DETAILS OF APPLICATION

1. PARTICULAR OF THE ORDER AGAINST WHICH
THE APPLICATION IS MADE: /

The instant application is directed not against any particular order; but is preferred making a grievance against the apathy shown by the respondent in respect of

the benefits admissible to the applicants under Rules as casual labourers. The application is also directed against the apathy shown by the respondents in not granting the required ex-post facto approval entitling the applicants the benefits admissible to the casual labourers.

2. JURISDICTION OF THE TRIBUNAL :-

The applicants declare that the subject matter of the instant application is within the jurisdiction of this Hon'ble Tribunal.

3. LIMITATION:-

The applicants further declare that the application is filed within the limitation/^{period}prescribed under Sec 21 of the Administrative Tribunals Act, 1985.

4. FACTS OF THE CASE :-

That the applicants are citizen of India and permanent residents of Assam. They all belong to the scheduled tribe category and accordingly they are entitled to special privileges as has been guaranteed by the Constitution of India and the laws framed thereunder from time to time.

The applicants are all ex-casual labourers and their grievances, subject matter and the reliefs sought for in this application is similar in nature. Therefore, the applicants crave Leave of this Hon'ble Tribunal to allow them to join together in a single petition to minimise the cost as well as to minimise the precious time of this Hon'ble Court,

invoking its power under Rule 4(5)(a) of Central Administrative Tribunal, (Procedure) Rules, 1987.

4.2. That all the applicants were in casual service under the respondents. They were appointed on being selected for engagement in casual service. Ever since their appointment of casual labourers, they had been discharging their duties to the satisfaction of all concerned. All of them have got requisite number of working days so as to get the benefit of temporary status as well as other benefits as admissible under the relevant rules and so also as per the dictum laid down by the Apex Court. The applicants crave leave of this Hon'ble Court to refer to the relevant rules as well as the decision of the Apex Court in support of their contentions.

4.3. That the applicants were illegally discharged from their service on various dates as indicated in subsequent paragraphs and Annexures. Some of them even after such discharge have been working in the Railways under the contractors which also entitled them to the benefits under the Contract Labour (Regulation and Abolition) Act, 1970 and the Rules framed thereunder.

4.4 That the applicants as stated above, were illegally discharged from service even after rendering services and entitling them conferment of temporary status. Due to poverty and being not acquainted with the relevant rules and regulations they could not protest against their such illegal discharge from service. It will be pertinent to mention here that for the casual employees working under the railways, a live casual register is to be maintained incorporating therein the name of all casual labourers in order of seniority. The names of discharged employee are also entered in the live register and in case of any future vacancies, they are to get preference.

22

- ✓ live register and in case of any future vacancies, they are to
- ✓ get preference.

4.5. That as stated above, all the applicants belong to the scheduled case category and they hail from very poor families and all of them belong to the lower stratum of the society. In the Railways there are back log vacancies in Gr-D category to be filled up from amongst the casual labourers whether existing or discharged. These back log vacancies were never filled up by the Railways to the deprivation of the Scheduled Tribe candidates as well as ex-casual workers belonging to the scheduled tribe category. Regarding this injustice meted to the members of the S.T. categories, various organisations and Unions including the AISCTREA, N.F. Zone, Maligaon took up the matter with the respondents as a consequences of which the respondents woke up from their slumber and eventually by a letter NoE227/RESV (P)/AP dated 13.2.95 issued by the respondent No.2, the Divisional Railway Manager (P), APDJ and addressed to the General Manager/~~Construction~~ Construction, Maligaon on the subject of special recruitment drive of SC/ST candidates asked for particulars of 56 construction ex-casual labourers (ST) as mentioned in the letter. The applicants are entitled to be considered under the said letter dated 13.2.95. According the contents of the letter - special recruitment drive was in process and due to non-availability of the S.T. candidates amongst the existing casual labourers in the APDJ Division, a combined seniority list of the Division for SC/ST ex-casual labourers of open line and constructions organisation, had been submitted by the

.....5/-

Divisional Secretary, AISC TREA/APDJ. In the said list, names of 56 members of construction ex-casual labourers had been shown and accordingly, to ensure the genuineness of the said candidates, the information as indicatedⁱⁿ the letter were called for.

A copy of the letter dated 13.2.95 is annexed herewith as ANNEXURE-1.

4@6_ That in response to the said letter dated 13.2.95 the Sr. Personnel Officer (Construction). N.F. Railway Maligaon for General Manager, Construction addressed a letter No. E/255/CON/Seniroity/CL/Pt-VI dated 31.3.95 to the Dy. CE/CON/JPZ and XEN/CON/GC/MLG requesting them to verify that the relevant records and to confirm immediately whether the 56 ex-casual labourers had worked for the specific period as indicated in the construction, or not. Having not received any response, the same authority again issued letter No. E/57/CON/I(GC)/ST Dt. 10.4.95 requesting to furnish full service period and reason or discharging etc.

Copies of the lts. dt. 13.3.95 and 10.4.95 are annexed herewith as ANNEXURE -2 & 3 respectively.

4.7 That again the same authority by its lt. ~~sk~~ No. E/57/CON/(SC/ST) dated 24.4.95 addressed to then DRM(P) APDJ, confirmed that the names of the applicants and those appeared in the relevant records except the persons mentioned therein.

A Copy of the lt. dt. 24.4.95 is annexed herewith as ANNEXURE-4.

4.8. That after the aforesaid development, the SDO/CON on behalf of the General Manager, Construction, N.F. Railway by his letter No. E/57/CON/ (SC/ST) Dated 4.8.95 addressed to the DGM(P) APDJ furnished the full services/particulars of the ex-casual labourers (ST) as indicated in the enclosed statement.

2 ~~statement~~. In the said letter, it ~~is~~ was mentioned that as regards the General Manager's approval, the cases are under scrutiny. It will be pertinent to mention here that as per the Annexure-1 letter dated 13.2.95, amongst others the information as to whether GM's approval was obtained if engaged after 1.1.81 was called for. In the enclosed statement, the particulars of the ex-casual labourers including the applicants were furnished except one as to whether GM's approval was obtained for engagement or not.

A copy of the letter dated 4.8.95 alongwith the statement enclosed therein is annexed as ANNEXURE-5.

4.9 Thereafter the issuance of the aforesaid letter, the applicants were under the bonafide belief and with the legitimate expectation that the necessary approval of the General Manager would be accorded in the cases where it is required and after such approval, there will be no impediment towards appointment of the applicants against the Gr-D posts meant for S.T. candidates under the special recruitment drive. However, till date the required approval has not been accored to by the General Manager, N.F. Railway, and accordingly, the applicants are still deprived of their legitimate benefits as admissible under the Rules.

4.10 That the DRM(P)/APDJ by his letter No.E.227/RESV/(E)/AP Dt. 8.8.95 addressed to the General Manager, Construction N.F. Railway, Maligaon requested to communicate the GM's approval in favour of the candidates shown in the list who were engaged or or after 1.1.81.

A copy of the said letter dated 8.8.95
is annexed herewith as ANNEXURE-6.

4.11 That the applicants state that pursuant to the Annexure-1 letter dated 13.2.95 only impediment against their regular absorption in Gr- D posts is the approval to be accorded by the General Manager. Although in various communications, it has been indicated that such approval is under consideration and although the DRM(F)/APDJ has asked for necessary approval towards appointment of the candidates continued in the list, due to the apathy shown by the respondents, such approval is not forthcoming as a result of which the applicants have been put to sufferings. As stated above, their services were illegally terminated and now when their turn has come for consideration to be appointed against the back log vacancies of Gr-D posts meant for S.T. category, they are again sought to be deprived by not according the necessary approval of the General Manager. In this connection, it is stated that in many such cases, the casual labourers who were engaged after 1.1.81, the General Manager has accorded ex-post facto approval. Some of the casual labourers who were not given the required ex-post facto approval, had approached this Hon'ble Tribunal making a grievance against the same and the Hon'ble Tribunal was pleased to pass necessary orders. On the basis of which, the General Manager has accorded ex-post facto approval towards engagement of the casual labourers on or after 1.1.81 and consequently the applicants in the said case have been conferred with all the benefits admissible under the rules. The

applicants crave leave of the Hon'ble Tribunal to refer to and rely upon the said case at the time of hearing of the instant applications. The applicants being similarly situated they cannot be treated differently and there is no earthly reason as to why the ex-post facto approval even if required to be accorded to should not be given by the General Manager in respect of the applicants. This is the only impediment against their regular absorption against S.T. backlog Gr-D vacancies for which their names have already been sent. The applicants did not enter into the Railways services by any back door policy and they are not at all responsible even if they were not engaged without any approval of the General Manager.

After utilising their services in exploitative terms and having disengaged them from their services, the respondents cannot keep away from the benefits admissible to them under the relevant rules as well as the dictum laid down by the Apex Court. The applicants have come to know that in many such cases, the General Manager has accorded ex-post facto approval towards appointment of the casual labourers on or after 1.1.81 and as such, there is no earthly reason as to why the applicants should be picked up for differential treatment in violation of the Articles 14 and 16 of the Constitution of India.

4.12 That the applicants state that although some of the applicants are not named in the list furnished in Annexure -5 letter dated 4.8.95, it is their specific case that they were all engaged as casual labourers under the Railways and their services have been illegally terminated.

....9/-

The respondents are duty bound to trace out the records and then to furnish necessary ~~participate~~ particulars in respect of the applicants.

4.13 That the applicants state that they being the ex-casual labourers under the N.F. Railway and their names having been entered into the live register they are entitled to be considered for any future appointment under the relevant rules. They are also entitled to the benefits of the provisions of Industrial Disputes Act. Accordingly, although the process for their appointment in Gr-D S²/T¹ backlog vacancies was initiated, the only stumbling block towards their appointment is the only apathy shown by the respondents is not accordingly required approval. The benefits accrued to them under the relevant rules cannot be taken away in the manner and hence this application for appropriate relief. The applicants have got no other alternative or efficacious remedy than to come under the protective hands of this Hon'ble Tribunal.

5. GROUND'S FOR RELIEF WITH LEGAL PROVISIONS:-

5.1 For that the applicants being ex-casual labourers of the N.F. Railway and their names having been entered in the live register they are entitled to the benefits as admissible under the Rules and the respondents cannot deprive them of the same by adopting a non-challant attitude.

5.2 For that the process of their appointment against Gr-D vacancies having been initiated and the only impediment against their appointment being the approval of the General

Manager towards their engagement on or after 1.1.81, same should be removed by necessary ex-post facto approval, if required to be given by the General Manager.

5.3. For that the respondents by their apathy and non-challant attitude cannot take away the benefits admissible to the applicants under the relevant rules and also under the dictum of the Apex Court.

5.4 For that the relevant particulars having been furnished in respect of the applicants, the respondents cannot shirk of their responsibilities towards completion of the entire process in respect of appointment of the applicants in the available Gr- D back long S.T. vacancies and in the process, the applicants cannot be made to suffer.

5.5 For that the General Manager in other similar cases having accorded ex-post facto approval there is no earthly reason as to why the same treatment should not be extended to the applicants, other wise there will be violation of Articles 14 and 16 of the Constitution of India, and so also the principles of natural justice.

5.6 For that the respondents cannot take advantage of the fact that the applicants belong to the lower stratum of the society and all of them being members of the S.T. community they are entitled to the special privileges and lack of their knowledge and information regarding the benefits to which they are entitled to cannot give a right

.....11/-

RN

to the respondents to deprive them of the said benefits.

5.7 For that under the facts and circumstances, it is a fit case to issue necessary direction to the respondents towards appointment of the applicants in Gr-D posts as has been processed under the communications mention above.

5.8 For that ~~under the facts and circumstances~~ in any view of the matter, the applicants are entitled to the reliefs as has been prayed for in the instant application.

xx

6.0 DETAILS OF REMEDIES EXHAUSTED :-

The applicants declare that they have no other alternative or efficacious remedy except by way of filing this application.

7. MATTER NOT PREVIOUSLY FILED ON PENDING BEFORE ANY COURT:-

The applicants further declare that they have not filed any application, writ petition or suit regarding the subject matter in respect of which this application has been made before any other authority, or Court and/or any other Bench of this Hon'ble Tribunal and no such application, writ petition or suit is pending before any of them.

8. RELIEFS SOUGHT FOR :-

Under the facts and circumstances stated above, the applicants pray that the Hon'ble Tribunal would be pleased to admit this application, call for the records of the case particularly the records containing the service particulars of the applicants and after hearing the parties on the cause or causes that may be shown, and on perusal of the records be pleased to

grant the following reliefs to the applicants :

- 8.1 To direct the General Manager, N.F. Railway, Maligaon to issue necessary approval towards engagement of the applicants on or after 1.1.81.
- 8.2 To direct the respondents to confer the benefits admissible to the applicants as casual labourers under the rules.
- 8.3 To direct the respondents to appoint the applicants against the available back log vacancies meant for S.T. candidates as indicated in the various communications mentioned above.
- 8.4 Any other relief or reliefs to which the applicants are entitled and as may be deemed fit and proper by this Hon'ble Tribunal.
- 8.5 Cost of this application.

9. INTERIM ORDER PRAYED FOR:-

The applicants pray that pending disposal of the instant O.A. a direction may be issued to the respondents to consider the case of the applicants as has been assured in Annexure-5 letter dated 4.8.95 and urged upon Annexure-6 letter dated 8.8.95. The applicants further pray to direct the respondents not fill up the vacancies to the deprivation of the ~~applicants~~ applicants.

3. That with regard to the statements made in paragraph 4.1 of the application, the answering respondents do not admit anything contrary to relevant records of the case.

4. That with regard to the statements made in paragraph 4.2 of the application, it is stated that all the applicants had been working as Casual Labour under different subordinates under Executive Engineer/BG/CON/Bongaigaon.

5. That with regard to the statements made in paragraph 4.3 of the application, it is stated that the record reveals that all of them had not been discharged from their services of casual labour, rather they had left from the service without any notice.

6. That with regard to the statements made in paragraph 4.4 of the application, the answering respondents state that as per Board's provision casual labour who had been discharged after 1.1.81, their names had duly been maintained in Live Register in order of seniority. After scrutiny of the Live Register, the names of the alleged casual labour (the applicants) were not appearing on the register which leaves no doubt that they had left services at their own and not discharged.

7. That with regard to the statements made in paragraph 4.5 of the application, it is stated that since the

applicants had left without information and voluntarily from the services of casual labour and their whereabouts were not known to the Organisation, the letter dtd 13.2.95 issued by Divisional Railway Manager(P)/Alipurduar will not be applicable to the alleged Ex-Casual Labour.

8. That with regard to the statements made in paragraph 4.6 and 4.7 of the application, it is stated that in response to the letter dtd 13.3.95 addressed to Deputy Chief Engineer/C/Jogighopa and Executive Engineer/CON/GC/Malignon, requesting them to verify the relevant records regarding the services of 56 Ex-casual labour and on verification of the record the report received from Dy. Chief Engineer/C/Jogighopta vide their No. E/255/CON/JPZ dated 17.7.95, it was found that some of those Ex-casual labour had left their services and some were under order of transfer to different subordinates where the work was prevailing, but they did not report to the Subordinate concerned.

9. That with regard to the statements made in paragraph 4.8 of the application, the answering respondents beg to state that all of them were initially engaged after 1.1.81 except serial No. 18 of the alleged Ex-Casual Labour and their engagements were not approved by General Manager, although as per Board's provision, GM's prior approval

before engagement of any casual labour was obligatory. But the alleged Ex-casual labour were although engaged as casual labour but their initial engagement were not in conformity of the Board's instruction. However, because of their voluntarily leaving the services un-noticeably, that is the basic cause of not incorporating their names in the Live Register. Letter dated 4.5.95 as-cited as cited in this para is not in conformity for the casual labour whose names had not appeared in the interpolated seniority list of DRM(P)/Alipurduar.

10. That with regard to the statements made in paragraphs 4.9 and 4.10 of the application, the answering respondents reiterate and reaffirm the statements made here-in-above.

11. That with regard to the statements made in paragraph 4.11 of the application, it is stated that as the whereabouts of the alleged Ex-casual labour were not there since without the knowledge of the administration, they had left at their own volition, as such question of post-facto approval of General Manager does not arise.

12. That the answering respondents submit that the instant O.A. is grossly barred by limitation. There is no cause of action for preferring the instant O.A. Same is also

barred by the principles of waiver, estoppel and acquiescence. Further, the O.A. is bad for non-joinder of necessary parties.

13. That the answering respondents submit that the applicants by filing the instant O.A. have taken a chance for favourable consideration from this Hon'ble Tribunal. They having left the railways of their own volition and now after a lapse of several years cannot claim for their re-engagement and that too, to the deprivation of other eligible candidates. Their names have already been removed from the casual labour Live Register. Their whole claim is based on some departmental correspondence which do not vest them with any right of any engagement.

14. That under the facts and circumstances stated above, the instant application is not maintainable and liable to be dismissed with cost.

VERIFICATION.

I, Shri Prasun Kumar Gupta, aged about 55 years, by occupation Railway Service, working as Dy. CE/c / Gc / N.F. Rly / Maligaon of the N.F. Railway Administration, on behalf of the respondents do hereby solemnly affirm and state that the statements made in paragraphs 1 and 2 are true to my knowledge, those made in paragraphs 3 to 12 are true to my information being matter of records of the case which I believe to be true and the rests are my humble submission before this Hon'ble Tribunal.
