31.1.96

Respondent No.2, the Superintending Engineer, Assam Central Circle, CPWD, Guwahati has received notice on 29.1.96. Respondent No.3, the Executive Engineer, Meghalaya Central Division, C.P.W.D., Shillong has also received the notice according to the information received by learned Addl.C.G.S.C Mr. G.Sarma. *Mo Show cause reply is submitted*
Learned counsel Mr M.Chanda for the applicant submits for admission of the application under Section 19 of the Administrative Tribunals Act, 1985 and prays for interim relief order. According to him the applicant is presently working as Work Assistant under the department of C.P.W.D., Govt. of India, Ministry of Urban Development, New Delhi and now posted at Meghalaya Central Division, C.P.W.D., Shillong. He contends that Work Assistant is a skilled artisan and his superannuation is governed by FR 56(b), and he is due to retire on attainment of the age of 60 and not on attainment of the age of 58. In support of his contention he also places reliance on (1) 1991 (3) S.L.J.(CAT) 355, Shri Beni Prasad Vs. Union of India & Ors. and (2) O.A.No. 331 of 1993 decided by Cuttack Bench of the Central Administrative Tribunal, on 23.9.93, Shri D.K.Chatterjee Vs. Union of India & Ors. He has stated that the respondent No.3, the Executive Engineer, Meghalaya Central Division, C.P.W.D., Shillong has issued a notice requiring the applicant to retire in the afternoon on 31.1.96 and this notice has been hanged on the notice board of the office of the aforesaid Executive Engineer. The applicant was also directed to submit Pension papers for necessary processing of retirement benefit. He has further pointed out to Annexure-3 letter No.9(8)/MGCD/

31.1.96

96/85 dated 12th January, 1996 issued by the Executive Engineer, Meghalaya Central Division, C.P.W.D., Shillong to the Superintending Engineer, Assam Central Circle, CPWD., Guwahati seeking clarifications whether the applicant should be released on 31.1.96 after attaining the age of 58 years.

Learned Addl.C.G.S.C Mr G.Sarma strongly opposes both admission and interim relief.

Heard counsel of the parties and perused the contents of the application. There is prima facie case for scrutiny and decision. Application is admitted. Learned Addl.C.G.S.C prays for 4 weeks time for written statement.

List on 18.3.1996 before Division Bench for written statement and further order.

Heard learned counsel of both sides on interim relief prayer. The respondents No.1 to 3 are directed not to retire the applicant from service till disposal of this application. Liberty is granted to the respondents to apply for alteration, modification or cancellation of this interim order, if so advised.

Learned Addl.C.G.S.C Mr Sarma prays for expeditious disposal of the application. This prayer will be considered on 18.3.96.

ORDER

1.2.96

Called the records of the O.A. in presence of learned counsel Mr M.Chanda for the applicant and learned Addl.C.G.S. C Mr G.Sarma for the respondents.

Judgment of the Hon'ble Supreme Court in the case of Civil Appeal No. 1497/93 with No.1498/93 and SLP No.3175 of 1994 etc. decided on 27.1.1995 and reported in 1995 SCC (L&S) 522, State of Orissa and Ors. Vs. Adwait Charan Mohanty & Ors. has come to my notice. Perused the interim order dated 31.1.96 above. I am prima facie of the opinion that the aforesaid interim order should not continue.

Heard learned counsel of both sides. I am not inclined to continue the interim order passed on 31.1.96 above and accordingly the same interim order is hereby vacated. However, it is made clear that the retirement order issued by the respondents directing the applicant to retire from service with effect from 31.1.96 (AN) shall be subject to the result of this case. It is also made clear that this order shall not preclude either side to make their submissions on the aforesaid judgment of the Hon'ble Supreme Court during the course of final hearing of this O.A.

At this stage Mr Chanda fairly submits that subject to the final result of the O.A. he will not claim pay and allowances for the period after 31.1.96.

Copy of this order may be furnished to the counsel of both sides.

BARUAH. J. (V.C.)

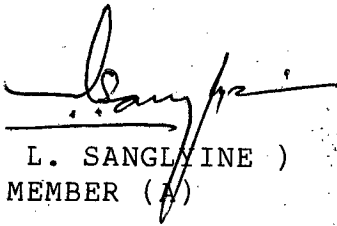

The present application is covered by a decision of this Bench of the Tribunal passed on 12.6.1996 in original application No.160 of 1994. The said judgment was delivered by this Bench after following the judgment of the Apex Court in State of Orissa and others -vs- Adwait Charan Mohanty, reported in 1995 (2) SLJ (SC) 199, and the order passed by this Tribunal in original application No.31 of 1995 on 6.12.1995.

B

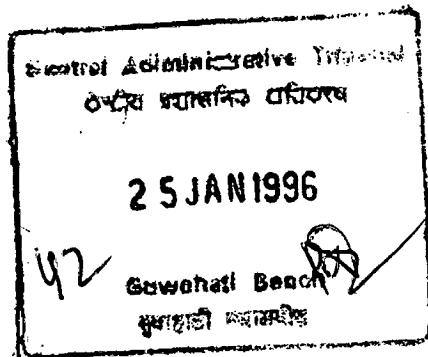

2. The case of the applicant is that he is a skilled worker and therefore, his age of superannuation should be sixty years instead of fiftyeight years. This point was rejected by this Tribunal in the original application No.160/94 which was decided following the decision of the Apex Court in Adwait Charan Mohanty's case (Supra) and the decision of this Tribunal in original application No.31/95.

3. We have heard Mr M. Chanda, learned counsel for the applicant and Mr G. Sarma, learned Addl. C.G.S.C. Mr Chanda submits that the present case is squarely covered by the aforesaid decisions. Mr Sarma has also made similar submissions. In view of the above decisions Mr Chanda submits that the applicant does not want to press the application.

4. The application is accordingly dismissed. No order as to costs.

5. Limitation.

The applicant further declares that the case has been filed within the limitation period as prescribed under the Central Administrative Tribunal Act, 1985.

6.....

S. Dargham Singh

6. Facts of the case.

1. That the applicant is a citizen of India, as such he is entitled to all the rights and privileges guaranteed by the Constitution of India.

The applicant is presently working as work Assistant under the Deptt. of CPWD., Govt. of India, Ministry of Urban Development, New Delhi and now posted at Meghalaya Central Division, Central P.W.D., Shillong-3.

2. That the applicant was initially appointed as Work Assistant in the Central Public Works Department, Govt. of India in the work charged establishment in the year 1962. He is serving in this department as Work Assistant for about more than 34 years in the same department.

3. That the applicant thereafter was brought under classified regular establishment of the CPWD.

4. That in the year 1982 the President of India was pleased to order that the staff of following 9 categories who were engaged in the works fully under the schedule employment as listed in the minimum wages Act (Central Rule 1950). The details of 9 categories are given below :-

1. Surveyor.....

S. S. S. Singh

1. Surveyor.
2. Lift Operator.
3. Sewer man.
4. Fireman.
5. Road Inspector.
6. Lift Khalashi.
7. Dhireman Jamadar.
8. Superintendent (E & M).
9. Work Assistant.

From above, it appears that the category in which the applicant is working is falling under the schedule employment as listed in the minimum wages act (Central Rule 1950).

5. That the category of work assistant which was declared and listed under the schedule employment as listed in the minimum wages act (Central Rule ~~195~~ 1950). Therefore, the applicant is entitled to retire on superannuation on attaining the age of 60 years in terms of F.R. 56(b) wherein it is stated as follows :-

"A Workman who is governed by this rule shall retire from the service on the afternoon of the last day of the month in which he attains the age of 60 years".

Note :-

S. Jaisankar Singh

Note :- In this clause, a work man means a highly skilled; semi skilled or un-skilled artisan employed on a monthly rate of pay in an Industrial or Work Charged Establishment".

The applicant is an artisan staff and he is in highly skilled category. The salary of the applicant used to be charged in the Maintenance work like other work charged staff.

Therefore, he is entitled to retire on superannuation on attaining the age of 60 years in terms of F.R. 56(b).

6. Most surprisingly, the Executive Engineer, ✓ Meghalaya Central Division, CPWD., Shillong, issued a notice in respect of applicant stating to retire the applicant on superannuation on attaining 58 years of age from the Govt. service on 31.1.96. The said notice was hanged in the office of the Executive Engineer, Meghalaya, Central Division C.P.W.D., Shillong-3. The said notice which was hanged on the notice board of the office of the Executive Engineer, without indicating any letter No. or date and no copy

of.....

S. Jaisankar Singh

of formal notice of retirement has been issued to the applicant. However the Respondent No. 3 under his letter No. 9/8/95-MGCD/1729 dated 4.9.95 also issued a reminder vide letter No. 9(8)/95 - - MGCD/2132 dated 6.11.95 whereby the applicant is asked to submit pension forms for processing pension of the applicant and also for submission of the same to the pay and accounts office. The said notice of retirement and subsequent letter dated 4.9.95 and 6.11.95 issued to the applicant without considering the details of the applicants category and entitlement of service benefit under FR.56(b) where it is specifically stated that the work man who is governed by this rule shall retire from service on the afternoon of the last day of the month in which he attains the age of 60 years whereas the applicant by now attained only about 58 years, therefore, notice of retirement on attaining 58 years of age is highly illegal, arbitrary, and violative of Article 14, and 16 of the Constitution of India. The notice of retirement on superannuation on attaining 58 years of age in the instant case of applicant has infringed the fundamental right of the applicant therefore the illegal notice of retirement are liable to be set aside and quashed.

The.....

S. S. S. S. S.

The applicant made his best effort to obtain the copy of retirement notice but could not obtain the same inspite of his best effort. Therefore the Hon'ble Tribunal be pleased to direct the respondents to produce the formal copy of retirement notice in respect of the applicant for perusal of the Hon'ble Tribunal.

A copy. of the letter dated 6.11.95 is annexed as Annexure - 1.

7. That the applicant being aggrieved by the notice of retirement on superannuation on attaining the age of 58 ye_ars filed a representation before the Executive Engineer, Meghalaya, Central Division, CPWD, Shillong, whereby the applicant requested that he is entitled to retire from service on superannuation on attaining the age of 60 years as he is serving in the cadre of work assistant. The applicant also mention in his representation dated 11.12.95 that similarly circumstanced employees of C.P.W.D. who were serving in the cadre of work assistant were retained in service till completion of 60 years of age as per the judgement and order dated 23.9.93 passed in O.A. No. 331/93 by the Hon 'ble Cuttak Bench and also referred the case of one Sri S.R. Sarkar , Work Assistant, Assam Aviation Works

Division C.P.W.D., Guwahati whose continuation of service is allowed beyond 58 years of age following the interim order dated 16.8.94 passed in O.A. N o. 160/94 and the case of Sri Sarkar is still pending before the Hon'ble Tribunal. However, the representation of the applicant was forwarded by the Executive Engineer, Assam Central Circle, C.P.W.D., Guwahati vide office letter No. 9(8) MGCD/95/2432 dated 19.12.95 .

A copy of the representation dated 11.11.95 is annexed as Annexure - 2.

8. That the Executive Engineer vide his letter No. 9(8)/MGCD/96/86 dated 12.1.96 address to Respondent No. 2 and requested him to instruct the office of the Respondent N o. 3 as to whether the applicant who is serving as work Assistant is to be retired on 31.1.96 as due to retire for attaining the age of 58 years. It is requested that this matter may be treated as most urgent and also requested for early decision, but no decision has been communicated to the applicant till date.

A copy of the letter dated 12.1.96 is annexed as Annexure - 3.

9.....

9. That the applicant was initially appointed in the cadre of work assistant in the year 1962 and he has rendered about 34 years of service in the cadre of work assistant. There was no avenue of promotion in the cadre of work assistant and in the similar circumstances Sri Beni Prasad work assistant of C.P.W.D. had filed a original application before the ~~Re~~ Principal Bench, New Delhi, ~~claiming~~ claiming for retirement on completion of 60 years of age in terms of FR. 56(b) and also claimed in the said application that the work assistant falls under the category of skill worker. The Hon'ble Principal Bench after hearing both Respondents and applicant upheld the claim of the applicant Sri Beni Prasad vide judgement and order dated .

Therefore the applicant also similarly circumstanced and being a skilled worker entitled to retire on attaining 60 years of age. This Hon'ble Tribunal also rejected the Misc. application for vacating the stay order which was passed on 16.8.94 in O.A. No. 160/94 (Sri S.R. Sarkar - Vs- UOI & Ors.) and allowed Sri Sarkar to continue in service beyond 58 years of age.

Copy of the order dated 16.8.94 and order dated are enclosed as Annexures- 4 and 5.

10.....

S. Sarab Singh

10. That the applicant is a Skilled Artisan who is working in the Post of work Assistant which was brought to the regular classified establishment & cannot be made to retire in terms of F.R.56(a) i.e. on attaining the age of 58 years arbitrarily, the applicant being skilled artisan entitled to retire from service on superannuation on attaining the age of 60 years in terms of F.R. 56(b) and not in terms of F.R.56(a). Therefore, the notice issued by the Executive Engineer Electrical Division, CPWD, Shillong, is liable to be set aside and quashed.

11. That the similar situation arises in the case of Sri D.K. Chatterjee, Work Assistant of ^{C.P.W.D.} CPWD, who filed an application before the Hon'ble Central Administrative Tribunal, Cuttack Bench which was registered as O.A. 331 of 1993 also challenged the notice of retirement on superannuation of attaining 58 years and claimed for retirement on superannuation on attaining the age of 60 years in terms of F.R.56(b) and the Hon'ble Cuttack Bench of Central Administrative Tribunal after hearing the detail arguments of all the parties was pleased to allow the similar application vide judgement and order

dated.....

S. Sagar Singh

dated 23.9.93. It appears from the Judgement and order dated 23.9.93 that one Sri Beni Prasad was placed under similar circumstances like the present petitioner. Thereafter, he filed an original application before the Hon'ble Principal Bench, New Delhi, which was registered as O.A. 399 of 399 of 1986 also allowed vide its judgement and order dated 29.5.1991 wherein the Principal Bench observed keeping in view the provisions contained in F.R. Misc. Petition No. 99 of 1994 (O.A.150/94)

Date of Order : This the 30th Day of August, 1994.

Justice Shri M.G.Choudhary, Vice-Chairman.

Shri G.L.Sanglyine, Member (A).

Union of India & Others . . . Applicants

By Advocate Mr S.Ali, Sr.C.G.S.C. .

- Versus -

Shri S.R.Sarkar . . . Respondent.

By Advocate M/S J.L.Sarkar & M.Chanda.

O R D E R

CHOUDHARI J (V.C)

Submissions of Mr S.Ali, Sr.C.G.S.C for the applicants (original respondents) and Mr M.Chanda for the opponent - respondent(original applicant) are fully heard. For the sake of convenience the parties will hereafter be referred to according to their original description.

2. Union of India and others, respondents in the O.A.No.160/94 have applied by this petition for vacating the order of interim stay granted by us on 15.8.94 on the Original Application.

3. In the Original Application the applicant has prayed that the impugned notice of retirement issued to him be set aside and quashed and he be directed to be allowed to continue till his attaining the age of 60 years. By the impugned order the original applicant is being retired from service on superannuation on 31.8.1994 i.e. tomorrow.

contd... 2/-

The retirement of the original applicant has been proposed by the original respondents (hereinafter referred to as respondents) on the ground that he has attained the age of 58 years which is the prescribed age for retirement on superannuation under the CPWD Code. It is the contention of the applicant that by virtue of FR 56(b) his retirement would be on attainment of age of 60 years and he is being wrongly retired on attaining 58 years of age.

4. In the present application for vacating the stay
 ✓ (applicants)- original respondents contend that the (respondent) original applicant is being rightly retired on completion of 58 years of age under Section 10 of the CPWD Manual Vol. I read with para 7 of CPWD Code. It is their contention that the applicant is Work Assistant which is different from Regular (Classified) Establishment in the CPWD. He does not come under the category of Regular (Classified) Establishment and therefore he is regulated by the above mentioned provision and
 ✓ he is to retire on completion of 58 years of age. The (respondent) original applicant has filed reply to the petition and has relied upon the Award made between the CPWD administration and the workmen represented by CPWD Mazdoor Union rendered in case No. N. Arbitration/Con-1/86 dated 31st January, 1988 and contends that he accords to the description of being workman for the purpose of FR 56(b) and is therefore entitled to continue till attaining the age of 60 years. He has also placed reliance on the decision of the Cuttack Bench of the Central Administrative Tribunal in O.A. 331/93 dated 23.9.93.
5. The CPWD Code under the topic 'D-Temporary and Work Charged Establishments' provides inter alia that in addition to work charged staff, another category of establishment

huc

contd... 3/-

22

37

"Regular (Classified) Establishment" exists in the CPWD and salaries etc. of them are written back to the works outlay before appropriation accounts of the year are finalised. In respect of work charged staff transferred to the regular establishment it is ~~also~~ provided under the heading 'Classification, Character & Status of Work Charged posts' that although these staff is not classified in any group for certain matters like grant of leave, OTA, membership of Trade Union etc. the employees in the W.C. establishment are regarded as "Industrial staff and governed by industrial laws of the country as are applicable as per Para 1.04-CPWD Manual Vol-III. It is further provided that the FR's and SR's are also applicable to the work charged staff and that the work charged staff of CPWD are civil servants in terms of Article 311 of the Constitution of India. The Government of India's decision in respect of work charged establishment - transfer to certain categories of posts to the regular establishment, are stated together with a annexure with details mentioned therein regarding seniority, retention of quarters of work charged staff transferred to the regular establishment. In clause 7 of the Annexure-1 on which reliance is placed in the present petition by the respondents it is provided that the age of retirement in respect of those who are brought on to the regular establishment will be according to relevant rules applicable to the regular establishment and that the provision applicable to the work charged establishment that the age of compulsory retirement for all employees will be 60 years will not apply to any member of the work charged establishment who is brought on the regular establishment. On the face of record and after reading clause 7 it would ^{seem} ~~appear~~ that the applicant has no case. It may be mentioned that there is no dispute that the applicant was initially appointed as Work.

23
32
Assistant under work charged establishment who has been brought to the regular (classified) establishment. He claims to be an Artisan in highly skilled category. He is supervising the work on the construction and the maintainance side of the CPWD.

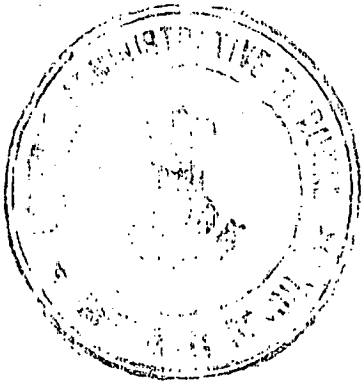

✓ however
6. What we find is that clause 7 referred to above is in conflict with FR 56 and therefore can no longer apply to the applicant. FR 56(b) provides that a workman who is governed by these rules (which means FR's/SR's) shall retire from service on the afternoon of the last day of the month in which he attains the age of 60 years, ^{the} but note below the clause says that the workman means a highly skilled, skilled, semi-skilled or unskilled artisan employed on a monthly rate of pay in an industrial or work charged establishment. Thus the applicant fulfils the requirements of clause (b). His contention about discrimination also stands supported from the arbitration award. In our prima facie opinion the case of the applicant is governed by FR 56(b) and thus he is not required to retire on his attaining 58 years of age but he is entitled to continue in service till he attains the age of 60 years as provided in clause(b) of FR 55. The decision of the Cuttack Bench of the C.A.T referred to earlier lends support to this view of ours.

✓
7. In the result, the Misc. Petition is dismissed and the original order of interim stay granted on 16.8.94 is confirmed and maintained. It is needless to add that the continuation of the applicant by virtue of the interim order shall be subject to the final result of the main application. Similarly the present order will be without

prejudice to both the parties on merits at the hearing of Original Application. There will be no order as to costs.

In the matter of :

Written Statement on behalf of
the Respondent No.1,2 and 3.

I, Shri P.K. Pandey, Executive Engineer,
Meghalaya Central Division, Central Public Works
Department, Shillong and Respondent No.3 do hereby
solemnly affirm and declare as follows :-

1. That a copy of application alongwith an order
passed by this Hon'ble Tribunal have been served
upon all the respondents and being called upon by
this Hon'ble Tribunal I do hereby file this written
Statement and show cause for vacation of the interim
order dated 31.1.96 restraining the respondents not
to retire the applicant. Further, I beg to state that

I.....

11-4-96

I am also authorised to represent No.1 and 2 in this case and as such they are also jointly defended by this Written Statement. Also I assert that save and except what is specifically admitted in this Written Statement, rest may be treated as total denial by all the respondents.

2. That with regards to the contents made in paragraphs 1 to 5 and 6.1 to 6.3 of the application, I beg to state that I have nothing to comment.

3. That with regards to the contents made in paragraph-6.4 of the application, I beg to state that the President of India was pleased to order for 9 nos. of categories of staff who were engaged in works fully under the schedule employment as listed in the minimum wages of act (Central Rule, 1950) is for the purpose of overtime works and not for the purpose of age of retirement beyond 58 years of age.

4. That with regards to the contents made in paragraph-6.5 of the application, I beg to state that the contents are not correct and hence denied. The applicant is not an Artission Staff and as such he is not entitled to be retired in the age of 60 years.

5. That with regards to the contents made in paragraph-6.6 of the application, I beg to state that.....

that it is a fact that notice of retirement w.e.f. 31.1.96 was issued to the applicant as he is not entitled to retire on superannuation on attaining the age of 60 years but as he is not an Artisian so he should go on retirement at the age of 58 years and hence the retirement was issued to him which is legal and valid.

6. That with regards to the contents made in paragraphs 6.7 and 6.8 of the application, I beg to state that the post of Work Assistant on Regular (Classified) Establishment is a Class-III (Group 'C') Non-Gazetted and Non-Ministarial post. A Work Assistant's job is supervisory only and he is not an 'Artisian' at all as he does not performs or does any job of an 'Artisian'.

The applicant is neither a workcharged staff nor Industrial staff. For certain matters like grant of leave, Overtime allowances, the Regular (Classified) staff is regarded as 'Industrial Staff'.

In para 7 of C.P.W.D. Code provides thus -
"The age of retirement of those who are brought on the Regular Establishment will be according to the relevant rules applicable to the Regular Establishment. The provisions applicable of the Work charged Establishment that the age of compulsory retirement for all employees would be 60 years will not apply to any member of Workcharged Establishment who is brought on to the Regular Establishment".

The applicant.....

The applicant is not an Artisian. He is not provided any tools of tool allowances by the Department, as done in cases of Artisian like 'Mason', 'Carpenter' etc. As per C.P.W.D. (Subordinate offices - Work Assistant and Road Inspector) Recruitment Rules, 1970 issued vide Memorandum No.39/3/71 of the then Engineer-In-Chief and now the Director General of Works, C.P.W.D. the post of Work Assistant is Class-III Non-Gazetted and Non-Ministerial post and as per terms and conditions of the above said memos governing the transfer of Work Assistant working against the post on Workcharged Establishment to the post of Regular Establishment, the age of retirement is same as for the other employees on Regular Establishment.

A copy of the extract of para-7 of C.P.W.D. Code is annexed herewith and marked as ANNEXURE-R.1.

That the applicant not being a workman or Artisian of any type and being on Regular Establishment is to retire not as per provisions of FR56(b) but as per provisions of FR 56(a) which provides as under -

"Except as otherwise provided in this rule, every govt. servant shall retire from service on the afternoon of the last day of the month in which he attains the age of 58 years".

The case referred by the applicant in para-6.8 of the application, being O.A.No.331 of 1993 decided by the Hon'ble Cuttack Bench vide it's order dated 23.9.93 has got no application in this case as the

Work.....

Work Assistant in that cases at the time of his retirement was on Workcharged Establishment whereas in the instant case the applicant at the time of his retirement is on Regular (Classified) Establishment.

That from the above provisions, the applicant being on Regular Establishment in Class-III Non-Gazetted and Non-Ministerial post and not being the workman of Artisian, can not be allowed to continue till he attains the age of 60 years which is applicable to workman/Artisian or Workcharged Establishment. The notice of retirement issued by the respondent is thus in conformity with the above provisions of Code and Recruitment Rules of Work Assistant.

7. That with regards to the contents made in paragraph-6.9 of the application, I beg to state that the same is not correct and hence denied.

8. That with regards to the contents made in paragraph-7.1 of the application, I beg to state that the applicant is not entitled to any of the reliefs sought for in view of the statements above and as such the application is liable to be dismissed.

9. That with regards to the contents made in paragraphs 7.2 and 7.3 of the application, I beg to state that in view of above facts the applicant is is to retire only on 31.1.96 at the age of 58 years.

That.....

10. That there being no any cause of action of the case, the present application is to be rejected outright. Hence the interim order dated 31.1.96 granted by this Hon'ble Tribunal is therefore liable to be set aside.

11. That the application is misconceived of fact and being led by illconceived of law, the same is not at all legally based and in such a situation, the application is to be rejected outright.

12. That the respondents crave leave of filing additional Written Statement if this Hon'ble Tribunal so desires.

13. That this Written Statement as well as the show cause for vacation of interim order is filed bonafide and in the interest of justice.

Explanatory Note: "Work-charged staff converted into Regular Establishment" is a distinct sub-head in the Demands for Grants for "Public Works". Such staff is like any other regular staff but the cost of their establishment is required to be written back during March (Sy) by a deduct entry "Establishment charges recovered on account of W.C. Staff converted into regular establishment" before Appropriation Accounts of the year are finalised so that the works concerned are duly debited pro rata with the cost of such establishment. The budget provision and the deduct entry balance each other. There should be no difference between the two set of figures as any difference would either depict diversion of funds without authority or credits to various funds etc., of subscribers would be unauthorised.
