... RESPONDENTS

III. Jurisdiction of the Tribunal :

The applicants declared that the subject matter is within the jurisdiction of this Tribunal.

IV. Limitation :

The applicants further declare that the application is within the limitation prescribed under Section 21 of the Administrative Tribunal Act, 1985.

V. Facts of the case :

1. That your applicants state that they are direct recruit to the Assam Police Service of 1976 and 1977 batch and from this initial dates of appointment have been rendering sincere, honest and dedicated service to the police department under the Ministry of Home, Assam.

The applicants further state that they have a good service record over the years and have been holding important position in which they have been discharging their duties to the entire satisfaction of their seniors as well as the Government and hence is qualified to be promoted to the Indian Police Service(PPS).

A short compilation of the service bio-data of the applicants are annexed herewith and marked as Annexure-A series.

2. That the promotion from the State Cadre of the Police Service to the Indian Police Service (IPS) is governed by the provisions of the Indian Police Service(Appointment by promotion) Regulations, 1955. The relevant provision i.e. Regulation 5 deals with the manner of preparation of a list of suitable officers, which is quoted hereinbelow -

" 5(1) Each Committee shall ordinarily meet at the intervals not exceeding one year and prepare a list of such members of the State Police Service, as held by them to be suitable for promotion to the services. The number of members of the State Police to be included in the list shall be calculated

10

as the number of substantive vacancies anticipated in the course of the period of 12 months, Commencing from the date of preparation of the list i.e. the posts available for them under Rule 9 of the Recruitment Rules plus twenty percent of such number of two whichever is greater;

- (2) The Committee shall consider for inclusion in the said list, the cases of the members of the State Police Service in the order of seniority in that service of a member which is equal to three times the number referred to in sub-Regulation (1);

Provided that such restriction shall not apply in respect of a State where the total number of eligible officers is less than three times the maximum permissible size of the select list and in such case the Committee shall consider all the eligible officers;

Provided that the Committee shall not consider the case of a member of the State Police Service unless on the first day of April of the year in which it meets, he is substantive in the State Police Service and has completed not less than eight years of

continuous service (whether officiating or substantive) in the post of Deputy Superintendent of Police or in any other post or posts declared equivalent thereto by the State Government."

Thus , from plain reading of the above provisions of the Regulation , it is clear that seniority ~~xx~~ will be one of the most important criteria for promotion to the Indian Police Service from the State Police Service. The applicants who were eligible for promotion to the Indian Police Service under the said Regulation were denied the same though ~~these~~ cases were earlier considered for promotion and two of the said applicants were classified as 'Very Good' by the Selection Committee, but due to lack of vacancies, they were not included in the select list.

3, That your applicants state that because of the non-~~inclusion~~ inclusion of their names in the earlier select list for promotion to Indian Police Service inspite of they being satisfied the criteria under the relevant provisions of the Regulation, they filed representation before the competent authorities from time to time placing forward their genuine grivances , but surprisingly their representations were not disposed of or considered. Curiously, the applicants came to know that a meeting of

6.

the selection Committee for prepatation of a list of members of the State Police Service officers for promotion to the Indian Police Service was held in June 1996 and a purported select list was prepared in gross violation of the statutory provisions of law. In the said select list, the applicants' name do not figure but two officers namely Respondent No.7, and 8 who are much junior to applicants No.1, 2 and 3 and 4 who are senior to Respondent No.8 have been included in the list superseding the just and legitimate claim of the applicants for promotion. The applicants further state that they have not been given a copy of the said select list and as such could not annex the same in this application.

A copy of the Gradation List is annexed herewith and marked as Annexure-'B'.

4. That against the arbitrary and illegal supersession of junior officers to the Indian Police Service, the applicants filed representation before the competent authorities placing their genuine grievance, but till date the said representation has not been attended to and the applicants now apprehend that the Government may appoint the Respondent No.7 and 8 in pursuance of the purported select list. The applicants further state that the purported and illegal move of the Respondents to give promotion to the

1 DEC 1996

7.

junior officers to the Indian Police Service superseding the just and genuine claim of the applicants will be detrimental to the morale of the State Police Service and its officers and will seriously undermine the future promotional prospects of many eligible officers to the Indian Police Service and this Hon'ble Tribunal in exercise of its jurisdiction may be pleased to restrain the authorities from appointing the Respondent No.7 and 8 in pursuance to such purported select list.

Copies of the representations are annexed hereto and marked as Annexure-'C'.

VI. Details of Remedies Exhausted :

That the applicants declare that they have got no other alternative and efficacious remedy other than to come under the protective hands of this Hon'ble Tribunal. The applicants have moved the authorities by way of various representations.

VII. Matters not previously filed or pending with any other Court :

That your applicant declares that no case is pending in any other Court in respect of the subject matter in question and leave may be granted for

Filing single application under Section 4(5) a of the CAT (Procedure) Rules 1987

8.

VIII. G R O U N D S :

- (a) For that the impugned action of the Respondents in preparing an purported list and including Respondent No.7 and 8 in it denying the said benefits to the applicants who were senior to them is most arbitrary, unfair, unreasonable, capricious and in complete violation of the provisions of the Indian Police Service(Appointment by Promotion)Regulation, 1955.
- (b) For that the purported select list and the move of the Respondents to appoint respondent No.7 and 8 to the Indian Police Service will deprive the applicants from their rightful promotion to the I.P.S. in terms of their seniority and since the same is without any reasonable basis or justification is violative of Article 14 and 16 of the Constitution of India and is thus liable to be set aside and quashed.
- (c) For that the purported selection of Respondent No.7 and 8 have been done without taking into account the relevant facts i.e. the seniority position of the respondents vis-a-vis the applicants and in fact has been passed most

9.

mechanically on the basis of irrelevant and extraneous consideration and as such the said inclusion in the select list and the move to appoint them to the IPS in pursuance to the said purported select list reflects malice in law and can be justified by reasons other than relevant and bonafide. There has been a colourable exercise of power for colateral purpose.

- (d) For that the Respondent authorities could not have prepared the select list by including Respondent No.7 and 8 without deciding correctly the question of inter se seniority of the applicants with that of the respondent No.7 and 8, the resultant suppression by the said respondents who are junior to the applicants is illegal and void and is being without jurisdiction, the condition precedent for exercise of power as done in the instant case is evidently absent.
- (e) For that the impugned purported select list including the Respondents No.7 and 8 has caused adverse civil consequence for the applicants and as such the same have been done without any cogent and reasons in flagrant violation of the service Rules/Regulation governing the conditions of service

and as such the said inclusions of Respondent No.7 and 8 in the select list and the concerted move of the respondent authority to appoint them to the IPS is without jurisdiction, non-est in law and therefore liable to be set aside and quashed.

- (f) For that as per the statutory provisions of law, it was incumbent of the Selection Committee while preparing the select list to give sufficient cogent reasons in case of supersession and since no adverse entries were communicated against the applicants there was no disarnable reasons to justify the non-inclusion of the applicants in the said select list for promotion to the Indian Police Service. The action of the respondents authorities in including respondents No.7 and 8 in the said purported select list and the contemplated move of the respondent authorities to appoint them to the IPS is ex facie illegal arbitrary and non-sustainable in law.
- (g) For that the purported inclusion of the Respondent No.7 and 8 in the select list has caused irreparable loss and hardships to the applicants' right for promotion to the Indian Police Service and the entire action is in violation of the principles of natural justice and fairplay and therefore liable to be set aside and quashed.

11.

(h) For that the preparation of the impugned Select List and the contemplated actions of the respondent authority in appointing respondent No. 7 and 8 to the IPS is in violation of the law laid down by the Supreme Court and as such the said action of the respondent authority is illegal, unconstitutional and contrary to law and as such the same is liable to be set aside and quashed.

IX. Prayer :

In the premises aforesaid, it is respectfully prayed that this Hon'ble Tribunal would be pleased to call for the records of the case and on cause or causes being shown and upon hearing the parties be pleased to set aside and quash the inclusions of the names of Respondent No.7 and 8 from the purported select list prepared during June, 1996 and further direct the Respondent authority to forbear from giving promotion to the Respondent No.7 and 8 to the Indian Police Service in pursuance to the purported select list and/or pass any further order(s) as your Lordships may deem fit and proper.

-And-

Pending disposal of the application be pleased to restrain the respondent authority from making promotion of the respondent No.7 and 8 to the Indian Police Service and/or to pass any further order /orders as to this Hon'ble Tribunal may deem fit and proper.

as Dy.S.P. on 17-2-76. After completion of his basic training in the Assam Police Training College and district training in Dibrugarh district, the officer was posted as Asstt. Commandant, 9th Assam Police Battalion on 0-6-78. After having served as Wing Commander of Battalion posts located along the Assam-Bangladesh International border of sensitive Dhubri Sector, the officer was posted to Sarupathar Post of Assam-Bangladesh border for "Operational Duties" following large scale massacre of Assam villagers by armed Naga miscreants in January, 1979, when he commanded his troops very effectively and was instrumental in containing the depredation of Naga miscreants in the area thereby restoring the confidence of the panic stricken people. In the year, 1980 when the Anti-foreigner agitation spearheaded by AASU took a communal turn and large scale violence broke out in different parts of the State particularly in Bongaigaon and Bijni areas, the officer was deputed to Bongaigaon for law and order duty. His tactful but firm handling of the situation not only brought back normalacy in the affected area but also ensured safety of Bongaigaon Refinery which was then high in saboteurs hit list. The excellent service rendered by the officer during disturbed conditions of 1980 was later appreciated by Govt. of Assam vide letter No. HMF.217/80/30 dated 30-3-82.

In the year, 1981, the officer was deputed to Special Operation Unit, Guwahati, a new cell opened in the wake of large scale sabotage/blast in oil pipeline and other vital installations by saboteurs during the period of Assam agitation. The officer, owing to his personal safety, and very hard labour his entire tenure in SOU which paid handsome dividend in locating the entire group of saboteurs responsible for blasts in Oil Pipeline, All India Radio installations and other various places in Assam. From 1982 to 1983 the officer served as Sub-Divisional Police Officer of Coalpara which was highly sensitive from communal angle in view of ongoing AASU agitation against Evangelical and the

officer, by his astute leadership and firmness kept the situation well under control. From 1983 to 1985, the officer was posted as Sub-Divisional Police Officer, Golaghat which was then known to be a strong support base of the Assam Agitationists. Nevertheless, the officer by dint of his sustained hard work and courage of conviction, could maintain order and keep the Sub-Division free of any major incident which was highly appreciated by the then Director General of Police, Assam vide his letter No.F/XXII/206/39 dated 7-1-85. During his tenure as SDPO, Golaghat, the officer also waged a relentless war against Rhino poachers operating in Kaziranga National Park which resulted in busting of a large gang of poachers comprising not only of members of public but also of staff of forest, Police and some other department of Assam, which was highly appreciated by Govt. of Assam vide letter No.EMA.4/5/84/21 dated 5-3-84. 14 20

The officer was promoted to Senior Scale of A.P.S. in 1986 and was posted as 2nd-In-Command, 8th Assam Police Battalion, Darrhampur (Nagaon) where he served till August, 1987. Thereafter the officer was posted as Addl.S.P., City Guwahati, when besides doing the multifarious duties of Addl.S.P., City Guwahati, he played a very definite role in controlling the growing crimes-against-properties by apprehending several gangs of dacoits and burglars, an act highly appreciated by Govt. of Assam vide letter No.EMA.449/87/24 dated 24-9-88. In June, 1988, the officer was posted as Commandant, 5th Assam Police Battalion, Bontilla, N.C. Hills (Assam) where he continued till August, 1989.

In August, 1989, when disruptive/terroristic activities of United Liberation Front of Assam was at its peak, the officer was posted as Supdt. of Police, Lakhimpur district - one of the worst affected districts of Assam from ULFA angle. Despite various constraints like lack of, adequate force and other resources in the district, the officer worked relentlessly to contain the menace and succeeded in preventing the situation going out of control. In July, 1990, the officer took over command of 6th APBn, Silchar and under his able leadership, the personnel of 6th APBn rendered exemplary service by containing communal riots that broke out in Hailakandi district later that year. After launching of Operation Rhino against the ULFA, the officer was posted as Supdt. of Police, Special Branch (Zonal) Jorhat in 1991 with jurisdiction over all Upper Assam districts during which he discharged his duties with utmost devotion and furnished vital intelligence to S.R. Head-quarters which in turn helped Army to a great extent in its operation against ULFA in the Upper Assam districts.

In November, 1992, the officer was posted as Supdt. of Police of Tinsukia and Kokrajhar districts.

Attached

scenario of the district had then taken a worse turn following resumption of agitation of by All Bodo Student Union in support of their demand for a separate Bodo State. But the officer, with his judicious use of force and clear understanding of the problem managed to contain the situation which culminated in the signing of the Bodoland Accord in February, 1993 ushering in an era of peace.

On his transfer from Kokrajhar in October, 1993, the officer served as Commandant, 14th APBn, Daulsai, Nalbari for a brief tenure and then was posted as Supdt. of Police, CID, Assam, Guwahati in October, 94. In this capacity, the officer, besides looking after workings of several important Cells, also monitored actions of prosecution in all Habeas Corpus petition filed in large number in Gauhati High Court following arrests of ULFA/Bodo extremist by Police/Army. By his diligent efforts he ensured that the interest of the State in these cases was well served.

The officer took over as Special Supdt. of Police, CID on 12-9-95, in which capacity he is continuing till date. Besides, looking after establishment and working of several important Cells, the officer heads the Narcotic Cell of CID, which under his able leadership has been showing remarkable result in the form of seizure of huge quantity of contraband drugs and arrest of large numbers of drug traffickers drawing accolades from Govt. and public alike.

Besides normal police duties, the officer also takes keen interest in sports and games. Because of his organizational ability, the officer was thrice selected as Team Manager of Assam Police Team participating in All India Tournaments via. N.M. Mullick Football Tournament in 1990, All India Police Duty Meet at Pune in 1990 and All India Police Games at Jaipur in 1994. In all these Tournaments the Assam Police Team performed remarkably well and won laurels for the State.

The officer has put in more than 20 years of uniformly brilliant service and has worked in almost all the branches of Police Department with equal seriousness of purpose and devotion to duties which has contributed largely to detection of crimes and curbing of extremism in the State. I, therefore strongly recommend him for the award of Indian Police Medal for Meritorious Service on the occasion of Republic Day, 1997.

Sir,

1- Select List for appointment by promotion
to the I.P.S.

Sir,

We would like to place the following before
your good self for your kind consideration and necessary
action so that a great injustice is not done to us and we
are not deprived of promotion to the I.P.S. which is
otherwise due to us.

1. We are senior A.P.S. Officers awaiting promotions
to the I.P.S. and considering our service records, we were
confident that we would be selected and promoted to the
I.P.S. In point of fact, our cases were earlier considered
for promotion to the I.P.S. and though two of us had been
classified as very good by the selection committee, due to
lack of vacancies, we were not included in the Select List.

2. We have come to know that a meeting of the
Selection committee for preparation of a list of members of
the State Police Service Officers, as also suitable for
promotion to the I.P.S., was held in June, 1996 and that a
select list was prepared. We have also come to know that in
the select list our names were not included and at least
two officers much junior to us have been included, in violation
of our just and legitimate claim to be included. It will be
relevant to mention here that during this period all of us
had a very good, if not outstanding service record and
there can be no justification, whatsoever, in excluding

could...

us from the Select List and including officers who are each junior to us.

3. We have no remedy at this stage except approaching your goodness to look into the matter and if the notification promoting our juniors is issued, we will suffer irreparable loss.

Yours faithfully,

1. (Jiban Singh)

Subject : SELECT LIST OF 1996 FOR PROMOTION
TO INDIAN POLICE SERVICE.

Sir,

I have the honour to lay before you the following facts for your kind consideration and favourable action :-

1) That Sir, I am a direct recruit to Assam Police Service of 1976 batch with 14th position in the appointment list. Six officers of 1976 batch of APS having been already promoted to Indian Police Service, I am awaiting my promotion to I.P.S.

2) That Sir, I have come to know that a meeting of the Selection Committee for preparation of a list of members of the State Police Service officers as are suitable for promotion to the IPS, was held in June/1996 and that a select list was prepared. I have also come to know that my name has not figured in the select list but two officers much junior to me viz (1) Sri Ajit Kumar Das (having 17th position in the appointment list of 1976 batch) and (2) Sri Derajuddin Ahmed (having 6th position in the appointment list of 1977 batch) have been included in the list superseding my just and legitimate claim to be so included on the basis of some records purported to have been put up before the Select Committee.

3) In this connection I would like to submit that I have consistently been having a good service record over the years and have been holding important posts like (1) Sub-Divisional Police officers, Goalpara (2) Sub Divisional Police officer, Golaghat, (3) Deputy Supdt. of Police, Dispur Division, Guwahati, (4) Addl. Supdt. of Police, City, Guwahati, (5) Commandant 5th Assam Police Battalion, Haflong, (6) District Superintendent of Police, Lakhimpur, (7) Commandant, 6th Assam Police Battalion, Dibrugarh (8) Deputy Superintendent of Police, Head of Branch (2nd District) (9) Deputy Superintendent of Police, Head of Branch (1st District) and (10) Deputy Superintendent of Police, Head of Branch (3rd District) in which I have been discharging

Yours faithfully,

my duties to ample satisfaction of the senior officers in the Police hierarchy as well as of the Government.

4) There can, be no justification whatsoever, in excluding me from the select list and including two officers junior to me, even one of the next batch, thereby denying me my legitimate position.

5) It is extremely intriguing that this should have happened as above and therefore there are strong reasons to suspect that the service records and specially the ACRs of those two superseding officers have been manipulated in their favour vis-a-vis me.

I have no remedy at this stage except approaching your goodself to look into the matter. I would therefore request you that Govt. may kindly order an enquiry into the genuineness of the service records of the superseding officers as well as mine so that doubts are dispelled before the select list is given effect to.

Yours faithfully,

(H. L. BHATTAR)

..... RESPONDENTS.

III JURISDICTION OF THE TRIBUNAL :

The applicants declared that the subject matter is within the jurisdiction of this Tribunal.

IV. LIMITATION :

The applicants further declared that the application is within the Limitation prescribed under section 21 of the Administrative Tribunal Act. 1985.

V. FACTS OF THE CASE :

1. That your applicants state that they are direct recruit to the Assam Police Service of 1976 and 1977 batch and from this initial dates of appointment have been rendering sincere, honest and dedicated service to the police department under the Ministry of Home, Assam

The applicants further state that they have a good service record over the years and have been holding important position in which they have been discharging their duties to the entire satisfaction of their seniors as well as the Government and hence is qualified to be promoted to the Indian Police Service (IPS).

A short compilation of the service bio-data of the applicants are annexed herewith and marked as Annexure-A series.

2. That the promotion from the State Cadre of the Police Service to the Indian Police Service (IPS) is governed by the provisions of the Indian Police Service (Appointment by promotion) Regulations, 1955. The relevant provision i.e. Regulation 5 deals with the manner of preparation of a list of suitable officers, which is quoted herein below :

" 5(1) Each Committee shall ordinarily meet at the intervals not exceeding one year and prepare a list of such members of the State Police Service, as held by them to be suitable for promotion to the services. The number of members of the State Police to be included in the list shall be calculated

as the number of substantive vacancies anticipated in the course of the period of 12 months, commencing from the date of preparation of the list i.e. the posts available for them under Rule 9 of the Recruitment Rules plus twenty percent of such number of two whichever is greater;

- (2) The Committee shall consider for inclusion in the said list, the cases of the members of the State Police Service in the order of seniority is that service of a member which is equal to three times the number referred to in sub-Regulation (1) ;

Provided that such restriction shall not apply in respect of a state where the total number of eligible officers is less than three times the maximum permissible six of the select list and in such case the Committee shall consider all the eligible officers ;

Provided that the Committee shall not consider the case of a member of the State Police Service unless on the first day of April of the year in which it meets, he is substantive in the State Police Service and has completed not less than eight years of

47

: 5 :

Continuous service (whether officiating or substantive) in the post of Deputy Superintendent of Police or in any other post or posts declared equivalent thereto by the State Government".

Thus, from plain reading of the above provisions of the Regulation, it is clear that seniority will be one of the most important criteria for promotion to the Indian Police Service from the State Police Service. The applicants who were eligible for promotion to the Indian Police Service under the said Regulation were denied the same though their cases were earlier considered for promotion and two of the said applicants were classified as 'Very Good' by the Selection Committee, but due to lack of vacancies, they were not included in the select list.

3. That your applicants state that because of the non-exclusion of their names in the earlier select list for promotion to Indian Police Service in spite of their being satisfied the criteria under the relevant provisions of the Regulation, they filed representation before the competent authorities from time to time placing forward their genuine grievances, but surprisingly their representations were not disposed of or considered. Curiously, the applicants came to know that a meeting of

Contd....P/6

the selection Committee for preparation of a list of members of the State Police Service officers for promotion to the Indian Police Service was held in June 1996 and a purported select list was prepared in gross violation of the statutory provisions of law. In the said select list, the applicants' name do not figure but two officers namely Respondent No.7, and 8 who are much junior to applicants No.1, 2 and 3 and 4 who are senior to Respondent No.8 have been included in the list superseding the just and legitimate claim of the applicants for promotion. The applicants further state that they have not been given a copy of the said select list and as such could not annex the same in this application.

A copy of the Gradation list is annexed herewith and marked as Annexure-'B'.

4. That against the arbitrary and illegal supersession of junior officers to the Indian Police Service, the applicants filed representation before the competent authorities placing their genuine grievance, but till date the said ~~re~~ representation has not been attended to and the applicants now apprehend that the Government may appoint the Respondent No.7 and 8 in pursuance of the purported select list. The applicants further state that the purported and illegal move of the Respondents to give promotion to the

- Junior Officers to the Indian Police Service superseding the just and genuine claim of the applicants will be detrimental to the morale of the State Police Service and its officers and will seriously undermine the future promotional prospects of many eligible officers to the Indian Police Service and this Hon'ble Tribunal in exercise of its jurisdiction may be pleased to restrain the authorities from appointing the Respondent No.7 and 8 in pursuance to such purported select list.

Copies of the representations are annexed hereto and marked as Annexure-'C'.

VI DETAILS OF REMEDIES EXHAUSTED :

That the applicants declare that they have got no other alternative and efficacious remedy other than to come under the protective hands of this Hon'ble Tribunal. The applicants have moved the authorities by way of various representations.

VII MATTERS NOT PREVIOUSLY FILED OR PENDING WITH ANY OTHER COURT.

That your applicant declares that no case is pending in any other Court in respect of the subject matter in question.

VIII. GROUND S :

- (a) For that the impugned action of the Respondents in preparing a purported list and including Respondent No.7 and 8 in it denying the said benefits to the applicants who were senior to them is most arbitrary, unfair, unreasonable, capricious and in complete violation of the provisions of the Indian Police Service (Appointment by Promotion) Regulation, 1955.
- (b) For that the purported select list and the move of the Respondents to appoint respondent No.7 and 8 to the Indian Police Service will deprive the applicants from their rightful promotion to the I.P.S. in terms of their seniority and since the same is without any reasonable basis or justification is violative of Article 14 and 16 of the Constitution of India and is thus liable to be set aside and quashed.
- (c) For that the purported selection of Respondent No.7 and 8 have been done without taking into account the relevant facts i.e. the seniority position of the respondents vis-a-vis the applicants and in fact has been passed most

Machanically on the basis of irrelevant and extraneous consideration as such the said inclusion in the select list and the move to appoint them to the IPS in pursuance to the said purported select list reflects malice in law and can be justified by reasons other than relevant and bonafide. There has been a colourable exercise of power for colateral purpose.

(d) For that the Respondent authorities could not have prepared the select list by including Respondent No.7 and 8 without deciding correctly the question of inter seniority of the applicants with that of their Respondent No.7 and 8, the resultant supression by the said respondents who are junior to the applicants is illegal and void and is being without jurisdiction, the condition precedant for exercise of power as done in the instant case is evidently absent.

(e) For that the impugned purported select list including the Respondents No.7 and 8 has caused adverse civil consequence for the applicants and as such the same have been done without any cogent and reasons in flagrant violation of the service Rules/ Regulation governing the conditions of service,

And as such the said inclusions of Respondent No. 7 and 8 in the select list and the concerted move of the respondent authority to appoint them to the IPS is without jurisdiction, non-est in law and therefore liable to be set aside and quashed.

- (f) For that as per the statutory provisions of law, it was incumbent of the Selection Committee while preparing the select list to give sufficient cogent reasons in case of supersession and since no adverse entries were communicated against the applicants there was no disarnable reasons to justify the non-inclusion of the applicants in the said select list for promotion to the Indian Police Service. The action of the respondents authorities in including respondents No. 7 and 8 in the said purported select list and the contemplated move of the respondent authorities to appoint them to the IPS is ex facie illegal arbitrary and non-sustainable in law.
- (g) For that the ~~pr~~ purported inclusion of the Respondent No. 7 and 8 in the select list has caused irreparable loss and hardships to the applicants' right for promotion to the Indian Police Service and the entire action is in violation of the principles of natural justice and fairplay and therefore liable to be set aside and quashed.

- (h) For that the preperation of the impugned select List and the contemplated actions of the respondents authority in appointing respondent No.7 and 8 to the IPS is in violation of the law laid down by the supreme Court and as such the said action of the respondent authority is illegal, unconstitutional and contrary to law and as such the same is liable to be set aside and quashed.

IX. PRAYER :

In the premises aforesaid, it is respectfully prayed that this Hon'ble Tribunal would be pleased to call for the records of the case and on cause or causes being shown and upon hearing the parties be pleased to set aside and quashed the inclusions of the name of Respondent No.7 and 8 from the purported select List prepared during June, 1996 and further direct the Respondent authority to forbear from giving promotion to the Respondent No. 7 and 8 to the Indian Police Service in pursuance to the purported select List and to direct the respondents for proper consideration of the case of the applicants for promotion to IPS and/or pass any further order(s) as your Lordship may deem fit and proper.

- AND -

Pending disposal of the application be pleased to restrain the respondents authority from making promotion of the respondent No.7 and 8 to the Indian Police Service and/or to pass any further order/orders at to this Hon'ble Tribunal may deem fit and proper.

by D.P. on 17-2-76. After completion of his basic training in the Assam Police Training College and district training in Dibrugarh district, the officer was posted as Asstt. Commandant, 9th Assam Police Battalion on 0-6-78. After having served as Wing Commander of Battalion posts located along the Assam-Bangladesh International border of sensitive Dhulri Sector, the officer was posted to Sarupathar Sector of Assam-Bangladesh border for "Operational Duties" following large scale massacre of Assam villagers by armed Naga miscreants in January, 1979. When he commanded his troops very effectively and was instrumental in containing the depredation of Naga miscreants in the area thereby restoring the confidence of the panic stricken people. In the year, 1980 when the Anti-foreigner agitation spearheaded by AASU took a communal turn and large scale violence broke out in different parts of the State particularly in Bongaigaon and Dijnai areas, the officer was deputed to Bongaigaon for law and order duty. His tactful but firm handling of the situation not only brought back normalacy in the affected area but also ensured safety of Bongaigaon Refinery which was then high in saboteurs hit list. The excellent service rendered by the officer during disturbed conditions of 1980 was later appreciated by Govt. of Assam vide letter No. 402.217/80/30 dated 30-3-82.

In the year, 1981, the officer was deputed to Special Operation Unit, Guwahati, a key cell opened in the wake of large scale sabotage/blast in oil pipelines and other vital installations by saboteurs during the peak of Naga agitation. The officer, owing to his personal ability, with a very hard working attitude towards his duties, was entrusted with the entire group of personnel responsible for losses in oil pipelines, All India Radio installations and other various places in Assam. From 1982 to 1984 the officer as a sub-divisional police officer of Guwahati was highly sensitive from communal angle in view of ongoing Army action against Naga etc. and was

officer, by his astute leadership and firmness kept the situation well under control. From 1983 to 1985, the officer was posted as Sub-Divisional Police Officer, Golaghat which was then known to be a strong support base of the Assam Agitationists. Nevertheless, the officer by dint of his sustained hard work and courage of conviction, could maintain order and keep the Sub-Division free of any major incident which was highly appreciated by the then Director General of Police, Assam vide his letter No.F/XXII/206/39 dated 7-1-85. During his tenure as SDPO, Golaghat, the officer also waged a relentless war against Rhino poachers operating in Kaziranga National Park which resulted in busting of a large gang of poachers comprising not only of members of public but also of staff of forest, Police and some other department of Assam, which was highly appreciated by Govt. of Assam vide letter No.EMA.473/84/21 dated 5-3-84.

The officer was promoted to Senior Scale of A.P.J. In 1986 and was posted as 2nd-in-command, 4th Assam Police Battalion, Barhampur (Nagaon) where he served till August, 1987. Thereafter the officer was posted as Addl.S.P., City Guwahati, when besides doing the multifarious duties of Addl.S.P., City Guwahati, he played a very definite role in controlling the growing crimes-against-properties by apprehending several gangs of dacoits and burglars, an act highly appreciated by Govt. of Assam vide letter No.EMA.449/87/24 dated 24-9-88. In June, 1988, the officer was posted as Commandant, 5th Assam Police Battalion, Sontilla, N.C. Hills (Assam) where he continued till August, 1989.

In August, 1989, when disruptive/terroristic activities of United Liberation Front of Assam was at its peak, the officer was posted as Supdt. of Police, Lakhimpur district - one of the worst affected districts of Assam from ULFA angle. Despite various constraints like lack of adequate force and other resources in the district, the officer worked relentlessly to contain the menace and succeeded in preventing the situation going out of control. In July, 1990, the officer took over command of 6th APBn, Silchar and under his able leadership, the personnel of 6th APBn rendered exemplary service by containing communal riots that broke out in Hailakandi district later that year. After launching of Operation Rhino against the ULFA, the officer was posted as Supdt. of Police, Special Branch (Genl) Jorhat in 1991 with jurisdiction over all Upper Assam districts during which he discharged his duties with utmost devotion and furnished vital intelligence to S.B. Head-quarters which in turn helped Army to a great extent in its operation against ULFA in the Upper Assam districts.

In November, 1992, the officer was posted as Supdt. of Police of Tinsukia-Pokhria District and the Army

scenario of the district had then taken a worse turn following resumption of agitation of by All Bodo Student Union in support of their demand for a separate Bodo State. But the officer, with his judicious use of force and clear understanding of the problem managed to contain the situation which culminated in the signing of the Bodoland Accord in February, 1993 ushering in an era of peace.

On his transfer from Kokrajhar in October, 1993, the officer served as Commandant, 14th APBn, Daulasal, Nalbari for a brief tenure and then was posted as Supdt. of Police, CID, Assam, Guwahati in October, 94. In this capacity, the officer, besides looking after workings of several important Cells, also monitored actions of prosecution in all Habeas Corpus petition filed in large number in Gauhati High Court following arrests of ULFA/Bodo extremist by Police/Army. By his diligent efforts he ensured that the interest of the State in these cases was well served.

The officer took over as Special Supdt. of Police, CID on 12-9-95, in which capacity he is continuing till date. Besides, looking after establishment and working of several important Cells, the officer heads the Narcotic Cell of CID, which under his able leadership has been showing remarkable result in the form of seizure of huge quantity of contraband drugs and arrest of large numbers of drug traffickers drawing accolades from Govt. and public alike.

Besides normal police duties, the officer also takes keen interest in sports and games. Because of his organizational ability, the officer was thrice selected as Team Manager of Assam Police Team participation in All India Tournaments viz. B.N. Mullik Football Tournament in 1990, All India Police Duty Meet at Pune in 1990 and All India Police Games at Jaipur in 1994. In all these Tournaments the Assam Police Team performed remarkably well and won laurels for the State.

The officer has put in more than 20 years of uniformly brilliant service and has worked in almost all the branches of Police Department with equal seriousness of purpose and devotion to duties which has contributed largely to detection of crimes and curbing of extremism in the State. I, therefore strongly recommend him for the award of Indian Police Medal for Meritorious Service on the occasion of Republic Day, 1997.

Sub *1- Select List for appointment by promotion
to the I.P.S.*

Sir,

We would like to place the following before
your goodness for your kind consideration and necessary
action so that a great injustice is not done to us and we
are not deprived of promotion to the I.P.S. which is
otherwise due to us.

1. We are senior A.P.S. Officers awaiting promotion
to the I.P.S. and considering our service records, we were
confident that we would be selected and promoted to the
I.P.S. In point of fact, our caste were earlier considered
for promotion to the I.P.S. and though two of us had been
classified as very good by the selection committee, due to
lack of vacancies, we were not included in the Select List.

2. We have come to know that a meeting of the
Selection committee for preparation of a list of members of
the State Police Service Officers, as are suitable for
promotion to the I.P.S., was held in June, 1955 and that a
Select List was prepared. We have also come to know that in
the Select List our names were not included and at least
two Officers much junior to us have been included, and we
our just and legitimate claim to be so included, and we
revelation to mention here that during this period all of us
had a very good, if not outstanding service record and
there can be no justification, whatever, in excluding

us from the Select List and including officers who are much junior to us.

3. We have no remedy at this stage except approaching your goodness to look into the matter and if the Notification promoting our juniors is issued, we will suffer irreparable loss.

Yours faithfully,

Subject : SELECT LIST OF 1996 FOR PROMOTION
TO INDIAN POLICE SERVICE.

Sir,

I have the honour to lay before you the following facts for your kind consideration and favourable action :-

1) That Sir, I am a direct recruit to Assam Police Service of 1976 batch with 14th position in the appointment list. Six officers of 1976 batch of APS having been already promoted to Indian Police Service, I am awaiting my promotion to I.P.S.

2) That Sir, I have come to know that a meeting of the Selection Committee for preparation of a list of members of the State Police Service officers as are suitable for promotion to the IPS, was held in June/1996 and that a select list was prepared. I have also come to know that my name has not figured in the select list but two officers much junior to me viz (1) Sri Ajit Kumar Das (having 17th position in the appointment list of 1976 batch) and (2) Sri Darajuddin Ahmed (having 6th position in the appointment list of 1977 batch) have been included in the list superseding my just and legitimate claim to be so included on the basis of some records purported to have been put up before the Select Committee.

3) In this connection I would like to submit that I have consistently been having a good service record over the years and have been holding important posts like (1) Sub-Divisional Police officers, Goalpara (2) Sub Divisional Police officer, Golaghat, (3) Deputy Supdt. of Police, Dispur Division, Guwahati, (4) Addl. Supdt. of Police, City, Guwahati, (5) Commandant 5th Assam Police Battalion, Hailong, (6) District Superintendent of Police, Lakhimpur, (7) Commandant, 6th Assam Police Battalion, Dibrugarh (8) Deputy Superintendent of Police, Dibrugarh (9) Deputy Superintendent of Police, Nagaon (10) Commandant 4th Assam Police Battalion, Dibrugarh (11) Deputy Superintendent of Police, CID, Assam etc. in which I have been discharging

Yours faithfully,

my duties to imply satisfaction of the senior officers in the Police hierarchy as well as of the Government.

4) There can, be no justification whatsoever, in excluding me from the select list and including two officers junior to me, even one of the next batch, thereby denying me my legitimate position.

5) It is extremely intriguing that this should have happened as above and therefore there are strong reasons to suspect that the service records and specially the ACRs of those two superseding officers have been manipulated in their favour vis-a-vis me.

I have no remedy at this stage except approaching your goodself to look into the matter. I would therefore request you that Govt. may kindly order an enquiry into the genuineness of the service records of the superseding officers as well as mine so that doubts are dispelled before the select list is given effect to.

Yours faithfully,
