Original Application No. 232 of 1996.

Date of Order : This the 4th Day of April, 1997.

By Advocate Shri A.K. Choudhury, Addl. C.G.S.C.

O R D E R

BARUAH J(V.C)

In this application, the applicant has prayed for an appropriate direction to the respondents to issue release order pursuant to the order of transfer made by the respondents.

2. The facts for the purpose of disposal of this application are :

The applicant was serving as Chief Medical Officer and presently posted at Sanshak in the State of Nagaland. By Annexure-2 order dated 19.1.96 he was transferred from Assam Rifles to New Delhi alongwith other Doctors. Though the order of transfer was passed as far back in January,

contd..2

20

1996, till now he has not been released. Hence the present application.

3. In usual course the respondents have entered appearance and filed written statement. The grievance of the applicant is that though he was transferred as per Annexure-2 order, the authorities without any reason failed to release him as a result the Annexure-2 order remains inoperative. Mr A.K.Choudhury, learned Addl.C.G.S.C submits that as per the written statement submitted by the respondents release order could not be issued because of the non availability of the reliver. As soon as the reliver is available he will be released. When a transfer order was passed as far back in January, 1996 it is to be presumed that the ^{transfer} ~~was~~ necessary in the interest of public service. If that is so, the authorities should not have kept the matter pending without taking proper step. Therefore, I dispose of the application, directing the respondents, specifically respondent No.3-Director General of Assam Rifles to take appropriate step for release of the applicant as early as possible, at any rate within a period of one month from the date of receipt of this order.

Considering the entire facts and circumstances of the case however, I make no order as to costs.

Standing Counsel

By serving with Assam Rifles which is a Central Police Organisation under Ministry of Home Affairs the applicant cannot claim applicability of clause-IX of Government of India Memorandum dated 14 Dec '76 (Annexure-'I' of application) the clause makes provision for service in Defence services that is, as a combatant. It is also apparent by the wordings/contents of the said clause. It caters for service in Defence service for a minimum period of 4 years including the period spent on training. Obviously the word training denotes training as combatant (Soldier). The applicant is a civilian and has neither undergone any such training, nor is serving in Defence service or Defence of India. It is the obvious rigour of such training, that vide clause-X no such medical officer can be detailed to undergo such training and thereafter serve in Defence service after 10 years of service. In any case if the service with Assam Rifles was to be considered as Defence service the appointment letter of the applicant (Annexure-I) would have had a specific provision for such service. The words 'The Officer', shall if so required, be liable to serve' contained in clause-X denote that the said clause is a general clause applicable to each any every Medical Officer joining Central Health Service and 'if so required' will be liable to serve in Defence service. Assuming that the said clause-X is applicable to the applicant, it is denied that he is liable to serve only for 4 years in view of the fact that the said clause gives out liability to serve in Defence Services/ for a period of not less than 4 years including the period spent on training' denoting thereby only the minimum period of such service. In any

case, if the interpretation of clause-X of applicant is to be accepted, he ought to have sought reversion after expiry of 4 years. It is pertinent to mention here that the service conditions of the applicant are strictly governed by the conditions as contained in his appointment letter dated 14-12-76 (Annexure-I). Clause-1 (vii) of the subject letter reads ' The appointment carries with it the liability to serve with in any part of India or out side. The applicant having accepted the offer of appointment as Medical Officer in terms of appointment letter (Annexure-1') has given his concurrence to all the conditions contained in the appointment letter and now cannot back out.

4. That with regard to the statement made in para 6.3 of the application the Respondents beg to state that Organisation of Directorate General Assam Rifles is a Central Police Organisation under Minis'try of Home Affairs and not connected with the Defence of India. This deponent states that even if the statement is accepted as true, being a Civilian Officer para-IX of the Memorandum dated 14-12-76 is not applicable to the applicant. It is admitted that the applicant was posted to different location in NE Region inaccordance with the norms of posting of ' Medical Officers ' during their tenure in Assam Rifles.

Contd...4/-

5. That with regard to the statement made in para 6.4 of the application the Respondents denied that 'Sanshak' is located at remote place and a hard station. The non availability of Central School cannot be termed as a compelling circumstance in view of the fact that there are others School in the area.

6. That with regard to the statement made in para 6.5 of the application this deponent reiterates what have been stated in reply to para 6.2 above, since the applicant is not serving in Defence services or posts connected with Defence of India, the question of serving beyond 45 years of age is not applicable in the instant case.

7. That with regard to the statement made in para 6.6 of the application, the Respondents denied that the applicant has any fixed tenure of 10 years of service in the North Eastern Region.

8. That with regard to the statement made in para 6.7 and 6.8 of the application, the Respondents state that the release of the applicant is governed vide "standing operating procedure- Medical Officers" issued vide Directorate General Assam Rifles letter No.I.14015/SOP-MO/89-ME(A) dated 12 Oct '89. In accordance with above instructions the applicant cannot be released untill his ~~reliever~~ reliever joins. The representation dated 12-7-96 (Annexure-4) has already been disposed of by Director General Assam Rifles vide letter No.I.11035/1/MS-96 dated 29-8-96 wherein the applicant has been assured that he

would be relieved as soon his relieve would be cattered
for ^{by} long service in Assam Rifles, the applicant ought to have
known the provisions of above ' Standing Operating proce-
dure '. In case the applicant had any reservation on above
SOP he ought to have raised objection to the authorities.

9. That with regards to para 6.9 of the application
the Respondents denied that the representation of the applie
cant dated 12-7-96 has not been considered by the DGAR. As
regard statement of the applicant regarding para-IX of Memo-
randum dated 14-12-76 (Annexure-I) the respondents reiter-
ates what have been stated in reply to para-6.2 above. It
is denied that the applicant has acquired any legal and
valuable right for repatriation. As regard the applicabi-
lity of OM No.20014/3/83-EN dated 14-12-83 the applicant
cannot claim reversion as a right, since it is essential
to retain him in ~~xxxx~~ exigency of public service till
his relief is posted. It is denied that applicant has
acquired valuable and legal rights to be relieved from
Assam Rifles. It is submitted that Assam Rifles is a
Central Police Organisation and has a strenght of approx-
imately 50,000 troops deployed in North East Region, Assam
Rifles has no Cadre of Medical Officers and as such mainly
dependant on Doctors of Ministry of Health and Family Wel-
fare Services of Medical Officer are essential to provide
Medical cover to Assam Rifles personnel who are at places
deployed in small strenght at different places lacking in
Medical facilities. Non availibility of services of Medical
Officers will deprive the troops, the timely medical aid
will avoid casualties. It is this exigency that a medical
officer can only be relieved on posting of the reliever.
Accordingly the officer will be released on posting of
his reliever.

Contd....6/-

10. That with regard to the statement made in para 6.10 of the application, the Respondents denied the same in view of what have been stated in para 6.2 and 6.9 above.
11. That with regard to the statement made in para 6.11 of the application, the Respondents beg to state that the statement of the applicant is based on mere apprehension and needs to be discarded.
12. That with regard to the statement made in para 6.12 of the application, the Respondents beg to state that, it is denied that the applicant has got no other remedy, since it is upto him to first exhaust the Departmental channel.
13. That with regard to the statement made in para 6.13 of the application, the Respondents denied the contents thereof.
14. That with regard to the statements made in para 7 of the application regarding the relief sought for the Respondents begs to state that the applicant is not entitled to any one of the reliefsought for and as such, the application is liable to be dismissed that the Respondents further beg to submit that the applicant cannot be relieved due to exigency of service till his relieve is posted.
15. That with regard to the statements made in the grounds of the application the Respondents beg to state that, none of the grounds are maintainable in law as well as in fact and as such the application is liable to be dismissed.
16. That, with regard to the statements made in para 7 regarding interim relief as prayed by the applicant the Respondents beg to state that in view of the facts and circumstance narratted above the applicant is not entitled to interim relief and as such, the application is liable to be dismissed.

17a That with regard to the statements made in paragraphs 9,10,11,12 and 13 of the application the Respondents have no comments. The Respondents beg to submit that, the application is devoid of merit and as such, the application is liable to be dismissed.

I, Shri Anil Kumar Thapa, Lt Col, AD(D&V) in the Office of the Directorate General Assam Rifles, Shillong, do hereby solemnly declared that I am competent to verify the Written Statements and as such it is solemnly declared that the statements made above in the Written Statements are true to my knowledge belief and information and I sign this verification today on 22 the day of January at Shillong.

In the matter of :

Rejoinder submitted by the applicant.

The applicant above named -

Most humbly and respectfully begs to state as under :

1. That with regard to the statement made in paragraphs 3,4,5 and 6 of the written statement, ^{applicant} categorically denies the correctness of the same and further begs to state that the applicant was initially appointed on the basis of the recommendation of the Union Public Service Commission which would be evident from Annexure-1 of the Original Application, therefore statement made by the respondents in paragraph 3 of the written statement is totally false and misleading. In this connection it may be stated that if the service of the applicant in Assam Rifles does not fall within the purview of service connected with Defence Organisation in that event the applicant has no obligation at all to serve the Assam Rifles any more when the parent organisation namely Central Government Health Services, Ministry of Health

and Family Welfare issued the posting order of the applicant on the basis of his representation and option which was duly forwarded by the office of the Director General, Assam Rifles and therefore at this stage respondents cannot deny the issuance of release in terms of his transfer and posting order issued vide office order dated 19.1.96 by the Ministry of Health and Family Welfare. The applicant has no obligation to serve the Assam Rifles any more when the parent organisation issued the order of posting vide order dated 19.1.96. It is the responsibility of the authority of the Assam Rifles to arrange suitable substitute if any. The applicant has already served near about 20 years in interior places and remote localities of North Eastern Region and being a senior ~~most~~ doctor who was deputed in Assam Rifles has no more obligation to serve this organisation as the applicant originally belongs to the establishment of Central Government Health Services, Ministry of Health and Family Welfare. It is admitted by the respondents that the applicant was posted to different location in the North Eastern Region in accordance with the norms of posting of medical officer during his tenure in Assam Rifles in paragraph 4 of the written statement. Therefore the respondents particularly respondent Nos. 3 and 4 ought to have considered the case of release in respect of the applicant long back when the order of transfer was issued as far back in the month of ^{Jan} June, 1996, but the respondents have been arbitrarily refused to issue the order of release in favour of the applicant. The applicant further reiterates that the Sanshak is situated in a very remote locality in Manipur and there is no

Central School in the adjacent areas. ~~As~~^{As} the applicant is saddled with All India Transfer Liability, ~~therefore~~ top priority is to be given for education of his children in Central School.

2. That with regard to the statement made in paragraphs 7,8, 9 and 10 of the written statement, the applicant denies the correctness of the same and further begs to state that the arrangement of reliever if any is required to release the applicant it is the duty and obligation of the respondent Nos. 3 and 4 for arranging the suitable substitutes but the release of the applicant cannot be denied merely on this ground ^{that} since the applicant belongs to Central Government Health Services and there are large number of doctors serving in the Central Government Health Services, under the Ministry of Health and Family Welfare and if the organisation like Assam Rifles is entirely depending for medical services to the organisation like Central Government Health Services under the Ministry of Health & Family Welfare, in that case the authorities of Assam Rifles ought to have contacted the Ministry of Health and Family Welfare for posting of other medical officers presently serving in Central Government Health Services and if the Assam Rifles fail to manage doctor from Central Government Health Services in that event the valuable and legal right of the applicant for release cannot be arbitrarily denied by the respondents especially when the parent department has issued the transfer order of the applicant after serving about 20 years in the interior places of North Eastern States in Assam Rifles Organisation.

Contd...P/4

Ardhendu Chakravorty

The applicant further reiterates that he has acquired a valuable and legal rights in terms of Office Memorandum dated 14.12.1983 issued by the Ministry of Finance, Government of India for choice station posting after serving a long period of 20 years in North Eastern Region and particularly when the parent department/organisation issued the transfer and posting order in favour of the applicant vide order dated 19.1.96 otherwise the same would be violative of Article 14 and 16 of the Constitution.

3. That the applicant categorically denies the statement made in paragraphs 11,12,13,14,15, 16 and 17 of the written statement and further begs to state that the posting order was issued by the Central Government Health Services Ministry of Family Welfare long back in the month of January, 1996 vide order dated 19.1.96 but unfortunately till date no initiative has been taken or efforts has been made by the respondents to release the applicant and the respondents have totally failed to show any effort made by them for arranging the substitute and if the substitute could not be arranged i.e. only due to the negligence of respondent Nos. 3 and 4. Therefore the release of the applicant cannot be arbitrarily denied by the respondent Nos. 3 and 4. There is no evidence in the written statement that there is any ^{initiative} initiation or action made by the authorities of the Assam Rifles for arranging of substitute since the transfer and posting order issued by the Central Government Health Services, Ministry of ^{Health &} Family Welfare.

Under the facts and circumstances stated above, the application is deserved to be allowed with costs.
