon. A mere perusal of the Medical Report dated 20.5.1998 would establish that the petitioner's vision falls within the range of physically handicapped quota as prescribed in the relevant Railway circulars and there was no ambiguity in the said medical examination report dated 20.5.1998 conducted by a Medical expert of N.F. Railways. But surprisingly in the show cause reply dated 19.2.1999 of Sri Murugan, the then Chief Personnel officer submitted that Report did not lead to any conclusion as per opinion of Chief Medical Director but the records speaks contrary to the statement made by Sri Murugan before this Hon'ble tribunal. It is however submitted that in the said show cause reply dated 19.2.1999 it was stated that thereafter the Chief Medical Director referred the case of the petitioner to Medical Board at Central Hospital at Maligaon comprising of three Medical Officers including one eye specialist and that the said Medical Board

examined the petitioner on 7.1.1999 at Central Hospital, Maligaon and opined that the petitioner was blind of left eye with doubtful range of vision of right eye which would require electro physiological test for confirmation in order to come to a decisive conclusion and that the petitioner was required to send to AllMS, New Delhi to establish the degree of visual loss of left eye and to obtain their opinion. But surprisingly the report of the Medical Board dated 7.1.1999 speaks contrary to the statement made by Sri Murugan in his show cause reply dated 19.2.1999. From mere perusal of the Medical Board Examination report dated 7.1.1999 it would be evident that the Medical Board categorically submitted its opinion that the petitioner is blind of his left eye and it is further recorded that the range of vision in his right eye is doubtful. But surprisingly in the test report it is specifically stated that vision of the petitioner in the right eye is 6/60 which is not improved even after examination, distance is reduced to two metres. Therefore it appears that even though the right eye of the petitioner falls within a range prescribed by the Railway Board Circular for declaration of physically handicapped, but surprisingly in the opinion part of the said report it is stated that the vision of the right eye is of doubtful range with the sole intention to mislead the Hon'ble Tribunal and to harass the petitioner as the petitioner came out successful in the earlier medical examinations held on 20.5.1998 and also in the subsequent medical examination held on 7.1.1999. It is relevant to mention here that all these medical reports have been submitted by the Railways before this Hon'ble Tribunal on 11.2.2000 with a list of records. However, the alleged contemnors vide their letter bearing No. E/227/220(Rectt) Pt III dated 7.2.2000 wrote a letter to the Medical Director,

Sankar Netralaya, Guwahati asking for an appointment for medical examination of the petitioner for recruitment against visually handicapped quota with reference to Chief Personnel Officer's telephonic discussion held on 4.2.2000 and subsequently an arrangement was made by the Railway Authority that the Sankar Netralaya, Guwahati for medical examination of the petitioner and further insisted on the petitioner for attending Sankar Netralaya for further medical examination during the pendency of the contempt petition.

~~A copy of the letter dated 7.2.2000 is annexed as Annexure~~ *don*

2. That this Hon'ble Tribunal vide its order dated 26.6.2001 directed the petitioner to appear before the Sankar Netralaya, Guwahati for further medical examination so that petitioner could get examined on the basis of electro physiological test for correct assessment of his range of vision and also directed alleged contemnors for production of Medical Report pertaining to the physical handicapped Sri Ujjwal Kumar Adhikari and Ms Keka Rani Das who were shown as selected candidates with Roll No. 6 and 198 respectively before this Hon'ble Tribunal on the next date of hearing. However in terms of the Hon'ble Tribunal's order dated 26.6.2001 the petitioner was informed by the General Manager (P), Maligaon vide his letter bearing No. Z/20816/CAT/GHY/99 dated 2.7.2001 directing him to attend the office of the General Manager (P), Maligaon, Guwahati on 20.7.2001 at 09.00 hrs positively for medial examination in the Sankar Netralaya, Guwahti on 21.7.2001 at 10.30 A.M. The petitioner accordingly attended the office of General Manager (P) on 20.7.2001 and also attended Sankar Netralaya,

Guwahati on 21.7.2001 at 10.30 a.m. for further medical examination for assessment of correct vision.

The petitioner was released after necessary medical examination conducted by the Sankar Netralaya on 21.7.2001. Therefore, when the said Contempt Petition came up for consideration for hearing on 2.8.2001 as fixed earlier the Railway Counsel submitted before this Hon'ble Tribunal on 2.8.2001 that they have received the medical examination report from Sankar Netralaya and thereafter the matter is now under active consideration before the Railway Authorities for consideration of appointment of the petitioner and also submitted before this Hon'ble Tribunal on 2.8.2001 that the petitioner should be made himself available before the Railway Authorities to follow up the further developments.

In view of the submission made by the Railway counsel on 2.8.2001 the petitioner accordingly came down to Guwahati from his home town Cooch Behar and went to the chamber of Sr. Personnel Officer (Recruitment), Sri Narzari on 7.8.2001 at about 11.00 a.m. and enquired about the progress regarding issuance of appointment letter to the post of Junior Clerk. Sri Narzari however told the petitioner that he is not aware about any development of his case for appointment as he had taken the charge of the said office very recently. The petitioner on the very next day i.e. on 8.8.2001 met Sri A.K.Nigam, Chief Personnel Officer at about 10.30 a.m. and requested him to apprise the progress of his case for appointment, since the medical examination in Sankar Netralaya is over. Sri Nigam however informed the petitioner on 8.8.2001 that the matter regarding his appointment has already been referred to Chief Medical Director, N.F. Railway Guwahati

and told him that necessary decision for his appointment will be taken tomorrow i.e. on 9.8.2001 after consultation with the Chief Medical Director and accordingly he was asked to collect necessary information on the next day i.e. on 9.8.2001. The petitioner accordingly again went to A.K. Nigam, Chief Personnel Officer at about 02.30 P.M. but he was not available in his office and on enquiry it was learnt that Sri Nigam, Chief Personnel Officer had left the office for attending some urgent meeting. The petitioner being disappointed again went on 10.8.2001 to the office of Sri A.K.Nigam, Chief Personnel Officer at about 10.30 A.M. The moment the petitioner reached to the office of said Sri A.K.Nigam, Chief Personnel Officer, he immediately picked up the telephone and discussed with Dr. G.C. Raju, Chief Medical Director for about 5-10 minutes and thereafter Sri Nigam called the Senior Personnel Officer (Recruitment) and requested him to take the petitioner to the chamber of Dr. G.C.Raju, Chief Medical Director, N.F.Railway, Maligaon and also advised the petitioner to meet the Chief Medical Director Dr. G.C.Raju. Accordingly, the petitioner was taken by the Senior Personnel Officer (Recruitment) to the chamber of the Chief Medical Director Dr. G.C.Raju. Thereafter Dr. G.C.Raju made some queries to the petitioner regarding his vision position and after about 10 minutes the petitioner was taken to a room adjacent to his chamber for further eye examination by the chief Medical Director Dr. G.C.Raju. It is pertinent to mention here that Dr. B.R.Deka, eye specialist was also called in chamber of Dr. G.C.Raju during the examination and Dr. Raju further examined the eyes of the petitioner. It is also relevant to mention here that there was no formal requisition from the end of Chief Medical Director or prior intimation regarding

examination of eyes of the petitioner and the petitioner being a poor unemployed person was puzzled as the Chief Medical Director started further examination of his eyes without any prior intimation and examined him for about two hours. The petitioner, after the examination was over, felt hungry and exhausted at such tension and with the due permission of the Chief Medical Director left the office at about 01-30 p.m. In this connection it is relevant to mention here that the petitioner had been examined by the Sankar Netralaya, Guwahati very recently i.e. on 21.7.2001 at the instance of the Railway Authority after being examined prior to that on two occasions by the Railway Board Doctors. On 20.5.1998 and 7.1.1999. It is relevant to mention here that on 7.1.1999 said Sri B.R.Deka was one of the members among the Board members constituted with the three medical officers and Dr. Deka also gave his opinion in the Medical examination report on 7.1.1999. Therefore, there was no justifiable ground for conducting any further medical examination relating to the vision position of the petitioner and that too with the assistance of said Dr. B.R. Deka. It appears that Dr. G.C. Raju, Chief Medical Director was not happy with the medical examination report of the Sankar Netralaya, Guwahati and therefore Dr. G.C. Raju in a very arbitrary manner and without prior intimation and also without leave of the Hon'ble Tribunal started medical examination regarding correctness of the vision of the petitioner and such arbitrary and illegal action of Dr. G.C.Raju, Chief Medical Director is in disregard to the proceeding pending before this Hon'ble Tribunal. He is not in any way connected with the recruitment of the petitioner. The medical examination report conducted by the expert Doctors. on 20.5.1998 and also on 7.1.1999 has already been produced before the

Hon'ble Tribunal and thereafter at the instance of the Railway Authorities the petitioner was sent to Sankar Netralaya . So in the circumstances after receipt of the medical examination report from Sankar Netralaya it was expected that the Railway Authorities would act in accordance with the report submitted by the Sankar Netralaya for consideration of his appointment. But from the arbitrary and illegal action of Dr. G.C.Raju, Chief Medical Director it appears that he has got a feeling that he is above the law and the matter of appointment of the petitioner will be at the mercy and whims of Dr. G.C. Raju, Chief Medical Director, N.F.Railway and therefore the entire action of Dr. Raju is contrary to law and this affidavit is made to bring the subsequent development to the notice of Hon'ble Tribunal for appropriate action against the respondents and Chief Medical Director Dr. G.C.Raju in particular. In view of the fact that when the matter is subjudice before the Hon'ble Tribunal and this Hon'ble Tribunal had passed a specific direction on 26.6.2001 to get the petitioner examined as desired by the Railway Authority through Sankar Netralaya, Guwahati and had also directed the Railway Authorities to produce the Medical Examination Report in respect one Sri Ujjwal Kr. Adhikari and Ms. Keka Rani Das who were also empanelled in the select list bearing Roll nos. 6 and 198 respectively, the Railway Authorities deliberately violated the order of the Hon'ble Tribunal as they did not produce the medical report as directed by the Hon'ble Tribunal on 26.6.2001 and also did not produce the medical examination report received by the Railway Authorities from Sankar Netralaya, Guwahati. All these action of the alleged contemnors shows that they are acting in total violation of the Judgment and

q3

order of the Hon'ble Tribunal dated 12.2.1998 passed in O.A. No. 170 of 1995 and also in violation of order passed on 26.6.2001 in C.P. No. 1/1999.

It is also pertinent to mention here that Sri A.K.Nigam vested with the power of recruitment is also silent after receipt of the report from Sankar Netralaya and his conduct also goes to show that they are not inclined to take any action on the basis of medical report submitted by the Sankar Netralaya.

In the circumstances stated above the petitioner by way of this affidavit brings to the notice of the Hon'ble Tribunal the subsequent events that had taken place after receipt of the Medical Examination Report by the Railway Authority from the Sankar Netralaya, Guwahati and prays for passing an appropriate order in the facts and circumstances as stated above as may be deemed fit and proper against the Dr. G.C.Raju, Chief Medical Director in particular for his unlawful activities in view of by passing the order of the Hon'ble tribunal. It is further submitted that Hon'ble Tribunal further be pleased to direct the alleged Contemnners to produce the relevant file bearing No. SSM/99/2001/Gen/ and file bearing No. 2/208/6/CAT/GhY/91 along with the Medical Examination reports of the petitioner given by the Sankar Netralaya as well as the Medical Report of earlier appointees namely Ujjwai Kr. Adhikari as well as Ms. Keka Rani Das for perusal of the Hon'ble Tribunal and also for passing further appropriate order in the facts and circumstances stated above.

7. That the statements made in the declaration and in paragraphs ..... 1 & 2 ..... are true to my knowledge, those made in paragraphs ..... are true to my information derived from the records which I believe to be true and the rests are my humble submissions before the Hon'ble Court.
