OPPOSITE PARTY
Applicant.

The humble petition of the
Petitioners above named;

MOST RESPECTIFULLY SHEWETH:

- 1) That the opposite party as applicant filed the O.A. No. 59/96 before the Hon;ble Tribunal praying for quoshing the term & conditions attached to the order sending him to under go training for JTO at Jabalpur.
- 2) That the petitioners contested the case by filing written statements and after hearing both sides the Hon ble Tribunal was pleased to quash the condition: 1) the applicant should serve in any region and his seniority will be placed at the bottom of the list vide judgment & Order dated 2-7-97. In fact, the application of the applicant was allowed.
- 3) That after examination of the judgment & order with relevant records in the department it was found that the applicant has suppressed several material facts in his application and the department also was not been able to please some of the important points as the time of hearing of the case and as such there has been omission of facts as well as points of law for which it is necessary to file review application before the Hon ble Tribunal against the aforesaid judgment.

(Contd.)

4) That the applicant was qualified in 1995 and was sent for training of JTO in the year of 1999 along with 28 others. But he come back midway of the training on medical grounds. All of those who have completed their training who ~~sent along~~ were sent along with him after passing the training have been posted in the N.E. circle and naturally they will be senior to the applicant. The applicant also is from N.E. circle but as phone Inspector he is serving in Assam circle.

5) That it may be mentioned in this connection that out of these 28 trainees while they were undergoing training five of them filed as application before the Jabalpur Central Administrative Tribunal praying for posting in the Assam Circle after completion of their training. But the honourable Jabalpur Tribunal refused to accept their application and the present opposite party had also in the training course in midway out of fear that he might be sent out of Assam circle. These facts were not brought before the Hon.ble Tribunal at the time of final hearing of the case and as such it is necessary to file this Review application.

6) That as per procedure and departmental rules and decisions the seniority of JTOs is fixed after completion of training and posting thereafter. In the instant case the opposite party has not completed the training and in the meantime others have completed the training. The trainees of the opposite party's batch who have completed the training will naturally be seniors to the opposite party and there is nothing wrong in this case. That part, he was not

(Contd.)

not serving in Assam circle but is the N.E Circle so after completion of his training he would have been posted in the ~~the~~ N.E. Circle as J.T.O. Now the opposite party is wanting in the Assam circle as Phone Inspector. The Phone Inspector's post is not a post of J.T.O so when he will go for training and will complete the training of J.T.O he will be able to join his batch and there is nothing wrong and hence this application has been filed on the following amongst other grounds:

Grounds

i) The applicant was working as a P.I in combined N.E. Circle. During bifurcation of the combined circle Shri Gayari and 95 other P.Is were allotted to Assam Circle. The allotment of PI was finalised taking into consideration the total W/S and S/S in the cadre and also the option of the officials. The list of allottee for both circle was published under C.G.M.T. Shilong memo No. STB/Bifur-1/CO(L)/3 Dt. 13-10-1988.

The applicant had already been selected for promotion to J.T.O. before the bifurcation and was undergoing training when the allotment of J.T.O between circles was being finalised. Therefore, apart from his position as P.I he was also considered for posting/allotment as J.T.O According to his position and availability of posts in the J.T.O cadre, Shri M.C. Gayari was allotted to N. E. Circle. The circle-wise list of allotment of J.T.O was published under C.G.M.T Shilong memo No. STB/Bifur-I/CO, 187 Dt. 4-10-88

It is clear from above that shri M.C. Gayari belongs to Assam Circle as P.I At the same time, as J.T.O he belongs to N.E. Circle. The dual position was mentioned to protect his interest in respective cadre.

ii) For that, the opposite party belong to the N.E. Circle and he was deputed to under go training from N.E. Circle, though order was issued by the Assam Circle as he was serving in Assam Circle in the post of ~~J.P.O~~ P.I and as such there is ~~is~~ nothing wrong and putting condition that he should join ~~ing~~ in N.E. Circle after completion of his training as J.P.O

iii) For that other employees who were sent for under going training at Jabalpur and have completed their training and posted in N.E. Circle naturally he will put to the bottom of the seniority after going for the training and completion of the same when he is posted as J.T.O in the N.E. Circle and there is nothing wrong going so. The honorable Tribunal quashed the order for putting him under the bottom of the list and by this act the honorable Tribunal has committed error in law resulting miscarriage of justice and hence the judgment and order is liable to be reviewed .

iv) For that the opposite party belong to N.E. Circle but as P.I he is serving in Assam circle and he is ~~the~~ undergoing the training of J.T.O from Assam Circle from the post of P.I in 1997 or the next year he will be put to the bottom of the seniority list list of Assam circle because he will be a fresh candidate from Assam Circle.

v) The applicant passed the qualifying departmental examination in 1985 which was conducted for filling up the vacant post of J.T.O in N.E Circle (Combined). the applicant does not have any rightful claim for promotion to J.T.O against the vacancy of Assam Tel com Circle.

vi) According to departmental rules, the qualified candidates are borne in a panel arranged ~~the~~ in accordance with the inter-se-seniority for prospective promotion/absor-

Smil

tion as J.T.O against future vacancies of that circle.

vii) All the qualified candidates of 1985 qualifying examination including the applicant were selected for promotion in J.T.O against the vacancies of N.E Circle upto 1988 Rectt-year and deputed for inaction training.

viii) The vacancies in the cadre of J.T.O against which the applicant and other qualified candidates were selected for promotion were retained in N.E. Circle ~~upto 1988~~ during bifurcation of the combined circle.

ix) 425 posts of J.T.O along with equal number of officials were transferred to Assam Telecom Circle at the formation stage. There was no carried over vacancy in the JTO cadre in Assam Circle.

The vacancies which were created subsequent to the formation of Assam Telecom Circle have been filled up according to the Rectt. Rules and Quata of vacancies. The year to year vacancies against Direct Rectt. Quata were filled up from open market. Similarly for Deptl. (Promotional) quata test/examination were conducted and selection made on the basis of the result and seniority among the qualified candidates. All the officials listed in the panel are awaiting for training in their turn according to their position in the list.

The training of the applicant and absorption as JTO on out-of-turn basis against either Quata of vacancies will deprive the rightful claim of other candidates.

The applicant appeared in the JTO qualifying examination conducted by Assam Telecom Circle for promotion to JTO against future vacancies. He came out successful and enlisted in the panel. The applicant is also selected for

Asstt. Director Telecom (Genl)
O/O the C. G. Telecom
Assam Circle, Guwahati-781007.

(Contd..)

training and promotion to JTO against the vacancies of 1986 against departmental quota.

The applicant has deliberately suppressed the above fact to influence the CAF decision in his favour.

As the applicant has volunteered to ~~not~~ sit in the test held 1995 it can be interpreted to imply that he has given up his claim for promotion to JTO on the basis of 1985 examination against vacancies of N.E. Circle.

x) For that at any rate the impugned judgment & Order is liable to be quashed.

It is, therefore, respectfully prayed that, your honour may please review the judgement and order dated 2.7.97 passed in O.A. No. 59/96.

And for this act of kindness, your petitioner as in duty bound shall ever pray.

ORDER

BARUAH.J. (V.C.)

In this application, the applicant has prayed for issuance of appropriate direction to the respondents.

2. Facts for the purpose of disposal of this application are:

In 1975 the applicant was appointed Phone Inspector. His next promotional avenue was Junior Telecom Officer (for short JTO). The applicant was selected in the qualifying departmental

4

examination in the year 1985. He was to undergo training for the post of JTO at Jabbaipur. The training was for a period of thirtyseven weeks. The applicant, however, could complete only thirtytwo weeks as he fell sick and as a result he was compelled to return. The training was necessary for the purpose of promotion and it was the duty of the department also to make necessary arrangements for imparting the training. As the applicant could not complete the training because of his illness the applicant approached the competent authority by submitting representation. On 10.9.1991, the applicant was allowed to resume his training for the second time. However, this time the authority imposed the conditions that on successful completion of the period of training the applicant would be required to serve in the N.E. Circle and also he shall be made junior to the other persons who received the training. According to the applicant this imposition of conditions is illegal, unreasonable and unfair. Hence the present application.

3. We have heard Mr. J.L. Sarkar, learned counsel for the applicant and Mr. S. Ali, learned Sr. C.G.S.C. Mr. Sarkar submits that the imposition of the conditions, namely, that the applicant would be required to work in the N.E. Circle and that he shall be junior to the other candidates who received training earlier, was not in accordance with the provision of rules. The learned counsel further submits that there is no such rule enabling the authority to impose such conditions. Mr. Sarkar also submits that no such conditions were imposed on the persons who were sent for training earlier and also subsequently. Mr. S. Ali, on the other hand, supports the impugned action of the respondents. According to Mr. Ali the imposition of condition was reasonable and just.

82

4. On the rival contention of the parties it is now to be seen whether the authority could impose such conditions. The admitted fact is that the authority imposed two conditions, namely, that the applicant, after completion of the period of training would be required to work in N.E. Circle, and that he should be made junior to the other persons who received training earlier. So far the first condition is concerned there is no such provision under the rules. At least Mr Ali has not been able to show anything in that regard. Such conditions had not been imposed on the other candidates.

5. Considering all the aspects of the matter we find that the condition of asking the applicant to work in the N.E. Circle is not just, proper and fair. According to us it was an arbitrary act of the respondents. Therefore, we hold that the imposition of such a condition cannot sustain in law. Accordingly we set aside the condition that he should work in the N.E. Circle after completion of the training. So far as the second condition is concerned, namely, that he shall be made junior to the other persons, we, however, are not inclined to pass any order and leave it to the authority to consider the same and pass a reasoned order as to why he should be made junior to the other persons who had participated in the training earlier. This must be done as early as possible, at any rate within two months from the date of receipt of this order.

6. The application is accordingly disposed of. However, in the facts and circumstances of the case we make no order as to costs.
