I find that there is no case for scrutiny and decision relating to his transfer. The grounds given by the applicant are humanitarian and personal grounds. These may be considered by the appropriate authority of the department in which the applicant is serving. The other ground is that he is a person from outside North Eastern Region and since he has served in the North Eastern Region for a long time he is to be posted to a place of his choice. This matter may also be considered by the respondents if the applicant exercises his choice of place of postings. The application is therefore not entertained. -tive Tribunals Act, 1985.

6. Facts of the Cases :-

- I) That ^{by} ~~be~~ the office Order No. 9/81 dated 12.8.81, the applicant was appointed as a driver in Regional Research Centre (Ayurveda), Itanagar, Arunachal Pradesh with effect from 9.9.1980 on probation for a period of two years and temporarily by the respondent No.4.

A copy of the said office order is annexed hereto and is marked as Annexure-A.

- ii) That the applicant begs to state that on completion of aforesaid probation period to the satisfaction of all concern, the service of the applicant regulari-
-sed by the Respondents and the whole ^{career} ~~career~~ of the applicant as driver is without any blemish.
- iii) That the applicant begs to state that in the last part of the year 1993, the applicant suffered from tuberculosis and accordingly, he started the treatment at Central Health Service, Itanagar which continued till November, 1994 .As there was no improvement, the applicant started the treatment of Medical Officer, In-charge, Itafort Dispensary, General Hospital (Naharlagun) and still the petitioner is under treatment. The Medical Officer, Itafort Dispensary advised the applicant to continue the treatment and regular check up with other necessary investigations from time-to-time. vi) That in the meantime, the applicant further received a letter dated 3.8.95 issued by the respondent No.4 asking him to submit his advance bill immediately for arranging the payment and in reply, the applicant by letter dated 5.8.95 intimated the respondent No.4 that his representation before the respondent No.2 is pending for consideration and accordingly, the applicant may not be released before the disposal of the representation.

The copies of the aforesaid letters are annexed hereto and are marked as Annexures-G and H respectively.

vii) That the applicant begs to state that no doubt, ~~applicant-begs-to-state~~ the transfer is an incident of service, however, the power of transfer must be exercised honestly, bonafide and reasonably. But, in the instant case, the exercise of power is based on extrenious consideration in as much as the transfer of the applicant has been made in violation of the D.O. letter No. 6/22/SG/Estt.(Pay)II, dated 2.6.1986 and D.O. No.20014,3/83-E.IV dated 14.12.1983 wherein, it is inter alia provided that on completion of tenure of service in North Eastern Region, the officers and/or employees may be considered for posting to station of their choice as far as possible. In the insta-nt case, prior to the impugned order of transfer

12
ST/RC/1413

no chance or opportunity was given to the applicant asking him for posting to the station of his choice. Further more, nothing can be implied on reading of the transfer notice that the posting of the applicant to the station of his choice was asked for and the posting to such station was not possible and as such, the transfer order is liable to be quashed.

A copy of the said D.O. letter dated 2.6.1986 is annexed hereto and is marked as Annexure-I.

viii) That the applicant begs to state that the Service Rules applicable to the applicant do not prescribe any kind of appeal and/or representation against such transfer. However, the representation submitted by the applicant to the respondent No.2 requires sympathetic consideration by the respondent No.2. In his representation, the applicant apart from questioning the validity of the transfer order on the basis of the guidelines or instructions issued by the Central Govt. also submitted that the applicant is a tuberculosis patient and his transfer at a cool and high altitude station like Ziro would result in more suffering ; that three ^{children} ~~children~~ of the applicant have been studying at Kendriya Vidyalaya in 5th, 3rd and 2nd standard respectively but there is no Kendriya vidyalaya School at Hapoli, Ziro and as such, the future of his children would be ruined and that the wife of the applicant has equally been facing the pregnancy

13 C 1412
5112 CN1

problems. The non-consideration of the representation by the respondent No.2 has resulted in miscarriage of justice.

- ix. That the applicant begs to state that if the applicant is transferred to Ziro in pursuance of the order issued by the respondent No.3, the life of the applicant would be in peril considering his state of health. The applicant has been advised by his attending physician that he has to continue the treatment and regular check-up with other necessary investigation and to avoid the extreme cool climatic condition. Ziro is a very cool place which may be fatal for the applicant and as such, the impugned transfer order is liable to be stayed and/or quashed.
- x. That the applicant begs to state that apart from his poor health, three children of the applicant have been studying in Kendriya Vidyalaya at Itanagar. There is no facility for the children of the applicant to continue or to pursue the study inas much as in Zero there is no Kendriya Vidyalaya. In addition to above, the half yearly Exam. of the children of applicant is scheduled in the month of December, 1995 and accordingly, the ~~str~~ transfer of applicant at this juncture would affect the career of the children of applicant severely.

- xi. That the applicant begs to state that apart from the aforesaid problems, the applicant is equally facing the problems of his pregnant wife. The delivery of child is expected within 2/3 months. At present the wife of the applicant is under the care of Ram Krishna Mission Hospital, Itanagar and she requires rest, care and proper attendance. If the petitioner is transferred it would result in intolerable hardships.

A copy of Gynae ~~XXXXXXXX~~ Registration Card is annexed hereto and is marked as Annexure-J.

- xii. That the applicant begs to state that further the transfer of the applicant has not been made in exigencies of service or in public interest in as much as the order does not depict such recital. Furthermore, the order of transfer has not been passed by the competent authority. In the instant case, the respondent No.2 is the competent authority to make the transfer order and not the respondent No.3 who passed the impugned order of transfer.
- xiii. That the applicant begs to submit that under the facts and circumstances of case, the impugned order of transfer is without jurisdiction and malafide and as such, the ^{same} ~~same~~ is liable to be quashed and/or declared illegal and void ab-initio.

Pending final decision on the
application, the applicant seeks issue
of the following interim order-

the impugned transfer order dated-
10.7.95 may kindly be stayed. If the
impugned Order is not stayed the
same would uproot a family, cause
irreparable ^{loss} to the applicant and
derive him to desperation. Further, it
would disrupt the education of his
children and lead to numerous other
complications and problems and would
result in hardship and demoralisation.
Still the applicant has not been rele-
-ased and as such, there is no impedi-
-ment at all for stay of the impugned

Sir,

With reference you letter No.11-5/80-RRC/Ita/PF/2070 dtd.03.08.95 regarding the above mentioned subject I am to say that I never asked for my transfer and the order issue is against the provision of the Govt. order of Transfer Policy in N.E.Region which has already been represented through proper channel before this transferring authority the Director of the council which is well in your good knowledge.

Hence the question for submission of advance transfer T.A.D.A. Bill before receiving any response in this connection from the council does not arise and I also may kindly be not released before finalisation of my case from the council.

Thanking you sir.

Copy of D.O. Letter No. 6/22/80/Estt/(Pay)II, dated 2nd June, 1986 from Shri K.Ramanujam, Secretary, Ministry of personal and Training. Administrative Reforms and Public Grievance and Pension.

During his visit to the North Eastern Region as also the Tribal Areas in the various part of the country, the Prima Minister has found that bright and motivated officers are rarely posted to those areas. Officers are not quite anxious to serve in such remote areas because of the hardships they have generally to undergo there. As a result, development programmes in such areas are affected adversely.

2. After examining the various aspects connected with the problem incentives are now being provided to attract efficient officers to serve in such areas. In the Ministry of Finance (Department of Expenditure) O.M.NO.20014, 3/83-E.IV, dated the 14th December, 1983 certain improved facilities has been provided for the civilian employees of the Central Government serving in the state and Union Territories in the North Eastern Region as also in the Andaman & Nicobar Islands. In that O.M. it is interalia provided that on completion of the tenure of service in these areas the officers may be considered for ~~position~~ posting to station of their choice as far as possible. However, it has been brought to our notice that this incentive is not

being implemented in practice in same cases.

3. In this connection the Prime Minister has observed as under :-

"After Serving a full tenure in the tribal areas the officer should have choice of posting thereafter!"

4. I shall be grateful if you will kindly look into the matter and ensure that in respect of the services and cadre which are being controlled and administered by your Ministry/Department the officers are given a choice of posting after they have served a full tenure in North Eastern Region or the Tribal area in the various part of the country.
