O R D E R (Oral)**Mr. V. Ajay Kumar, Member (J):**

Heard the learned counsel for the petitioners.

2. This Tribunal disposed of the OA No.2966/2011 on 19.02.2015 as under :-

"The learned counsel for the applicants submits that the relief claimed in the O.A. has already been granted by the respondents and orders were issued.

2. In the circumstances, the O.A. is disposed of, as no further orders are necessary. The respondents shall ensure the actual payment of the financial benefits to the applicants within three months. No order as to costs."

3. Alleging violation of the orders of this Tribunal, the present CP has been filed. Admittedly, the OA was disposed of as no further orders are necessary basing upon the statement made by the learned counsel for the petitioners himself that the relief claimed in the OA has already been granted to them. There was no positive direction to the respondents to act in any particular manner, though there is an observation that they ensure to pay the actual payment of the financial benefits to the petitioner within the fixed period.

4. In the circumstances, we do not find any reason to admit the present CP and accordingly the same is dismissed. However, this order shall not preclude the respondents from releasing the rightful financial benefits to the applicants, at the earliest. No costs.
