2. The Railway Recruitment Board, Guwahati issued the Employment Notice No.1/95 dated 26-4-1995 for the purpose of appointment in various posts under the North East Frontier Railway. In this Original applications we are concerned with CATEGORY No.7 : STENOGRAPHER : (English) in the scale of pay of Rs. 1200-2040/- mentioned in the Employment Notice. Pursuant to the said Notice we have the following results -

3. Further, the applicants inform us in their rejoinder that in response to the Employment Notice 2120 candidates had applied for the posts advertised and out of them 1520 appeared in the Written Test; 172 appeared in the Speed Test; 47 were sent for Viva Voce. Ultimately 16 candidates were successful and were empanelled as above. These facts have not been refuted by the respondents. The panel was published on 9-11-1995 but no appointment of any successful candidate was made by the respondents. On the other hand employment Notice No.1/96 dated 20-5-96 was issued. On 10-6-1996 the applicants prayed to the General Manager, N.F.Railway, Maligaon to issue appointment letters at the earliest. There was no response. Consequently, the applicant submitted the Original Applications seeking direction on the respondents to appoint them (the applicants). Notice for admission was issued on 7-8-1996. Thereupon, Respondent No.3, the Chairman Railway Board, Guwahati published his No.RRB/G/41/90 dated 5-9-1996 cancelling the panel on the ground of various irregularities. As a result, the applicants amended the Original applications seeking among others quashing and setting aside of the aforesaid No.RRB/G/41/90 dated 5-9-1996. In the meantime in the absence of show cause from the respondents the Original Application was admitted on 9-9-96.

4. The respondents justify the cancellation of the Panel as follows :-

.....it has already been stated that the selection in question pursuant to which the applicant has staked his claim for appointment has already been cancelled in view of the various irregularities found in the selection of Junior Stenographer in scale Rs. 1200-2040/- against Employment Notice No.1/95 dated 26-4-95 conducted by the Railway Recruitment Board, Guwahati, which has necessitated cancellation of the entire selection are as follows:-

contd/-

(a) In the advertisement of Jr. Stenographer, required qualification was mentioned only as Matriculate without indicating anything about the qualification of diploma in shorthand and type-writting. The advertisement also did not stipulate production of Diploma certificate. As a result, many of the candidates did not submit the same although they were qualified both in shorthand and type-writing and had diploma certificate. However, the Railway Recruitment Board, Guwahati, rejected the candidature of many eligible candidates on the ground of non-submission of diploma certificate, thereby deserving eligible candidates were deprived of consideration for selection.

(b) Sample test checks revealed mistakes in totalling in the written paper and in computation of marks which has resulted in empanelment of candidates securing less marks and exclusion of candidates securing more marks.

(c) In the recruitment process, it has been found that all the three stages of testing, the knowledge and quality of the candidates have been handled by a single individual (Member Secretary, Railway Recruitment Board) instead of getting the works done by different qualified persons as under :-

- (i) Setting of question paper for written test.
- (ii) Selection of dictation passage.
- (iii) Preparation final marksheet including marks for viva-voce test only done by MS/RRB himself without any signature from other two members. This has raised doubts of malpractice by MS/RRB.

(d) As per Board's extant instruction 15% of marks for written test and viva-voce together is required to be fixed for viva-voce. But in the subject selection, RRB/Guwahati had adopted 15% of the sum total of marks for written test (200 marks) shorthand test (300 marks) as well as viva-voce marks (90 marks). The marks of shorthand test (300) was therefore irregularly included in computing the marks for viva-voce test. This has allowed the selection authority undue flexibility in the final allocation of marks of a candidate though he might have secured less marks in written test.

(e) In a number of cases it has been noted that marks once allotted in the shorthand transcription sheets have been over-written/defaced and new marks allotted, ostensibly to favour the candidates of evaluator's choice.

(f) It has been noted in some cases, that though the shorthand dictation scripts do not contain certain materials of dictated passage, the type transcription sheets contain the material of the dictated passage and in a ~~better~~ better way. This indicates adoption of malpractice in conducting the shorthand test.

(g)

On a visual checking, it has been noted that in certain answer scripts (Transcription sheet) containing poor performance, higher marks have been allotted in comparison to that containing better performance.

The above irregularities in the selection are only illustrative and not exhaustive. In any case, with the above irregularities detected in the selection, the respondents were left with no other option than to cancel the entire selection. By doing so, no irregularity has been committed by the respondents - rather the same has been done in the larger public interest which has also brought confidence among the public. The irregularities were detected upon an enquiry conducted by the Vigilance Deptt. of the Railway and in consideration of such enquiry, the selection in question has been cancelled and the applicant should not make any grievance against the same."

5. In support of the action of the respondents, Mr. B.K. Sharma, their learned counsel, had submitted that the irregularities are two folds, namely, before the actual test took place, 600 applicants had been arbitrarily excluded from the competition by the office of the Railway Recruitment Board on untenable grounds, and during the entire course of the actual test irregularities which violated the selection as a whole had taken place. Under these circumstances, according to him, the action of the respondents in cancelling the panel in public interest cannot be faulted and it should be sustained.

6. The applicants have assailed the action of the respondents in cancelling the select Panel above terming it as illegal, arbitrary, despotic, void and not maintainable in the eye of law. Mr. G. Sarma, learned counsel for the applicants, pointed out that the employment panel was cancelled because of alleged malpractices or irregularities but not even a single instance of malpractice or unfair means or irregularities committed by any of the applicants or

contd/-

attributed or attributable to any of them has been cited by the respondents in support of their action. Referring to the case of Progoty Supply and Co-operative Society Ltd. reported in (1995) 3 GLR 327 in which it has been held to the effect that every State action must be fair and informed of reasons and administrative action must not only be reasonable but free from bias and malafide, Mr Sarma submitted that the respondents had on the contrary acted otherwise in respect of the cancellation of the select panel. The expressed ground for investigation was because of some alleged malpractices but in the end the panel was cancelled on a contradictory ground of irregularities. According to him, in the face of all these, there is no escape from the conclusion that the respondents had with bias and malafide against the applicants, arbitrarily cancelled the panel. Further, the respondents without giving an opportunity of being heard to the applicants before such cancellation had arbitrarily cancelled the panel. According to him, such action is not sustainable in law and in this regard he placed reliance on the case of Pradip Kumar Das and others reported in (1985) 2 S.L.R. GLR 459 which was upheld in the order dated 8.5.1986 in SLP (Civil) No.66 of 1986 by the Hon'ble Supreme Court. Mr Sarma further referred to the order dated 14.6.1996 of this Tribunal in O.A.No.9 of 1993 in which after referring to the aforesaid P.K.Das & others case and also to D.V.Ramana and others, 1986(4) SLR 50, the action of the respondents to withhold appointment of successful candidates without giving them opportunity of being heard was set aside and quashed.

7. In the light of the above, we are now to consider whether the action of the respondents in cancelling the

select list of Junior Stenographer (English) mentioned above is sustainable in law. It has not been shown by the respondents that the alleged malpractices or irregularities referred to above were committed or attributed or attributable to any of the present applicants. On the other hand, it is seen from their submission that it is the respondents themselves who had committed the alleged malpractices or irregularities. The applicants have had to suffer because of/ alleged acts of omission and/or commission of the respondents. According to the respondents they had in the facts and the circumstances of the case cancelled the select panel in larger public interest and in order to bring public confidence in the administration of the North East Frontier Railway. These are indeed lofty ideals. But we are in these O. As concerned with the question whether on their way towards these goals the respondents had not trampled under foot the rights of the applicants. There is no dispute of the fact that the select Panel was cancelled by the respondents without affording any opportunity of being heard to the applicants before the cancellation was made. In the case of Pradip Kumar Das and others (supra) 357 out of the 790 successful candidates who had been empanelled were screened out by the North East Frontier Railway on the ground that some malpractices were allegedly committed by some of them. No opportunity of being heard was given to them by the respondents before such action was taken. The Hon'ble Supreme Court had held :

"It was necessary according to the rules of fairplay and natural justice that these candidates who were included in the original select panel of 790 candidates published by the Commission had acquired a right to get employment and therefore they were entitled to be heard before any prejudicial action was

taken. The judgment of the High Court quashing the impugned order on the ground that it was vitiated for non-compliance with the rules of natural justice can hardly be assailed."

Thus, according to this Judgment, the selected candidates have acquired two rights, namely, the right to get employment and the right of being heard before any action prejudicial to them is taken. The learned Railway Counsel had not cited any other case law to contradict this position. The present applicants are successful candidates who had been empanelled for appointment to the posts. They had acquired both the aforesaid rights. The aforesaid judgment of the Hon'ble Supreme Court was rendered against the very same N.F.Railway yet the authorities of the Railway had chosen to ignore the law laid down therein. We have no hesitation to hold that when the respondents had cancelled the Select Panel without affording an opportunity of being heard to the applicants before the cancellation was made, they had violated both the rights of the applicants.

8. Mr.B.K.Sharma had submitted that the fact that the applicants were selected and empanelled does not bind the Railway authorities to appoint the applicants to the posts. In fact, according to him it was clearly stipulated in the Employment Notice itself that the selection of the candidates by the Railway Recruitment Board does not confer any right on the candidates. On the other hand, according to law the Railway authorities have the right to refuse appointment. Further he had referred to para 113 of the Indian Railway Establishment Manual Volume I (Revised Edition 1989) in support of his contention that selected candidates can be refused appointments. We are aware that there are law and rules in this regard. The para 113 aforesaid reads thus :

"Selection of a candidate by a Board or a Railway administration is, however, no guarantee of employment on the railway which is subject to his qualifying in the prescribed medical examination and to his being otherwise suitable for service under Government."

Perusal of this rule/para shows that there must exist a fault or deficiency on the part of a selected candidate in order to deny him an appointment to a post under the railway for which he was selected. In this particular case however the applicants were denied appointments for no fault of theirs. They had subjected themselves to the rigours of the examination and tests conducted by the respondents giving out the best they could with the sole expectation to come out successful within the standards set by the respondents. No blame has been apportioned to them. They had not also been allowed to reach the stage stipulated in the para/rule mentioned above in order to ascertain whether they are suitable for appointment to the posts. It may also be mentioned here that the learned Railway counsel had sought time to produce certain records to enable him to make submission. He was allowed time. But though he had produced some administrative records before us he was unable to produce any answer script for the written test as well as the speed test including the passages for the speed test. The contentions of the respondents against the applicants with regard to the answer scripts or marking thereon are therefore not substantiated before us.

9. We are in a society which upholds the supremacy of the rule of law. Therefore, an administrative action which is done without observing due process of law or the relevant law or rules prescribed is liable to be quashed. In the light of our discussion and findings above, we are of the view that the respondents had arbitrarily and illegally

cancelled the select panel. Therefore, the action of the respondents in cancelling the panel is not sustainable in law. Consequently, the order No.RRB/G/41/90 dated 5-9-96 (Annexure A.VIII) issued by the respondent No.3 and the Railway Board letters No.96/E(RRB)/25/12 dated 7.8.1996 and No.96/E(RRB)/25/13 dated 21.8.1996 mentioned therein insofar as they relate to category No.7 Stenographer (English) of the Employment Notice No.1/95 dated 26.4.1995 are liable to be set aside and quashed. Accordingly, they are hereby set aside and quashed. Further, we direct the respondents to complete the process of recruitment to the posts of Stenographer (English) aforesaid in accordance with law and rules within three months from the date of their receipt of this order.

10. All the above Original Applications are allowed in the lines indicated above. No order as to costs.

In this connection, the applicant begs to state that alongwith him there are 15 other candidates also duly recommended for appointment to the post of stenographer and while none of the recommended candidates is appointed, publication of another advertisement is creating suspicion. Special health check-up for LP students

From Our Correspondent

BONGAIGAON, June 18—A meeting of the Bongaigaon District Development Committee was held on June 10. The meeting discussed the implementation of special health check-up programme for primary school students in the district and asked the Joint Director of Health Services to prepare a plan to cover all the students of 963 LP schools in the district.

Addressing the meeting the Deputy Commissioner, Atul Ahmed requested the heads of various development departments to submit future plan of action to develop the district with locally available resources.

The meeting also decided to utilise the water resources available in the district and the community polytechnic scheme of Bongaigaon Polytechnic for the benefit of the youth.

Land revenue: The State Government has decided to enhance land revenues of

Bongaigaon town as per Land Revenue Re-assessment Act, 1936. People who want to submit objections to the enhancement of land revenue may do so within six weeks from the date of publication of fixation notification in the Assam Gazette, says an official press release.

Lawyers' resentment: The Bongaigaon Lawyers' Association opposed the move to transfer the cases under Railway Properties (Unlawful Possession) Act, Motor Accidents Claims, Workmen Compensation Act, Consumer Forum etc to Guwahati. A resolution was adopted to this effect in a meeting of the Association held on June 7 under the presidentship of Sri Gopul Chandra Das. The meeting expressed resentment at the move made by the Government without considering the difficulties and financial implications for the litigant public.

Convicted for murder: The Session Judge, Bongaigaon, M M

Sarkar convicted Abdul Rahman of Monakocha village under Manikpur Police Station to undergo rigorous imprisonment for seven years and to pay a fine of Rs 50,000 or in default to undergo further rigorous imprisonment for two years under Section 447 of IPC for murdering Kanteswar Das of the same village.

The accused Abdul Rahman attacked Kanteswar while ploughing in the field on February 27, 1989 with a lathi. The injured Kanteswar died on his way to the hospital.

Sri R N Das, Public Prosecutor appeared for the State while Sri M Mahmud, advocate defended the accused.

Dhurno staged: The Kamrup district committee of the Assam Press Correspondents Union staged a two-hour dharna on June 7 in front of the Circle Office of Palashbari in protest against the killings of Parag Kr. Das, Executive Editor of Asomiya Pratidin, Pabitra Narayan Chutia, Dipak Sargiary and Manik Deori.

Special health check-up for LP students

From Our Correspondent

BONGAIGAON, June 18—A meeting of the Bongaigaon District Development Committee was held on June 10. The meeting discussed the implementation of special health check-up programme for primary school students in the district and asked the Joint Director of Health Services to prepare a plan to cover all the students of 963 LP schools in the district.

Addressing the meeting the Deputy Commissioner, Astab Ahmed requested the heads of various development departments to submit future plan of action to develop the district with locally available resources.

The meeting also decided to utilise the water resources available in the district and the community polytechnic scheme of Bongaigaon Polytechnic for the benefit of the youth.

Land revenue : The State Government has decided to enhance land revenues of

Bongaigaon town as per Land Revenue Re-assessment Act, 1936. People who want to submit objections to the enhancement of land revenue may do so within six weeks from the date of publication of fixation notification in the Assam Gazette, says an official press release.

Lawyers' resentment : The Bongaigaon Lawyers' Association opposed the move to transfer the cases under Railway Properties (Unlawful Possession) Act, Motor Accident Claims, Workmen Compensation Act, Consumer Forum etc to Guwahati. A resolution was adopted to this effect in a meeting of the Association held on June 7 under the presidentship of Sri Gopal Chandra Das. The meeting expressed resentment at the move made by the Government without considering the difficulties and financial implications for the litigant public.

Convicted for murder : The Session Judge, Bongaigaon, M M

Sarkar convicted Abdul Rahman of Monakucha village under Manikpur Police Station to undergo rigorous imprisonment for seven years and to pay a fine of Rs 50,000 or in default to undergo further rigorous imprisonment for two years under Section 447 of IPC for murdering Kanteswar Das of the same village.

The accused Abdul Rahman attacked Kanteswar while ploughing in the field on February 27, 1974 with a billhook. The injured Kanteswar died on his way to the hospital.

Sri R N Das, Public Prosecutor appeared for the State while Sri M Mahmud, advocate defended the accused.

Job interview : **Job selection**

By A Staff Reporter

GUWAHATI, June 18—The failure of the N F Railway authorities to appoint any of the 16 successful candidates in the post of Stenographer even after six months from the date of announcement of interview results, for the purpose, has been viewed by the conscious circles here as one more bid to deprive the indigenous people of job opportunities in the Railways by some vested interest circles.

Dharna staged : The Kamrup district committee of the Assam Press Correspondents Union staged a two-hour dharna on June 7 in front of the Circle Office of Palashbari in protest against the killings of Parag Kr. Das, Executive Editor of Asomiya Pratidin, Pabitra Narayan Chutia, Dipak Sargiari and Manik Deori.

According to knowledgeable sources, the Railway Recruitment Board, Guwahati, had declared ten general, two each of the Scheduled Caste, Scheduled Tribe and OBC category candidates, eligible for the post of Stenographer through a newspaper notification on December 12, 1995. Most of these job seekers were local youths.

But, despite there being some vacancies against the posts, the N F Railway authorities have been allegedly showing no interest to absorb any of the selected candidates, allege the sources.

Written statement for and on

behalf of the respondents.

The answering respondents beg to state as follows :-

1. That the answering respondents have gone through a copy of the application filed by the applicant and have understood the contents thereof.
2. That save and except the statements which are specifically admitted here-in-below, other statements made in the application are categorically denied. Further, the statements which are not borne on records are also denied.
3. That with regard to the statements made in paragraphs 6.1 to 6.9 of the application, the answering respondents do not admit anything contrary to relevant records of the case.

4. That with regard to the statements made in paragraph 6.10 of the application, it is stated that the respondent no. 2, i.e. General Manager(P), N.F. Railway, Guwahati, ~~is~~ is not duty bound to appoint the applicant as recommended by the Railway Recruitment Board. Merit empanelment does not give indefensible right to be appointed. In this connection, provision of Indian Railway Establishment Manual Vol. I (Revised Edition 1989) para 113 may be referred to which reads inter-alia - "Selection of a candidate by a Board or a Railway administration is, however, no guarantee of employment on the railway which is subject to his qualifying in the prescribed medical examination and to his being otherwise suitable for service under Government." It was also made clear to the applicant that the selection of the candidate by the Railway Recruitment Board does not confer any right on the candidates for the post through General Instruction No. 17 of the Employment Notice No. 1/95, against which the applicant made his application for the post of Junior Stenographer (English) in scale Rs.1200-2040/-.

5. That with regard to the statements made in paragraph 6.11 of the application, it is stated that the list of 16 candidates including the name of the applicant was recommended on 9.11.95 to the respondent no. 2 for appointment. The respondent no. 2 in his turn while processing the case for scrutiny of the bio-data and other

documents etc. as required, received from the Railway Recruitment Board along with the list of 16 candidates, received complaints of malpractices and gross irregularities in the selection process. Confidential letter from the Chief Vigilance Officer, N.F. Railway, Malignon, was received advising the respondent no. 2 to pend offering letter of appointment. The letter of the Chief Vigilance Officer, in fact, reads as under :-

"... As a number of complaints have been received alleging adoption of malpractices in the above recruitment and the same are under investigation, it is requested that no appointment letter for the post of Jr. Stenographer (English) should be issued till a clearance is given by Vigilance."

Thus, in view of above, respondent no. 2 refrained from taking further action for issuing appointment letters to the applicant. Subsequently the respondent no. 2 received a letter from Railway Board, for cancelling the recruitment proceedings of Jr. Stenographer (English) due to numerous irregularities detected by the Vigilance Deptt. Copy of the letter is annexed as ANNEXURE R.s/I.

6. That with regard to the statements made in paragraph 6.12 of the application, the answering respondent do not admit anything contrary to relevant records of the case.
7. That with regard to the statements made in paragraph 6.13 of the application, it is stated that this is

not relevant with the cases of 13 applicants against O.A. no. 142/96 to 155/96, who were recommended by the Railway Recruitment Board, Guwahati. The advertisement Notice No. 1/96 dated 20.5.96 was for additional 8 posts of Stenographer (English) in scale Rs. 1200-2040/- This has got no bearing with the panel in question.

Another Employment Notice No. 2/95, Category No. 1 is for the post of Office/ Clerk in scale Rs. 950-1500/-. This category is quite different from the category of Junior Stenographer (English) in scale Rs.1200-2040/- and as such, this has no relevance with the case of Junior Stenographer (English).

8. That with regard to the statements made in paragraph 6.14 of the application, the answering respondents do not admit anything contrary to relevant records of the case.
9. That the answering respondents submit that the aforesaid selection has to be cancelled in view of various irregularity and malpractices in the selection. As already pointed out above, mere empanelment of a candidate does not give any indefeasible right of appointment. The candidates were well aware of the decision to cancel the selection. The said decision has been taken in the greater public interest.

Contd....5

10. That the answering respondents crave leave of the Hon'ble Tribunal to submit additional written statement in case the same is found to be necessary in due course.

11. That in view of the facts and circumstances stated above, the instant application is not maintainable and liable to be dismissed.

VERIFICATION.

I, M. BRAHMO, aged about 36 years, by occupation Railway Service, working as Deputy Chief Personnel Officer of the Northeast Frontier Railway, do hereby solemnly affirm and state that the statements made in paragraphs 1 and 2 are true to my knowledge, those made in paragraphs 3 to 8 are true to my information being matters of records and the rests are my humble submission before this Hon'ble Tribunal.

There-after, the applicant has filed consolidated O.A. However,

since the amendment has been allowed which has now been incorporated in the consolidated petition, the respondents beg to file this additional written statement dealing with the amended portion.

2. That the respondents have gone through the amended portion of the O.A. and have understood the contents thereof. Save and except the statements which are specifically admitted hereinbelow, other statements made by the applicant are categorically denied. Further, the statements which are not borne on records are also denied.
3. That in the earlier pwritten statement, it has already been stated that the selection in question pmsuant to which the applicant has staked his claim for appointment has already been cancelled in view of the various irregularities and malpractices in the selection. The irregularities found in the selection of Junior Stenographer in scale Rs. 1200-2040/- against Employment Notice No. 1/95 dt 26.4.95 conducted by the Railway Recruitment Board, Guwahati, which has necessitated cancellation of the entire selection are as follows :-
 - (a) In the advertisement of Jr. Stenographer, required qualification was mentioned only as Matriculate without indicating anything about the qualification of diploma in

- 3 -

shorthand and type-writing. The advertisement also did not stipulate production of diploma certificate. As a result, many of the candidates did not submit the same although they were qualified both in shorthand and type-writing and had diploma certificate. However, the Railway Recruitment Board, Guwahati, rejected the candidature of many eligible candidates on the ground of non-submission of diploma certificate, thereby deserving eligible candidates were deprived of consideration for selection.

(b) Sample test checks revealed mistakes in totalling in the written paper and in computation of marks which has resulted in empanelment of candidates securing less marks and exclusion of candidates securing more marks.

(c) In the recruitment process, it has been found that all the three stages of testing, the knowledge and quality of the candidates have been handled by a single individual (Member Secretary, Railway Recruitment Board) instead of getting the works done by different qualified persons as under :-

- (i) Setting of question paper for written test.
- (ii) Selection of dictation passage.
- (iii) Preparation of final marksheet including marks for viva-voce test only done by MS/RRB himself without any signature from other two members. This has raised doubts of malpractice by MS/RRB.

Contd....4

(d) As per Board's extant instruction 15% of marks for written test and viva-voce together is required to be fixed for viva-voce. But in the subject selection, RRB/Guwhati, had adopted 15% of the sum total of marks for written test (200 marks) Shorthand test (300 marks) as well as viva-voce marks (90 marks). The marks of shorthand test (300) was therefore irregularly included in computing the marks for viva-voce test. This has allowed the selection authority undue flexibility in the final allocation of marks of a candidate though he might have secured less marks in written test.

(e) In a number of cases it has been noted that marks once allotted in the shorthand transcription sheets have been over-written/defaced and new marks allotted, ostensibly to favour the candidates of evaluator's choice.

(f) It has been noted in some cases, that though the shorthand dictation scripts do not contain certain materials of dictated passage, the type transcription sheets contain the material of the dictated passage and in a better way. This indicates adoption of malpractice in conducting the shorthand test.

(g) On a visual checking, it has been noted that in certain answer scripts (transcription sheet) containing poor performance, higher marks have been allotted in comparison to that containing better performance.

The above irregularities in the selection are only illustrative and not exhaustive. In any case, with the above irregularities detected in the selection, the respondents were left with no other option than to cancel the entire selection. By doing so, no irregularity has been committed by the respondents - rather the same has been done in the larger public interest which has also brought confidence among the public. The irregularities were detected upon an enquiry conducted by the Vigilance Deptt. of the Railways and in consideration of such enquiry, the selection in question has been cancelled and the applicant should not ~~question~~ make any grievance against the same.

4. That with regard to the statements made in paragraph 6.17 of the O.A., the respondents reiterate and reaffirm the statements made here-in-above.

5. That under the facts and circumstances stated above, none of the grounds urged by the applicant towards granting the reliefs prayed for are sustainable and accordingly, the applicant is not entitled to any relief as has been claimed.

6. That in view of the facts and circumstances stated above, the O.A. is liable to be dismissed with cost.

VERIFICATION.

matter was investigated by vigilance, whereas acting upon the vigilance report the railway board cancelled the recruitment panel on various irregularities and not a single word of malpractice was spoken in the cancellation order.

3. That the ground shown in the Addl. written statement in para 3(a) that qualification of diploma of shorthand and type writing was not shown in the advertisement is not correct.

4. That in para 3(e), the statement goes thus - "In a number of cases it has been noted that marks once allotted in the shorthand transcription sheet have been over-written/defaced and new marks allotted, ostensibly to favour the candidate of evaluator's choice." In this statement the respondents did not state that the marks given in the applicant's book was changed or over-written. In this connection, it is to be stated that in response to the advertisement notice i.e. Annexure - III as many as 2120 candidates applied and 1520 appeared in the written test, out of which 172 were tested in short hand speed test and subsequently 47 were sent for viva-voce test and finally empanelled candidates were sent for appointment.

5. That it is very natural as stated in para 3(e) that in a number of cases it has been noted that marks once allotted in the shorthand transcription sheet have been over-written/defaced and new marks allotted, ostensibly to favour the candidate of evaluator's choice." In other words.....

words in the answer scripts of 125 candidates who were declared unsuccessful this over-writing act might have done and it never happened in the case of the applicant.

6. That in reply to the statement made in para 3(f), the applicant beg to state that dictation taken by one stenographer does not tally with that of another. It is humanly impossible to read and to type out a shorthand script of one stenographer by another. The applicant appeared in the speed test not to obtain a diploma on stenography, but to type out correctly the dictation passage and as such the allegation of malpractice does not exists at all.

7. That in view of the facts stated above, the written statement as well as the Addl. written statement filed by the respondents have totally failed to make out the case of malpractice and as such both the documents are not tenable under the law and there is a very little help to this Hon'ble Tribunal for arriving at a correct decision and as such both the documents are without any merit.

8. That the written statement and the Additional written statement speak of crudest form of arbitrariness affected by bias and/or actuated by malafides.

9. That the present rejoinder is filed bonafide and in the interest of justice.

IN THE MATTER OF :-

Reply to the rejoinder filed by
the applicant.

The answering respondents beg to state as follows :-

1. That the answering respondents have gone through the copy of the rejoinder filed by the applicant and have understood the contents thereof. Save and except the statements which are specifically admitted here-in-below, other statements made in the rejoinder are categorically denied. Further, the statements which are not borne on records are also denied.
2. That with regard to the statements made in paragraph 1 of the rejoinder, the answering respondents do not admit anything contrary to the relevant records.

Contd.....2

Re? folio 18

3. That with regard to the statements made in paragraph 2 of the rejoinder, the answering respondents beg to state that the recruitment panel has been cancelled in view of various irregularities as pointed out in the vigilance report. The irregularities pertaining to the selection and publication of the panel have already been highlighted in the additional written statement. Investigation was carried out on the basis of the complaints. Irregularities in the entire process of selection includes malpractices also.

4. That with regard to the statements made in paragraph 3 of the rejoinder, while denying the contentions made therein, the answering respondents beg to state that in the advertisement, submission of diploma certificate along with application form was not mentioned as a consequence of which many eligible candidates did not submit their certificates along with the application form. As already stated in the written statement, their such applications were rejected on the ground of non-submission of diploma certificate which needless to say, deprived many eligible candidates otherwise eligible for consideration. In the advertisement, the qualifications stipulated was as under :-

"Category : 7 - Stenographer (English).

Qualification : Matriculate.

Speed : 80 words per minute and 40 words per minute in Shorthand and Type-writing respectively.

Knowledge of Hindi Stenography is an additional qualification and will be given preference.

Age : 18 to 30 years.

From the above, it is clear that although the qualification 'matriculate' was specifically mentioned with required speed in Shorthand and Type-writing, the advertisement did not mention anything about the submission of diploma certificates in respect of Shorthand and Type-writing. Thus, going by the advertisement, although it was not specified to produce the diploma certificates but on scrutiny of application forms same was made obligatory as a consequence of which the Railway Recruitment Board rejected many applications on the ground of non-submission of diploma certificates in support of qualifications in Shorthand and Type-writing. Needless to say, this has resulted serious mis-carriage of justice and has caused prejudice to many eligible candidates who were otherwise eligible under the terms of the advertisement. This has vitiated the entire selection process.

6. That with regard to the statements made in paragraphs 4 and 5 of the rejoinder, the answering respondents beg to state that in a number of cases marks once

allotted were changed, over written/defaced and new marks were allotted by the evaluator. This is one of the grounds for which entire selection was held to be vitiated and accordingly, the entire selection was cancelled. As regards statements regarding number of candidates applied for the post appeared in the written test, speed test and viva voce test, the answering respondents beg to state when irregularities were detected through-out the process of selection amongst the said candidates, as a policy decision, the entire selection was cancelled. Amidst the irregularities were detected, such cancellation of selection was the best course opened which needless to say, has brought confidence to the public in general, more particularly, the eligible candidates who either appeared in the selection or could not appear in the selection because of non-submission of diploma certificates. In such a selection wherein such irregularities as pointed out in the additional written statement come to light, it is immaterial as to whether there was any over-writing and/or addition of new marks in any particular answer script. The selection process cannot be individualised and will have to be taken as a whole. Among the applicants who have approached this Hon'ble Tribunal by filing various O.A.s, it has been found that there is over-writing to the marks already allotted by the evaluator. In some cases totalling mistakes were also detected. Mention may be made of Shri P. J. Das (Applicant in O.A. 146/96), Smt. Kamala Deka (applicant

in O.A. 145/96), Sri Mrittunjay Ghosh (applicant in O.A. 150/96), Shri Rupak Chakraborty (applicant in O.A. 151/96). Shri Pabitra Kr. Kakoti (applicant in O.A. 151/96). Shri Pabitra Kr. Kakoti has been shown to have obtained 124 marks in the written examination as against actual mark 116. This was because of mistake in totalling. If the marks of written examination is correctly calculated (116 marks), in that case, he get total marks of 353 instead of 361 and would not have been empanelled, as in that case one Shri Sujit Chakraborty (Roll No.810556) who has obtained total of 360 marks would have been empanelled. When such mistakes have been detected in a number of cases including over-writing in the total marks, coupled with many other irregularities as indicated in the additional written statements, there was no option left for the competent authority than to cancel the entire selection. The applicants cannot individualise their case at the cost of the larger interest.

6. That the answering respondents categorically deny the contentions made in paragraph 6 of the rejoinder. The applicant has totally misunderstood and misinterpreted the averments made in paragraph 3(f) of the additional written statements. It is not correct that dictated passages taken in Shorthand cannot be read out altogether by a Shorthand expert.

65
S
J

7. That with regard to the statements made in paragraphs 7, 8 and 9 of the rejoinder, the answering respondents categorically deny the contentions raised there-in and the applicant is put to the strictest proof there-of. It is categorically denied that the written statements filed by the respondents speaks of crudest form of arbitrariness effected by biased and/or actuated by malafide. The selection in question has been cancelled with a view to bring fairness and transparency in the method of selection. The applicant cannot claim as a matter of course for being appointed to the railway service. Amidst the irregularities detected in the entire process of selection, there was no option left for the competent authority to cancel the entire selection which has brought confidence among the general public, more particularly, amongst the eligible candidates.

8. That in view of the facts and circumstances stated above, the cancellation of the selection was just and proper and the Hon'ble Tribunal would be reluctant to interfere with the same and the O.A. filed by the applicant is liable to be dismissed with cost.
