G.L.SANGLYINE, ADMINISTRATIVE MEMBER,

The above 15(fifteen) Original Applications are disposed of by this Common order as they involve the same issue, facts and grounds.

2. The Railway Recruitment Board, Guwahati issued the Employment Notice No.1/95 dated 26-4-1995 for the purpose of appointment in various posts under the North East Frontier Railway. In this Original applications we are concerned with CATEGORY No.7 : STENOGRAPHER : (English) in the scale of pay of Rs. 1200-2040/- mentioned in the Employment Notice. Pursuant to the said Notice we have the following results -

"Date of Written Test : 27-9-95

 Date of Speed Test : 05-11-95 (for 60 w.p.m.)
 Date of Viva Voce Test; 08-11-95
 Date of panel approved: 09-11-95

The selection Board held the viva voce test on 8-11-95 for the recruitment of Jr.Stenographer (Eng) under Employment Notice No.1/95 Cat No.7 in scale Rs. 1200-2040/- and has found 16(UR -10,SC-2,ST-2, OBC-2) candidates suitable for the said post and their names are recommended to GM/P/N.F.Railway/Maligaon in ORDER OF MERIT.

3. Further, the applicants inform us in their rejoinder that in response to the Employment Notice 2120 candidates had applied for the posts advertised and out of them 1520 appeared in the Written Test; 172 appeared in the Speed Test; 47 were sent for Viva Voce. Ultimately 16 candidates were successful and were empanelled as above. These facts have not been refuted by the respondents. The panel was published on 9-11-1995 but no appointment of any successful candidate was made by the respondents. On the other hand employment Notice No.1/96 dated 20-5-96 was issued. On 10-6-1996 the applicants prayed to the General Manager, N.F.Railway, Maligaon to issue appointment letters at the earliest. There was no response. Consequently, the applicant submitted the Original Applications seeking direction on the respondents to appoint them (the applicants) Notice for admission was issued on 7-8-1996. Thereupon, Respondent No.3, the Chairman Railway Board, Guwahati published his No.RRB/G/41/90 dated 5-9-1996 cancelling the panel on the ground of various irregularities. As a result, the applicants amended the Original applications seeking among others quashing and setting aside of the aforesaid No.RRB/G/41/90 dated 5-9-1996. In the meantime in the absence of show cause from the respondents the Original Application was admitted on 9-9-96.

4. The respondents justify the cancellation of the Panel as follows :-

".....it has already been stated that the selection in question pursuant to which the applicant has staked his claim for appointment has already been cancelled in view of the various irregularities found in the selection of Junior Stenographer in scale Rs. 1200-2040/- against Employment Notice No.1/95 dated 26-4-95 conducted by the Railway Recruitment Board, Guwahati, which has necessitated cancellation of the entire selection are as follows:-

contd/-

14

(a) In the advertisement of Jr. Stenographer, required qualification was mentioned only as Matriculate without indicating anything about the qualification of diploma in shorthand and type-writing. The advertisement also did not stipulate production of Diploma certificate. As a result, many of the candidates did not submit the same although they were qualified both in shorthand and type-writing and had diploma certificate. However, the Railway Recruitment Board, Guwahati, rejected the candidature of many eligible candidates on the ground of non-submission of diploma certificate, thereby deserving eligible candidates were deprived of consideration for selection.

(b) Sample test checks revealed mistakes in totalling in the written paper and in computation of marks which has resulted in empanelment of candidates securing less marks and exclusion of candidates securing more marks.

(c) In the recruitment process, it has been found that all the three stages of testing, the knowledge and quality of the candidates have been handled by a single individual (Member Secretary, Railway Recruitment Board) instead of getting the works done by different qualified persons as under :-

- (i) Setting of question paper for written test.
- (ii) Selection of dictation passage.
- (iii) Preparation final marksheet including marks for viva-voce test only done by MS/RRB himself without any signature from other two members. This has raised doubts of malpractice by MS/RRB.

(d) As per Board's extant instruction 15% of marks for written test and viva-voce together is required to be fixed for viva-voce. But in the subject selection, RRB/Guwahati had adopted 15% of the sum total of marks for written test (200 marks) shorthand test (300 marks) as well as viva-voce marks (90 marks). The marks of shorthand test (300) was therefore irregularly included in computing the marks for viva-voce test. This has allowed the selection authority undue flexibility in the final allocation of marks of a candidate though he might have secured less marks in written test.

(e) In a number of cases it has been noted that marks once allotted in the shorthand transcription sheets have been over-written/defaced and new marks allotted, ostensibly to favour the candidates of evaluator's choice.

(d) It has been noted in some cases, that though the shorthand dictation scripts do not contain certain materials of dictated passage, the type transcription sheets contain the material of the dictated passage and in a better way. This indicates adoption of malpractice in conducting the shorthand test.

- (g) On a visual checking, it has been noted that in certain answer scripts (Transcription sheet) containing poor performance, higher marks have been allotted in comparison to that containing better performance. The above irregularities in the selection are only illustrative and not exhaustive. In any case, with the above irregularities detected in the selection, the respondents were left with no other option than to cancel the entire selection. By doing so, no irregularity has been committed by the respondents - rather the same has been done in the larger public interest which has also brought confidence among the public. The irregularities were detected upon an enquiry conducted by the Vigilance Deptt. of the Railway and in consideration of such enquiry, the selection is question has been cancelled and the applicant should not make any grievance against the same."

5. In support of the action of the respondents, Mr. B.K. Sharma, their learned counsel, had submitted that the irregularities are two folds, namely, before the actual test took place, 600 applicants had been arbitrarily excluded from the competition by the office of the Railway Recruitment Board on untenable grounds, and during the entire course of the actual test irregularities which violated the selection as a whole had taken place. Under these circumstances, according to him, the action of the respondents in cancelling the panel in public interest cannot be faulted and it should be sustained.

6. The applicants have assailed the action of the respondents in cancelling the select Panel above terming it as illegal, arbitrary, despotic, void and not maintainable in the eye of law. Mr G. Sarma, learned counsel for the applicants, pointed out that the employment panel was cancelled because of alleged malpractices or irregularities but not even a single instance of malpractice or unfair means or irregularities committed by any of the applicants or

attributed or attributable to any of them has been cited by the respondents in support of their action. Referring to the case of Progoty Supply and Co-operative Society Ltd. reported in (1995) 3 GLR 327 in which it has been held to the effect that every State action must be fair and informed of reasons and administrative action must not only be reasonable but free from bias and malafide, Mr Sarma submitted that the respondents had on the contrary acted otherwise in respect of the cancellation of the select panel. The expressed ground for investigation was because of some alleged malpractices but in the end the panel was cancelled on a contradictory ground of irregularities. According to him, in the face of all these, there is no escape from the conclusion that the respondents had with bias and malafide against the applicants, arbitrarily cancelled the panel. Further, the respondents without giving an opportunity of being heard to the applicants before such cancellation had arbitrarily cancelled the panel. According to him, such action is not sustainable in law and in this regard he placed reliance on the case of Pradip Kumar Das and others reported in (1985) 2xGLR 459 which was upheld in the order dated 8.5.1986 in SLP (Civil) No.66 of 1986 by the Hon'ble Supreme Court. Mr Sarma further referred to the order dated 14.6.1996 of this Tribunal in O.A.No.9 of 1993 in which after referring to the aforesaid P.K.Das & others case and also to D.V.Ramana and others, 1986(4) SLR 50, the action of the respondents to withhold appointment of successful candidates without giving them opportunity of being heard was set aside and quashed.

7. In the light of the above, we are now to consider whether the action of the respondents in cancelling the

contd/-

8

select list of Junior Stenographer (English) mentioned above is sustainable in law. It has not been shown by the respondents that the alleged malpractices or irregularities referred to above were committed or attributed or attributable to any of the present applicants. On the other hand, it is seen from their submission that it is the respondents themselves who had committed the alleged malpractices or irregularities. The applicants have had to suffer because of the alleged acts of omission and/or commission of the respondents. According to the respondents they had in the facts and the circumstances of the case cancelled the select panel in larger public interest and in order to bring public confidence in the administration of the North East Frontier Railway. These are indeed lofty ideals. But we are in these O.As concerned with the question whether on their way towards these goals the respondents had not trampled under foot the rights of the applicants. There is no dispute of the fact that the select Panel was cancelled by the respondents without affording any opportunity of being heard to the applicants before the cancellation was made. In the case of Pradip Kumar Das and others (supra) 357 out of the 790 successful candidates who had been empanelled were screened out by the North East Frontier Railway on the ground that some malpractices were allegedly committed by some of them. No opportunity of being heard was given to them by the respondents before such action was taken. The Hon'ble Supreme Court had held :

"It was necessary according to the rules of fairplay and natural justice that these candidates who were included in the original select panel of 790 candidates published by the Commission had acquired a right to get employment and therefore they were entitled to be heard before any prejudicial action was

contd/-

9-

18

taken. The judgment of the High Court quashing the impugned order on the ground that it was vitiated for non-compliance with the rules of natural justice can hardly be assailed."

Thus, according to this Judgment, the selected candidates have acquired two rights, namely, the right to get employment and the right of being heard before any action prejudicial to them is taken. The learned Railway Counsel had not cited any other case law to contradict this position. The present applicants are successful candidates who had been empanelled for appointment to the posts. They had acquired both the aforesaid rights. The aforesaid judgment of the Hon'ble Supreme Court was rendered against the very same N.F. Railway yet the authorities of the Railway had chosen to ignore the law laid down therein. We have no hesitation to hold that when the respondents had cancelled the Select Panel without affording an opportunity of being heard to the applicants before the cancellation was made, they had violated both the rights of the applicants.

8. Mr. B.K. Sharma had submitted that the fact that the applicants were selected and empanelled does not bind the Railway authorities to appoint the applicants to the posts. In fact, according to him it was clearly stipulated in the Employment Notice itself that the selection of the candidates by the Railway Recruitment Board does not confer any right on the candidates. On the other hand, according to law the Railway authorities have the right to refuse appointment. Further he had referred to para 113 of the Indian Railway Establishment Manual Volume I (Revised Edition 1989) in support of his contention that selected candidates can be refused appointments. We are aware that there are law and rules in this regard. The para 113 aforesaid reads thus :

contd..

"Selection of a candidate by a Board or a Railway administration is, however, no guarantee of employment on the railway which is subject to his qualifying in the prescribed medical examination and to his being otherwise suitable for service under Government."

Perusal of this rule/para shows that there must exist a fault or deficiency on the part of a selected candidate in order to deny him an appointment to a post under the railway for which he was selected. In this particular case however the applicants were denied appointments for no fault of theirs. They had subjected themselves to the rigours of the examination and tests conducted by the respondents giving out the best they could with the sole expectation to come out successful within the standards set by the respondents. No blame has been apportioned to them. They had not also been allowed to reach the stage stipulated in the para/rule mentioned above in order to ascertain whether they are suitable for appointment to the posts. It may also be mentioned here that the learned Railway counsel had sought time to produce certain records to enable him to make submission. He was allowed time. But though he had produced some administrative records before us he was unable to produce any answer script for the written test as well as the speed test including the passages for the speed test. The contentions of the respondents against the applicants with regard to the answer scripts or marking thereon are therefore not substantiated before us.

9. We are in a society which upholds the supremacy of the rule of law. Therefore, an administrative action which is done without observing due process of law or the relevant law or rules prescribed is liable to be quashed. In the light of our discussion and findings above, we are of the view that the respondents had arbitrarily and illegally

cancelled the select panel. Therefore, the action of the respondents in cancelling the panel is not sustainable in law. Consequently, the order No.RRB/G/41/90 dated 5-9-96 (Annexure A.VIII) issued by the respondent No.3 and the Railway Board letters No.96/E(RRB)/25/12 dated 7.8.1996 and No.96/E(RRB)/25/13 dated 21.8.1996 mentioned therein insofar as they relate to category No.7 Stenographer(English) of the Employment Notice No.1/95 dated 26.4.1995 are liable to be set aside and quashed. Accordingly, they are hereby set aside and quashed. Contd.....

Rupak Chakraborty

The testimonials are enclosed in this application and marked as Annexure A.I, Annexure A.I.1 and Annexure A.II.

6.4 That the respondent No.3 made an advertisement for testing candidates for stenographer in scale of pay Rs.1200-2040 through Advertisement No.1/95 (Annexure A.III) and it was clearly written under clause 12 of the general instructions that the number of post of stenographer may be increased or decreased.

6.5 That the applicant in response to the advertisement made by the respondents on 26.4.95, as appeared in The Assam Tribune, has applied for the post of stenographer. The said advertisement runs as Employment Notice No.1/95 category No.7.

A copy of the said advertisement is annexed herewith and marked as Annexure-A.III.

6.6 That the applicant made application for appointment as stenographer at the scale of pay 1200-2040 giving all particulars such as academic qualification, age proof certificate, Diploma Certificates, in typing and stenography etc.

6.7 That the respondents being satisfied with the requirements of the candidature for the post of stenographer as noted above called for written test fixing the date as 27.8.95.

A copy.....

Rupak Chakraborty

A copy of the call letter is annexed herewith and the same is marked as Annexure A.IV.

6.8 That as per the call letter the applicant appeared in the written test, did excellent in the examination and became successful in the test and accordingly the applicant was called for speed test both in typing and stenography and this was held on 4.11.95.

A copy of the call letter is annexed herewith and marked as Annexure A.V.

6.9 That in the speed test the humble applicant did excellent and accordingly he was declared successful and thereafter the applicant was called for a viva-voce test and in this test held on 8.11.95 he also became successful and was selected by the respondent No.3 and recommended the name of the applicant to Respondent No.2 for appointment. In view of increase in number of vacancy, the respondent rightly and validly recommended the name of the applicant alongwith 15 others for appointment.

A copy of the said recommendation containing the name of the applicant alongwith others is annexed herewith and marked as Annexure A.VI.

6.10 That the written test, speed test and viva-voce test were conducted by the Railway Recruitment Board.....

Rupak Chakraborty

Board headed by the Chairman, which is an autonomous body like any other Railway Recruitment Board in the country. Moreover, one responsible officer was deputed to the Selection Board on behalf of the Respondent No.1 and 2.

6.11 That the applicant beg to state that as per advertisement dated 26.4.95, once the candidate is selected after going through all the stages/tests viz written test, speed test and viva-voce test and when the name was recommended for appointment as stenographer, the respondent No.2 is duty bound to appoint the applicant in the existing vacancy of the stenographer.

6.12 That the applicant beg to state that though final list of 16 candidates including the name of the applicant i.e. Annexure A.VI was recommended on 9.11.95 to the Respondent No.2 for appointment, the Respondent No.2 did take no action on it and the applicant was at a loss of having not received the appointment letter. Even the resentment/inaction of the respondent No.2 was echoed and re-echoed in the news paper. Copy enclosed.

6.13 That the applicant made representation to the Respondent No.2 dated 10.6.96 requesting to make appointment of the applicant.

A copy of the representation is annexed herewith and marked as Annexure A.VII.

Contd.....

Rupak Chakrabarty

6.14 That while the applicant was anxiously waiting for the appointment letter he was surprised to see the advertisement Notice No.1/96 dated 20.5.96 where the respondents wanted to test 8 candidates. This advertisement appeared in local news papers including notice board and runs as category No.1. Having seen the advertisement, the anxiety of the applicant was multiplied and again he approached the respondents and no response at all was there from the respondents. The applicant believes that some foul play may take place in view of the advertisement Notice No.1/96 dated 20.5.96.

A copy of the advertisement notice No.1/96 is annexed herewith and same is marked as Annexure A.VIII.

In this connection, the applicant beg to state that alongwith him there are 15 other candidates also duly recommended for appointment to the post of stenographer and while none of the recommended candidates is appointed, publication of another advertisement is creating suspicion. In this connection, the applicant further beg to state that there was another Employment Notice No.1/95 Category No.1 where 21 candidates were recommended for appointment of office clerk in the scale of pay 950-1500 and all of them were appointed though they were appeared in the tests subsequent to the applicant.

6.15 That the applicant beg to state that the selection of the applicant is valid only upto one year as per existing rule of the respondents.

Contd.....

Repak Chakraborty.

6.16 The applicant begs to state that the respondents by the notification dated 05.9.96 under reference No.RRB/G/41/90 issued by Shri B.Kalita, Chairman, Railway Recruitment Board, Guwahati has cancelled the recruitment panels of stenographer(English) in scale Rs.1200-2040 under category No.7 of Employment Notice No.1/95 dated 26.4.95 and Craft Teacher(Bengali Medium) in scale Rs.1400-2600 under category No.6 of Employment Notice No.3/94 dated 19.12.94 action of which has resulted mis-carriage of justice and multiplication of illegalities.

7. GR O U N D S :

7.1. For that in view of the selection as per Annexure A.VI, the applicant was sure that he would be appointed soon under the respondents and as such he did not make any attempt for appointment in any other department.

7.2 For that the applicant was sure that he would be appointed soon under the respondents after selection and if immediate appointment letter is not issued, the whole career of a poor qualified candidate will be fruitless as the applicant has become overaged now.

7.3 For that injustice will be done to him if immediate appointment letter is not issued. Moreover, alongwith the applicant, the whole family will suffer very adversely.

7.4 For that the advertisement No.1/96 as referred in Annexure A.VIII is ill-conceived, confusing, conflicting.....

Rupak Chakraborty

conflicting, contradictory, inharmonious and acting upon it will be illegal and uncalled for and the applicant firmly believes that this Hon'ble Tribunal will direct the respondent No.2 to implement the recommendation of Respondent No.3 and 4(Annexure A.VI) and in the event of non-issuing such direction, the applicant will be deprived of the right of appointment conferred upon him after the selection.

7.5 For that the cancellation of recruitment panels is illegal, arbitrary, despotic, void and not maintainable in the eye of law.

8. RELIEFS SOUGHT FOR :

In view of the facts and circumstances of the case the applicant prays for the following reliefs:

i. That the applicant may be appointed with immediate effect with a direction to give the seniority from the date of recommendation for appointment i.e. dated 9.11.95.

The meeting discussed the implementation of special health check-up programme for primary school students in the district and asked the Joint Director of Health Services to prepare a plan to cover all the students of 903 LP schools in the district.

No appointment after selection

By A Staff Reporter
GUWAHATI, June 18—The failure of the N F Railway authorities to appoint any of the 16 successful candidates in the post of Stenographer even after six months from the date of announcement of interview results, for the purpose, has been viewed by the conscious circles here as one more bid to deprive the indigenous people of job opportunities in the Railways by some vested interest circles.

According to knowledgeable sources, the Railway Recruitment Board, Guwahati, had declared ten general, two each of the Scheduled Caste, Scheduled Tribe and OBC category candidates, eligible for the post of Stenographer through a newspaper notification on December 12, 1986. Most of these job seekers were local youths.

But, despite there being some vacancies against the posts, the N F Railway authorities have been allegedly showing no interest to absorb any of the selected candidates, allege the sources.

Notice.....

Rupak Chakraborty.

Notice No.1/95 Category No.7.

A copy of the said advertisement is annexed herewith and marked as Annexure-A.III.

6.6 That the applicant made application for appointment as stenographer at the scale of pay Rs.1200-2040 giving all particulars such as academic qualification, age proof certificate, Diploma Certificates in typing and stenography etc.

6.9 That in the speed test the humble applicant did excellent and accordingly he was declared successful and thereafter the applicant was called for a viva-voce test.....

Reepak Chakraborty

test and in this test held on 8.11.95 he also became successful and was selected by the respondent No.3 and recommended the name of the applicant to Respondent No.2 for appointment. In view of increase in number of vacancy, the respondent rightly and validly recommended the name of the applicant alongwith 15 others for appointment.

A copy of the said recommendation containing the name of the applicant alongwith others is annexed herewith and marked as Annexure-A-VI

6.10 That the written test, speed test and viva-voce test were conducted by the Railway Recruitment Board headed by the Chairman, which is an autonomous body like any other Railway Recruitment Board in the country. Moreover, one responsible officer was deputed to the Selection Board on behalf of the Respondent No.1 & 2

6.11 That the applicant beg to state that as per advertisement dated 26.4.95, once the candidate is selected after going through all the stages/tests viz written test, speed test and viva-voce test and when the name was recommended for appointment as stenographer, the respondent No.2 is duty bound to appoint the applicant in the existing vacancy of the stenographer.

6.12 That the applicant beg to state that though final list of 16 candidates including the name of the applicant

Rupak Chakraborty

applicant i.e. Annexure A.VI was recommended on 9.11.95 to the Respondent No.2 for appointment, the Respondent No.2 did take no action on it and the applicant was at a loss of having not received the appointment letter. Even the resentment/inaction of the Respondent No.2 was echoed and re-echoed in the news paper. Copy enclosed.

This advertisement appeared in local news papers including notice board and runs as Category No.1. Having seen the advertisement, the anxiety of the applicant was multiplied and again he approached the respondents and no response at all was there from the respondents. The applicant believes that some foul play may take place in view of the advertisement Notice No.1/96 dated 20.5.96.

A copy of the advertisement notice No.1/96 is annexed herewith and marked as Annexure A.VIII.

In this connection, the applicant beg to state that alongwith him there are 15 other candidates also duly

Rupak Chakraborty

recommended for appointment to the post of stenographer and while none of the recommended candidates is appointed, publication of another advertisement is creating suspicion. In this connection, the applicant further beg to state that there was another Employment Notice No.2/96 Category No.1 where 21 candidates were recommended for appointment of office clerk in the scale of pay Rs.950 - 1500 and all of them were appointed though they were appeared in the tests subsequent to the applicant.

6.15 That the applicant beg to state that the selection of the applicant is valid only upto one year as per existing rule of the respondents.

7. G R O U N D S :

7.1 For that in view of the selection as per Annexure A-VI, the applicant was sure that he would be appointed soon under the respondents and as such he did not make any attempt for appointment in any other department.

7.2 For that the applicant was sure that he would be appointed soon under the respondents after selection and if immediate appointment letter is not issued, the whole career of a poor qualified candidate will be fruitless as the applicant has become over aged now.

7.3 For that injustice will be done to him if immediate appointment letter is not issued. Moreover, alongwith the applicant, the whole family will suffer very adversely.

Contd.....

Rupak Chakraborty

7.4 For that the advertisement No.1/96 as referred in Annexure A.VIII is ill-conceived, confusing, conflicting, contradictory, inharmonious and acting upon it will be illegal and uncalled for and the applicant firmly believes that this Hon'ble Tribunal will direct the respondents No.2 to implement the recommendation of Respondent No.3 and 4 (Annexure A.VI) and in the event of non-issuing such direction, the applicant will be deprived of the right of appointment conferred upon him after the selection.

8. RELIEF SOUGHT FOR :

The meeting discussed the implementation of special health check-up programme for primary school students in the district and asked the Joint Director of Health Services to prepare a plan to cover all the students of 903 LP schools in the district.

Addressing the meeting the Deputy Commissioner, Aftab Ahmed requested the heads of various development departments to submit future plan of action to develop the district with locally available resources.

No appointment after selection

By A Staff Reporter
GUWAHATI, June 18—The failure of the N F Railway authorities to appoint any of the 16 successful candidates in the post of Stenographer even after six months from the date of announcement of interview results, for the purpose, has been viewed by the conscious circles here as one more bid to deprive the indigenous people of job opportunities in the Railways by some vested interest circles.

According to knowledgeable sources, the Railway Recruitment Board, Guwahati, had declared ten general, two each of the Scheduled Caste, Scheduled Tribe and OBC category candidates, eligible for the post of Stenographer through a newspaper notification on December 12, 1995. Most of these job seekers were local youths.

But, despite there being some vacancies against the posts, the N F Railway authorities have been allegedly showing no interest to absorb any of the selected candidates, allege the sources.

however, no guarantee of employment on the railway which is subject to his qualifying in the prescribed medical examination and to his being otherwise suitable for service under Government ".

Moreover, it was already made clear to the Applicants through the General Instructions No.17 of the said Employment Notice No. 1/95 dated 26.4.95 against which the Applicant submitted his application for the post of Junior Stenographer (English) in Scale 1200/- - 2040/- that the Selection of the Candidates by the Railway Recruitment Board does not confer any right on the candidate for the post.

5. That with regard to the statements made at paragraph 6.12 of the Application it is admitted that the list of 16 Candidates including the name of the Applicant was recommended on 9.11.95 to the Respondent No.2 for processing appointment. But while the matter was under process and the bio-data and other documents etc. were under scrutiny by the respondent No.2, as required, the Respondent No.2 received complaints of malpractices and irregularities in the said

Contd 4

selection process. Confidential letter from the Chief Vigilance Officer, N.F. Railway, Maligaon in that regard was received advising the Respondent No.2 to pend the matter of issuing offer letter of appointment. The relevant portion of the Chief Vigilance Officer's letter is extracted herein below for ready perusal :

" As a number of complaints have been received alleging adoption of malpractices in the above recruitment and the same are under investigation, it is requested that no appointment letter for the post of Jr. Stenographer (English) should be issued till a clearance is given by Vigilance. "

Thus, in view of above, the Respondent No.2 had to refrain itself from taking further action for issuing appointment letters to the applicants. Subsequently, the Respondent No.2 also received a letter from the Railway Board for cancelling the recruitment proceedings of Jr. Stenographer(English) due to numerous irregularities detected by the Vigilance Department. A copy of the letter No. RRB/G/41/90 dated 5.9.96 issued by the Chairman, Railway Recruitment Board, Guwahati cancelling the recruitment panels of Stenographers and Craft Teacher (BM) in pursuance to the Railway Board's

6. That with regard to the statements made in paragraph 6.13 of the Application, the answering Respondents do not admit any thing contrary to relevant records of the case.
7. That with regard to the statements made in paragraph 6.14 of the Application, it is emphatically denied that there have been any foul play in issuing the advertisement Notice No.1/96 dated 20.5.96 or there has been any relevancy with the other cases as alleged. The Advertisement Notice No.1/96 dated 20.5.96 was issued for additional 8 posts of Stenographer (English) in Scale Rs.1200 -2040/-. This has got no bearing with the panel in question or Applicant's case and cause of suspicions as alleged. The other Employment Notice No. 2/96 Category No.1 as referred to in this paragraph of the Application is for the post of Office Clerks in Scale of Pay Rs. 950 - 1500/- and this Category is quite different from the Category of the Junior Stenographer (English) in Scale Rs. 1200 - 2040/- and as such has got no relevancy with the case of Junior Stenographer (English).
8. ~~ix~~ That with regard to paragraph 6.15 of the Application the answering Respondents do not admit any thing contrary to relevant records of the case.

(b) That the answering Respondents further submit that the aforesaid Selection had to be cancelled in view of various irregularity and malpractices in the selection as have been mentioned at paragraph 5 of this written statement. As already pointed out above, mere empanelment of a candidate does not give

2. That, the respondents have gone through the amended portion of the O.A. and have understood the contents thereof. Save and except the statements which are specifically admitted hereinbelow, other statements made by the applicant are categorically denied. Further, the statements which are not borne on records are also denied.

3. That, in the earlier written statement, it has already been stated that the selection in question pursuant to which the applicant has staked his claim for appointment, has already been cancelled in view of the various irregularities and malpractices in the selection. The irregularities found in the selection of Junior Stenographer in scale Rs. 1200-2040/- against Employment Notice No. 1/95 dt. 26.4.95 conducted by the Railway Recruitment Board, Guwahati, which has necessitated cancellation of the entire selection are as follows :-

(a) In the advertisement of Jr. Stenographer, required qualification was mentioned only as Matriculate without indicating anything about the qualification of diploma in shorthand and type-writing. The advertisement also did not stipulate production of diploma certificate. As a result, many of the candidates did not submit the same although they were qualified both in shorthand and type-writing and

Contd.....3

had diploma certificate. However, the Railway Recruitment Board, Guwahati, rejected the candidature of many eligible candidates on the ground of non-submission of diploma certificate, thereby deserving eligible candidates were deprived of consideration for selection.

(b) Sample test checks revealed mistakes in totalling in the written paper and in computation of marks which has resulted in empanelment of candidates securing less marks and exclusion of candidates securing more marks.

(c) In the recruitment process, it has been found that all the three stages of testing the knowledge and quality of the candidates have been handled by a single individual (Member Secretary, Railway Recruitment Board) instead of getting the works done by different qualified persons as under :-

- (i) Setting of question paper for written test.
- (ii) Selection of dictation passage.
- (iii) Preparation of final marksheet including marks for viva-voce test only done by MS/RRB himself without any signature from other two members. This has raised doubts of malpractice by MS/RRB.

(d) As per Board's extent instruction 15% of marks for written test and viva-voce together is required to be fixed

for viva-voce. But in the subject selection, RRB/Guwahati has adopted 15% of the sum total of marks for written test (200 marks), shorthand test (300 marks) as well as viva-voce marks (90 marks). The marks of shorthand test (300) was therefore irregularly included in computing the marks for viva-voce test. This has allowed the selection authority undue flexibility in the final allocation of marks of a candidate though he might have secured less marks in written test.

(e) In a number of cases it has been noted that marks once allotted in the shorthand transcription sheets have been over-written/defaced and new marks allotted, ostensibly to favour the candidates of evaluator's choice.

(f) It has been noted in some cases, that though the shorthand dictation scripts do not contain certain materials of dictated passage, the typed transcription sheets contain the material of the dictated passage and in a better way. This indicates adoption of malpractice in conducting the shorthand test.

(g) On a visual checking, it has been noted that in certain answer scripts (transcription sheet) containing poor performance, higher marks have been allotted in comparison to that containing better performance.

Contd....5

The above irregularities in the selection are only illustrative and not exhaustive. In any case, with the above-irregularities detected in the selection, and thus with the shadow of illegality on the drawn panel the respondents were left with no other option than to cancel the entire selection. By doing so, no irregularity has been committed by the respondents - rather the same has been done in the larger public interest which has also brought confidence among the public. The irregularities were detected upon an enquiry conducted by the Vigilance Deptt. of the Railways and in due consideration of such enquiry, the selection in question has been cancelled and the applicant should not make any grievance against the same.

4. That with regard to the statements made in paragraph 6.16 of the O.A., the respondents reiterate and reaffirm the statements made herein-above. Further it is submitted that the cancellation order was quite reasoned, legal and proper one and also quite in conformity with the terms and conditions under which the advertisement/notification for the selection was issued and also quite in consonance to the rules framed by the Railway Board on the subject and in the circumstances of the case, the allegations of mis-carriage of justice and multiplication of illegalities as alleged by the Applicant are not correct and hence emphatically denied.

5. That under the facts and circumstances stated above, none of the grounds urged by the applicant towards granting the reliefs prayed for are sustainable and accordingly, the applicant is not entitled to any relief as has been claimed.

6. That in view of the facts and circumstances stated above, the O.A. is liable to be dismissed with cost.

In the matter of :

O.A.No.193/96

Shri Rupak Chakraborty...Applicant.

-AND-

In the matter of :

Rejoinder of the applicant against
the written statement and Addl.
written statement filed by the
respondents.

1. That the copies of written statement as well as Addl.written statement filed by the respondents have been served upon me through my counsel and going through the contents of both, I have understood them thoroughly. I consider it necessary to file a rejoinder and as such same is filed as follows :-

2. That in para 5 of th written statement it is stated that - "....As a number of complaints have been received alleging adoption of malpractice in the above recruitment and some are under investigation, it is requested that no appointment letter for the post of Junior Stenographer(English) should be issued till clearance given by Vigilance." The respondents held up the appointment because number of complaints have been received regarding.....

regarding adoption of malpractice and entire matter was investigated by vigilance, whereas acting upon the vigilance report the railway board cancelled the recruitment panel on various irregularities and not a single word of malpractice was spoken in the cancellation order.

3. That the ground shown in the addl. written statement in para 3(a) that qualification of diploma of shorthand and type writing was not shown in the advertisement is not correct.

4. That in para 3(e), the statement goes thus - "In a number of cases it has been noted that marks once allotted in the shorthand transcription sheet have been over-written/defaced and new marks allotted, ostensibly to favour the candidate of evaluator's choice." In this statement the respondents did not state that the marks given in the applicant's book was changed or over-written. In this connection, it is to be stated that in response to the advertisement notice i.e. Annexure III as many as 2120 candidates applied and 1520 appeared in the written test, out of which 172 were tested in speed test and subsequently 47 were sent for viva-voce test and finally empanelled candidates were sent for appointment.

5. That it is very natural as stated in para 3(e) that in a number of cases it has been noted that marks once allotted in the shorthand transcription sheet have been over-written/defaced and new marks allotted, ostensibly to favour the candidate of evaluator's choice. In other

words.....

Rubak Khakharborly-

words in the answer scripts of 125 candidates who were declared unsuccessful this over-writing act might have done and it never happened in the case of the applicant.

6. That in reply to the statement made in para 3(f), the applicant beg to state that dictation taken by one stenographer does not tally with that of another. It is humanly impossible to read and to type out a short-hand script of one stenographer by another. The applicant appeared in the speed test not to obtain a diploma on stenography, but to type out correctly the dictation passage and as such the allegation of malpractice does not exists at all.

7. That in view of the facts stated above, the written statement as well as the addl. written statement filed by the respondents have totally failed to make out the case of malpractice and as such both the documents are not tenable under the law and there is a very little help to this Hon'ble Tribunal for arriving at a correct decision and as such both the documents are without any merit.

8. That the written statement and the Additional written statement speak of crudest form of arbitrariness affected by bias and/or actuated by malafides.

9. That the present rejoinder is filed bonafide and in the interest of justice.

2. That with regard to the statements made in paragraph 1 of the rejoinder the answering respondents do not admit anything contrary to the relevant records.

3. That with regard to the statements made in paragraph 2 of the rejoinder, it is submitted that the allegations made in this paragraph are not correct and hence denied. There has been misquoting in the 4th line of paragraph 2 of the rejoinder to the effect that the investigations were for some complaints. In fact the investigation was carried on for all the complaints. The answering respondents beg to state that the recruitment panel has been cancelled in view of various irregularities as pointed out in the vigilance report.

The various irregularities as were brought to notice and investigated, were already elaborated in paragraph 3 of the additional written statement filed by the respondents and it was also clearly stated in this paragraph that the cancellation of the recruitment panel was done after due consideration of such vigilance enquiries etc. The investigations were carried out on the basis of complaints. Irregularities in the entire process of selection includes malpractices also.

4. That the allegations made in paragraph 3 of the rejoinder are not correct and hence denied. In this connection, it is reiterated that in the notification (Advertisement) calling for applications for the post of Stenographers, the qualifications for the post were laid down as under :-

"Category No. 7 : Stenographer (English).

Qualification : Matriculate.

Speed : 80 words per minute & 40 words per minute in Shorthand and Type-writing respectively.

Knowledge of Hindi Stenography is an additional qualification and will be given preference.

Age : 18 to 30 years."

Thus, there had been no specific and categorical mention for submission/production of the Diploma certificate by the candidates in support of the Shorthand and Type-writing qualification also alongwith the application form.

It, however, came to the light that during the process of scrutiny of the applications received from the candidates, the Railway Recruitment Board rejected many applications on the ground of non-attachment of the Diploma certificates in support of their Shorthand and Type-writing qualification and as such, the cause of many candidates who were otherwise eligible/qualified as per the qualifications laid down for the posts, were deprived from appearing in the said selection and their cases were prejudiced, the selection process vitiated and miscarriage of justice resulted.

5. That the allegations made in paragraphs 4 and 5 of the rejoinder are not correct and sustainable and hence denied. The answering respondents reiterate its earlier statements made in paragraph 3(c) of the additional written statement and do not admit anything which are not borne

1. In reply to the letter dated 11.10.1971, the Chief Person, Railway Recruitment Board, Guwahati, has been directed to issue a letter to the candidates, advising them to submit the Diploma certificate in support of their Shorthand and Type-writing qualification alongwith the application form.

on records. In this connection the answering respondents beg to state that in a number of cases, marks once allotted were changed, over-written/defaced and new marks were allotted by the evaluator. This is one of the ground for which entire selection was held to be vitiated and accordingly the entire selection was cancelled. As regards statements regarding number of candidates applied for the post and appeared in the written test, the speed test and viva-voce test, the answering respondents beg to state that when irregularities were detected throughout the process of selection amongst the said candidates, as a policy decision, the entire selection was cancelled.

In the face of the number of irregularities that have crept in the process of selection, the cancellation of selection was considered as the best course and which needless to say, has brought confidence to the public in general, more particularly, the eligible candidates who either appeared in the selection or could not appear in the selection because of non-submission of diploma certificates. In such a selection, wherein such irregularities as pointed out in the additional written statement, came to light, it is immaterial as to whether there was any over-writing and or addition of new marks in any particular answer script. It is submitted that in such situation where mass irregularities/malpractices occurs the selection process cannot be individualised and will have to be taken as a whole. Amongst the applicants who have have approached the Hon'ble Tribunal by filing various O.As. in connection with the cancellation of the recruitment panel/ selection, it has been found that in some cases including the

case of the applicant himself, the marks once allotted have been found to be over-written/defaced by evaluator and in some cases there has been totalling mistakes which have resulted either in the empanelment of an ineligible candidate or omission of eligible candidate. The

The other various irregularities in the said selection have also been elaborated in detail in respondents reply to the rejoinder filed in O.A. No.145/96 (Smt. Kamala Deka Vs. U.O.I. & Ors.) and some other similar cases before this Hon'ble Tribunal. When multifarious mistakes/malpractices were detected in a number of cases including over-writing and or alteration in total marks coupled with many other irregularities as indicated in the additional written statement filed by the respondents, there was no option left for the competent authority than to cancel the entire selection. The applicant cannot individualise their case at the cost of the larger interest.

6. That with reference to the statements made in paragraph 6 of the rejoinder, it is stated that the contentions of the applicant are not correct and hence emphatically denied. The applicant has totally misunderstood and misinterpreted the averments made in paragraph 3(f) of the additional written statement. It is not correct to say that the dictated passages taken in shorthand cannot even be read out altogether by a shorthand expert.

7. That with regard to the statements made in paragraphs 7, 8 and 9 of the rejoinder, the answering respondents categorically deny the contentions raised therein and the applicant is put to strictest proof thereof.

It is categorically denied that the written statements filed by the respondent speaks of the crudest form of arbitrariness effected by biased and/or actuated by malafide. The selection in question has been cancelled with a view to bring ~~the~~ fairness and transparency in the method of selection. The applicant cannot claim as a matter of course ~~of~~ for being appointed to the Railway service. Amidst the irregularities detected in the entire process of ~~the~~ selection, there was no option left for the competent authority then to cancel the entire selection which brought confidence amongst the general public, more particularly, amongst the eligible candidates.

8. That, in view of the facts and circumstances stated above, the cancellation of the selection/recruitment panel was just and proper and the Hon'ble Tribunal would be reluctant to interfere with the same and the O.A. filed by the applicant is liable to be dismissed with cost.
