ORDER

SANGLYINE, G.L., MEMBER (A).

The applicant, Sri Biswajit Choudhury, is working as an Upper Division Clerk in the office of the Member Secretary, North Eastern Regional Electricity Board, Central Electricity Authority, Government of India, Rosolina Building, Nongrimbah Road, Laitumkhrah, Shillong-3 Meghalaya. The Government of India, Ministry of Power had decided to transfer the five Regional Load Despatch Centres (RLDCs for short) in a phased manner to the Power Grid Corporation of India Limited (Corporation for short) and, consequently, the personnel posted in the RLDCs were to be absorbed on permanent basis by the Corporation. For this purpose all officers and members of the staff of NEREB were asked on 20.12.1993 to exercise their options for absorption on permanent basis in the Power Grid Corporation of India Limited in case they desire to be so absorbed. In the Office Memorandum dated 20.12.1993 Annexure-1 to this application, by which such options were called for, NERLDC, Shillong has been included as one of the units subjected to such transfer as stated above. The applicant had exercised his option for his transfeer and per<sup>n</sup>anent absorption in the Corporation and his option was forwarded by the local authorities to the Secretary, Central Electricity Authority, New Delhi vide fax message dated 9.10.1993 (Annexure-2). This authority had not however sent the option of the applicant to the Power Grid Corporation of India Limited, New Delhi. Thereupon the applicant made representation on 29.12.1994 for reconsideration of his case. He was informed, "in this connection it is mentioned that there is only one post of UDC and the same is

..... sanctioned

L  
4.3.96

sanctioned for NEREB and not for NERLDC. Thus the request of Shri B. Choudhury, UDC to permit him to join Power Grid cannot be acceded to." The applicant has therefore submitted this application under Section 19 of the Administrative Tribunals Act, 1985. According to Mr Dhar main prayers of the applicant in this application are for quashing the letter dated 27.3.1995 conveying the aforesaid decision and to direct respondent No.2 and No.5 to accommodate him in the Power Grid Corporation of India Limited in place of Sri Sudarsan Singh, LDC, or such other employees who had since requested for withdrawals of their options. Mr N. Dhar, learned Counsel for the applicant, submitted that the prayers are justified for, firstly, the legitimate expectation of the applicant had been shattered by the refusal. The respondents had called for the options and the applicant had exercised his option which was final and irrevocable according to the terms of the offer. The respondents cannot therefore be justified in their denial of better service prospects of the applicant in the Corporation. He further submitted that the ground for rejection is untenable and are therefore liable to be rejected. Secondly, he submitted that there are vacancies in the Corporation against which the applicant can be accommodated.

2. Mr S. Ali, Sr. C.G.S.C., alongwith Sri Shree Pal, Executive Engineer, NEREB, Shillong appeared on behalf of the respondents. Mr Ali supported the contention of the respondents and pointed out that the Corporation could not have considered the case of the applicant when his case was not placed before it and that the respondents No.1 to 3 had not forwarded the case of the applicant to the Corporation as it was found that it was not possible for them to do so in the facts of the case.

8.3.96

3. When the application was moved for admission on 13.7.1995, it was not straightaway admitted as there was some doubt about the jurisdiction of this Tribunal in this case. A notice was issued for the respondents to Show Cause why this application should not be admitted. There was no reply however and the application had to be admitted without Show Cause reply having been received from them on 1.12.1995. Respondent No.5, The Chairman-cum-Managing Director, Power Grid Corporation of India Ltd., Nehru Place, New Delhi is apparently for a Public Undertaking which is outside the jurisdiction of this Tribunal. At any rate, no action had been taken by the Corporation in respect of the case of the applicant neither was it required to do anything with the case of the applicant at the relevant time. As such, no order is required to be passed against it. As regards the prayer of the applicant to direct the Corporation to accommodate him in service, it is for the other respondents under whom the applicant is serving to take up the matter with the Corporation. In short, no order is passed against Respondent No.5. The remaining respondents did not object to the claim of the applicant that this application is within the jurisdiction of this Tribunal. Instead at para 1 of their written statement dated 27.11.1995, since submitted by the learned Counsel, it has been submitted that they have no comment on the same. Order in this application is therefore passed in respect of respondents No.1 to 4 only.

4. According to the impugned letter dated 27.3.1995 the ground for refusal to allow the applicant to join Power Grid is because the post of UDC was sanctioned for NEREB and not for NERLDC. This letter (Annexure-6) does not

.....clarify

8.3.96

-5-

clarify whether the said post of UDC is the post occupied by the applicant. But even if it is, this reason given in support of the refusal is not in consonance with the intention of the respondents No. 3 and 4 while issuing the Office Memorandum dated 20.12.1993. It is seen from this Memorandum that it was not any particular post of NEREB that was to be transferred to and absorbed in the Corporation ~~but~~ only the officers or staff who were willing to be absorbed in the Power Grid Corporation of India Limited after tendering technical resignation. Although the absorption was with regard to the personnel posted in the NERLDC yet this Office Memorandum was circulated to all officers and staff of NEREB as indicated in the Memorandum itself. This is understandable as according to Para 4 thereof there could be amongst the personnel of the NERLDC who were not willing to be absorbed in the Corporation after the NERLDC <sup>was</sup> ~~was~~ taken over by the Corporation. The applicant was a member of the staff of NEREB and had submitted his option in accordance with this Office Memorandum and the intention of the respondents No. 3 and 4. The refusal as conveyed by the impugned letter dated 27.3.1995 (Annexure-6) is therefore whimsical and arbitrary. Now in their written statement Respondents No. 1 to 4 have made an attempt to explain away their refusal to forward the option of the applicant to the Corporation by stating that, in no case, employees of the REBs are to be transferred to the Power Grid as the same will continue to function under Respondent No. 1, 2 and 3. But this is so unconvincing as the letter dated 27.3.1995 (Annexure-6) does not say so and the Memorandum dated 20.12.1993 was circulated to all officers and staff of NEREB. In fact, it is the pointed contention of the applicant in this

... application

4-3-95

12

application that the letter dated 31.12.1994 (Annexure-4) includes therein names of officers and staff working in the NEREB whose options were forwarded by Respondent No.3 to Respondent No.5 for their absorption in the Corporation. The respondents No.1 to 4 have no reply to this contention of the applicant in their written statement except claiming that such contention is not maintainable. Since this is the position, their refusal has also become discriminatory. There is no doubt that the respondents No.3 and 4 had created hope in the mind of the applicant for better service prospect, according to him, by circulating the Office Memorandum dated 20.12.1993 to the applicant and obtaining his option for absorption in the Corporation. This hope had been frustrated by the refusal of Respondent No.3 to forward the option of the applicant to the Corporation. In the light of the discussion in this paragraph hereinabove it is hereby held that the reason in support of the refusal to forward the case of the applicant to the Corporation is unsustainable. Accordingly, the impugned letter dated 27.3.1995 in-so-far as it relates to the applicant is set aside and quashed. It is hereby directed that Respondent No.2 and 3 shall on receipt of this order expeditiously reconsider the appeal of the applicant for forwarding his option to the Power Grid Corporation of India Limited. It is expected that such action would be completed within two months from the date of receipt by this order by these respondents. As already stated above there will however be no order against Respondent No.5. The applicant is at liberty to pursue the matter with the respondents.

5. Other contentions are not necessary to be considered. Application is disposed of as above. No order as to costs.

6. Facts of the case :-

The facts of the case are as follows :-

i) That -----

I) That the applicant is an employee and staff of the North Eastern Regional Electricity Board (N.E.R.E.B.) in Shillong. He is working as the Upper Division Clerk in the said establishment under the Respondent No.4 since 18.7.84. The aforesaid North Eastern Regional Electricity Board (N.E.R.E.B.) is an organisation under the Central Electricity Authority (C.E.A.) of the Govt. of India, Ministry of Power, New Delhi-1.

II) That on 20.12.93, the Secretary, Central Electricity Authority (C.E.A.), Govt. of India, New Delhi-66, had circulated an Office Memorandum No.1/9/93-ADM.IV dated 20.12.93 amongst all the Officers, employees and staffs of the North Eastern Regional Electricity Board (N.E.R.E.B.), Shillong, beside all other Regional Electricity Board in the country under the Central Electricity Authority (C.E.A.) directing them to exercise their option for transfer and absorption in the Power Grid Corporation of India Ltd. It was directed that the employee/staff should furnish their written option together with relevant particulars in the proforma enclosed to the respective Member-Secretary of the Regional Electricity Board, Assam, positively by 27.12.93 and once the option is exercised it shall be final.

A copy -----

9

-page 6.-

A copy of the aforesaid office Memorandum dated 20.12.93 issued by the Secretary, Central Electricity Authority (C.E.A.), Govt. of India, is annexed hereto as Annexure-1 of this application.

III) That, it may be mentioned here that the exercise of option for transfer and absorption of the employees/staff of the Regional Electricity Board/Regional Load Despatch Centre of the Central Electricity Authority (C.E.A.), Govt. of India, had become essential as in the meantime the Govt. of India had decided to transfer all such units from the Central Electricity Authority (C.E.A.) to the newly constituted Power Grid Corporation of India Ltd., in a phased manner. The applicant in response to the aforesaid office Memorandum No. 1/9/93-Adm IV dated 20.12.93 issued by the Secretary, Central Electricity Authority (C.E.A.), had accordingly exercised his final written option in this regard before the Member-Secretary, North Eastern Regional Electricity Board, Central Electricity Authority (C.E.A.), Govt. of India, Shillong-3, for his transfer and absorption in the Power Grid Corporation of India Ltd. as has been stated above. The Executive Engineer, N.E.R.E.B./C.E.A., Shillong-3, accordingly as per his Memo No. 1/7/93-NEREB dated 7.10.93 was pleased to forward the particulars of the Officers/employees of the said establishment, including that of the applicant, who

had -----

20

-page 7.-

had exercised their option to the Power Grid Corporation of India Ltd. to the Under Secretary(P), Central Electricity Authority, Govt. of India, New Delhi for his information and necessary action in this regard.

A copy of the aforesaid Memo No. 1/7/93-N.E.R.E.B. dated 7.10.93 alongwith its enclosure is annexed hereto as Annexure-2 of this application.

IV) That the Member Secretary, North Eastern Regional Electricity Board (N.E.R.E.B.)/ Central Electricity Authority (C.E.A.), Govt. of India, Shillong-3, thereafter as per his Fax message dated 27.12.93 address to the Secretary, Central Electricity Authority (C.E.A.), Govt. of India, New Delhi, was pleased to confirm the options exercised by the applicant for his absorption in the regular service of the Power Grid Corporation of India Ltd. as has been stated above.

A copy of the aforesaid Fax Message dated 27.12.93 issued by the Member Secretary, North Eastern Regional Electricity Board, Central Electricity Authority, Govt. of India, Shillong -3, is annexed hereto as Annexure-3 of this application.

V) That -----

V) That the Secretary, Central Electricity Authority (C.E.A.), Govt. of India, thereafter, as per his letter dated 21.12.94 had forwarded a list of the Officers and employees who had opted for to join the Power Grid Corporation of India Ltd. on transfer, to the Chairman and Managing Director of the Power Grid Corporation of India Ltd., New Delhi, for his information and necessary action in this regard. However, in doing so the Secretary, Central Electricity Authority, Govt. of India (Respondent No. 3) had dropped the name of the applicant from the said list and included those candidates in the list who had requested for withdrawal of their option of such transfer to the Power Grid Corporation of India Ltd.

A copy of the aforesaid letter dated 21.12.94 issued by the Secretary, Central Electricity Authority, Govt. of India, alongwith the list is annexed hereto as Annexure-4 of this application.

VI) That the applicant, in the meantime on the basis of the irrevocable option he had exercised for his transfer and absorption in the Power Grid Corporation of India Ltd. was legitimately expecting that he would be transferred to the said organisation shortly. The prospect of service of the applicant was also better in the Power Grid Corporation of India -----

22

-page 9.-

India Ltd. than his existing service under the Central Electricity Authority/ North Eastern Regional Electricity Board. The applicant was accordingly expecting his transfer to the Power Grid Corporation of India Ltd. which would facilitate his future settlement outside Shillong and preferably in Calcutta. He had accordingly mobilised all his resources for his future settlement in Calcutta. There are also vacancy in this regard in the office of the Power Grid Corporation of India in Calcutta. However, the aforesaid letter dated 21.12.94 (Annexure-4) issued by the Secretary, Central Electricity Authority, Govt. of India, had shattered all the legitimate expectation of the applicant of his aspiration and better service prospect in the Power Grid Corporation of India and the applicant was at dismay. The applicant accordingly submitted an appeal/representation dated 28.12.94 in this regard before the Chairman, Central Electricity Authority, Govt. of India, New Delhi (Respondent No.2), praying, inter alia, to release the applicant from his present service on transfer to the Power Grid Corporation of India for his permanent absorption therewith reference to the irrevocable option exercised by the applicant in this regard as has been stated above.

A copy of the aforesaid appeal/representation dated 28.12.94 submitted by the applicant is annexed hereto as Annexure-5 of this application.

VII) That-----

VII) That it is known to the applicant as to whether the personal attention of the Chairman, Central Electricity Authority, Govt. of India, New Delhi (Respondent No.2) was drawn to the aforesaid appeal to the representation dated 28.12.94 submitted by the applicant. However, the Under Secretary (P), Central Electricity Authority, Govt. of India, New Delhi, as per the impugned letter No.1/5/94-Adm. IV (C.E.A.) dated 27.3.95 addressed to the Member Secretary, North Eastern Regional Electricity Board/ Central Electricity Authority, Shillong, had informed that the request of the applicant to permit him to join the Power Grid Corporation of India cannot be acceded to on grounds which are self contradictory, discriminatory in nature and are not sustainable under the facts and circumstances of the case.

A copy of the aforesaid impugned letter No. 1/5/94-Adm. IV (C.E.A.) dated 27.3.95 issued by the Under Secretary (P), Central Electricity Authority, Govt. of India, New Delhi, is annexed hereto as Annexure-6 of this application.

✓ 7. Reliefs claimed :-

In view of the facts mentioned above, the applicant prays for the following reliefs :-

(i) For -----

(i) For a direction to the Respondent No.2 to release the applicant from his present serving working as the Upper Division Clerk in the office of the Respondent No.4 on transfer to the Power Grid Corporation of India for his permanent absorption there in the said organisation with reference to the option exercised and obtained from the applicant earlier in this regard.

(ii) For a direction to the Respondent No.2 and the respondent No.5 to accommodate the applicant in the Power Grid Corporation of India Ltd. in place of Shri Sudarsan Singh (at serial No.14 of the list annexed to Annexure-4) or such other employees who had since requested for withdrawal of their option for their transfer and permanent absorption in the Power Grid Corporation of India.

(iii) For a direction to the Respondent No. 2 and 4 to release the applicant from the sanction post of Upper Division Clerk in the North Eastern Regional Electricity Board, Shillong, on transfer to the Power Grid Corporation of India and to fill up the vacant post of the applicant so released from the North Eastern Regional Electricity Board by appointment to the said post from amongst the employees working in the said office who have since requested for withdrawal of their options for transfer to the Power Grid Corporation of India.

(iv) For -----

✓(iv)

For a direction to the Respondent No.3 for alteration, modification and/or cancellation of the impugned letter No.1/5/94-Adm. IV (C.E.A.) dated 27.3.95 in so far as it relates to the applicant.

(v) For such further or other reliefs as are deem fit and proper to this Hon'ble Tribunal under the facts and circumstances of the case in the interest of justice.

The aforesaid reliefs are prayed for amongst other on the following grounds :

GROUNDS

A) For that the impugned letter dated 27.3.95 is self contradictory and discriminatory in nature in as much as it indicates on one hand that the permanent absorption in the Power Grid Corporation of India Ltd. in respect of the applicant cannot be acceded to as he is holding a sanction post for North Eastern Regional Electricity Board (N.E.R.E.B.) and not for any North Eastern Regional Load Despatch centre (N.E.R.L.D.C.) and on the other hand it indicates that the employees of both N.E.R.E.B. and N.E.R.L.D.C. are allowed to join the Power Grid Corporation of India on the basis of their seniority for their permanent absorption in the said Corporation.

B) For -----

B) For that the reasons shown in the impugned letter dated 27.3.95 (Annexure-6) for declining to release the applicant from his present service in the N.E.R.E.B. on transfer for his permanent absorption in the Power Grid Corporation of India is discriminatory in as much as the list dated 21.12.94 (Annexure-4) itself indicates that the names of many of the officers/employees working in the N.E.R.E.B. were included in the said list for their transfer and permanent absorption in the Power Grid Corporation of India Ltd.

C) For that the impugned letter dated 27.3.95 (Annexure-6) in declining to release the applicant on transfer for permanent absorption in the Power Grid Corporation of India who had exercised an option in this regard on one hand and on the other hand to forwarding the names of the employees, who had requested for withdrawal of their option in this regard, as per the list dated 21.12.94 (Annexure-4) are absolutely without rational and violative of principles of natural justice and administrative fair play.

D) For that the impugned letter dated 27.3.95 (Annexure-6) is devoid of rational and discriminatory in as much as the names of many of the employees holding sanction posts in the N.E.R.E.B. in which the applicant is working were forwarded for transfer and permanent -----

permanent absorption in the Power Grid Corporation of India as per the list dated 20.12.94 (Annexure-4).

---

E) For that the impugned letter dated 27.3.95 (Annexure-6) issued in declining to transfer the applicant having exercised an option in this regard for his permanent absorption in the Power Grid Corporation of India on one hand and on the other hand forwarding the names of such employees for their transfer and absorption in the Power Grid Corporation of India, who have requested for withdrawal of their options in this regard, are violative of the principles of natural justice and promissory estoppel.

F) For that, the impugned letter dated 27.3.95 is (Annexure-6) entirely perverted and is not born out by the records and the facts and circumstances of the case.

G) For that, any view of the matter the impugned letter dated 27.3.95 (Annexure-6) is otherwise bad in law and accordingly it is not sustainable.

absorption - Reg.

Sir,

I beg to submit the following for favour of your  
kind consideration:

- Representation*
1. That final option (for absorption in Power Grid by Ist January, 1995) was exercised by me vide CEA's office Memorandum No.1/9/93-Adm.IV dated 20.12.93.
  2. That the option was despatched to Delhi vide this office Fax Message on 27.12.93 and vide letter NEREB/4796 dated 28.12.93, wherein my name stands at Sl.5 in the list.
  3. No further correspondence there after was made in this regard either from me or by the Office, thereby ensuring my release from CEA, Shillong on 31.12.94 and joining Power Grid on 1.1.95 as per guarantee and unalienable conditions contained in the Office Memorandum dt.20.12.1993.
  4. That this guarantee made me to mobilise all my resources and spend for my future settlement with the provisions I am sure to get after joining the Power Grid Corporation after January, 1995.
  5. That the Fax dated 22.12.94 from Headquarters Delhi asking for the particulars of 22 persons only to be relieved does not contain my name, on enquiry at Delhi it is known that I have been decided to be retained.
  6. That this decision of my retention is violative of all the conditions laid down so far and is as good as assassinating me from behind, unalert, threatening a perilous condition by shattering all my future hope and dislocating me from my scheme of future settlement by damaging all the resources I arranged on the surety enshrined in the Memorandum dated 20.12.1993.
  7. At this juncture, I fall back upon the authority to save this helpless self by releasing me by 31.12.94 as per CEA's letter and thus save me from being embroiled into any cumbrus situation whatsoever.

Sir,

I am to refer to the representations forwarded by you of Shri B.Choudhury,UDC and Smt.S.Pyngope,Steno.Gr.II regarding their permanent absorption in Power Grid Corporation of India Ltd. In this connection, it is mentioned that there is only one post of UDC and the same is sanctioned for NEREB and not for NERLDC. Thus the request of Shri Choudhury, UDC to permit him to join Power Grid can not be acceded to. Regarding the case of Smt.S.Pyngope,Steno.Gr.II it is mentioned that one post each of Steno Gr.II is sanctioned for NEREB and NERLDC and Shri R.B.Singh,Steno Gr.II posted in NERLDC was allowed to join Power Grid being senior to Smt.S.Pyngope. Therefore, the request of Smt.Pyngope,Steno. Gr.II to allow her to join Power Grid can not be acceded to.

India (Power Grid) alongwith their employees, the Office Memorandum No.1/9/93-Adm.IV, dated 2.12.93 was circulated amongst all the Officers and staff of all five Regional Load Despatch Centres which are the part of Regional Electricity Boards and are subordinate Offices of CEA under M/O Power to exercise their unconditional and irrevocable options for transfer to the Power Grid on permanent absorption basis. The aforesaid Office Memorandum was not a binding force to any employee of REBs/RLDCs to exercise his option for transfer to the Power Grid rather it was optional to all the employees of the RLDCs (Annexure-I). The options once exercised by the employees of Regional Load Despatch Centres was irrevocable and final. However, Respondents 2&3 are not bound to accept the options received in excess of the sanctioned strength of a particular RLDC. The Respondent No.3 forwarded the options received from office and staff of NERLDC, Shillong to Power Grid for issue of appointment to them strictly as per the sanctioned strength of NERLDC.

4. That with regard to statements made in paragraphs 6.IV and 6.V of the application, the Respondents beg to state that the Respondent No.4 had forwarded the options exercised by the employees of NERLDC, Shillong for transfer to PGCIL on permanent absorption basis to the Respondent No.3 by Fax dated 27.12.93 being time bound nature. The options were sorted out as per the sanctioned strength of NERLDC, Shillong categorywise by the Respondent No.3. The name of the applicant was not forwarded to the Power Grid as the post against which he is working is the only post sanctioned for NEREB, Shillong. The applicant was informed accordingly vide Respondent No.3, letter No.1/5/94-Adm.IV, dated 27.3.95 through this deponent (Annexure-II).

?

5. That with regard to statements made in paragraphs 6.VI and 6.VII of the application, the Respondent beg to state that as mentioned in Para 6.III, the transfer of RLDC employees to the Power Grid was subject to the sanctioned strength of a particular RLDC. In no case, employees of the REBs (in fact) are to be transferred to the Power Grid as the REBs will continue to function under Respondent No.1,2 & 3. Further it had never been the intention of the Respondents to hinder legitimate expectations of any of its employee. The Respondents are bound to materialise the decision of the Govt.of India to transfer the RLDCs alongwith the personnel in accordance with the guidelines and instructions received from time to time. Hence, the allegations made by the applicant in the application are wrong and unjustified.

6. That with regard to statements made in paragraph 7 of the application, the Respondents beg to state that the applicant is not entitled to any of the reliefs sought for and as such the application is liable to be dismissed.

7. That with regard to Grounds No.A) to G) of the application, the Respondents beg to state that none of the grounds is maintainable in law as well as in facts and as such the application is liable to be dismissed.

8. That with regard to statements made in paragraph 8, regarding Interim Order prayed for, the Respondents beg to state that in view of the facts and circumstances narrated above, the Interim Order prayed for by applicant is liable to be dismissed.

9. That with regard to statements made in paragraphs 9 to 13 of the application, the Respondents have no comments on them.

10. That the Respondents submit that the application is devoid of merit and as such the application is liable to be dismissed.

No. 1/5/94- Adm IV (CEA)

Dated the 27th March, 1995

To,

The Member Secretary,  
NEREB, Shillong.

Subject:- Representation of Shri B. Choudhury, UDC and Smt. S. Pyngrope, Steno. Gr. II - regarding.

Sir,

I am to refer to the representations forwarded by you of Shri B. Choudhury, UDC and Smt. S. Pyngrope, Steno. Gr. II regarding their permanent absorption in Power Grid Corporation of India Ltd. In this connection, it is mentioned that there is only one post of UDC and the same is sanctioned for NEREB and not for NERLDC. Thus the request of Shri Choudhury, UDC to permit him to join Power Grid can not be acceded to. Regarding the case of Smt. S. Pyngrope, Steno. Gr. II it is mentioned that one post each of Steno Gr. II is sanctioned for NEREB and NERLDC and Shri R.B. Singh, Steno Gr. II posted in NERLDC was allowed to join Power Grid being senior to Smt. S. Pyngrope. Therefore, the request of Smt. Pyngrope, Steno Gr. II to allow her to join Power Grid can not be acceded to.

The concerned officials may be informed accordingly.

Yours faithfully,

( M. R. RAJORIA )
