..Respondents

ORDER (ORAL)

Justice Permod Kohli :-

Vide Order dated 19.08.2016 passed in OA No.2027/2011 following directions were issued:-

"18. In the interest of substantive justice, we overrule the objection of the respondents that prayer 8.6 cannot be entertained for reasons stated by them. We, therefore, allow this OA and quash impugned orders dated 11.08.2010, 18.12.2008 and 9.03.2009, directing respondents to include both the applicants as feeder cadre for IES and also grant them the pay scale of Rs.6500-10500 from 1.01.1996, as has been given to all other similarly situated persons. We fix a time frame of 90 days from receipt of a certified copy of this order for implementation of our directions. No costs."

2. The compliance affidavit has been filed. In para 9 of the compliance affidavit the following averments have been made:-

"9.....with the approval of the Competent Authority, has decided that Tariff Commission under DIPP may be included as participating Ministry/Department for providing feeder grade to the entry level of IES, to both the applicants, from the date of Tribunal's Order dated 19.08.2017. Accordingly both the petitioners will now be considered for promotion to IES against vacancies arising after 19.08.2016 (the date of Tribunal's Order) which falls in the vacancy year 2016-2017....."

3. This satisfies the directions of the Tribunal. Shri S.K. Das, learned counsel appearing for the applicants, submits

that on being included in the feeder cadre, they are entitled to further promotions, though, such a direction does not emanate from the Order passed by this Tribunal. However, respondents in para 9 and 14 of the compliance affidavit have further mentioned that the cases of the applicants are being considered by the DPC.

4. In this view of the matter, we do not find any ground to continue with this Contempt Petition, the directions having been satisfied. Proceeding dropped. In the event the applicants have any further claim, they are at liberty to seek appropriate remedy available under law.
