**O R D E R (ORAL)****Justice Permod Kohli:**

None for the parties even on second call. On the last date of hearing also, the parties remained absent.

2. It is seen that vide order dated 11.02.2016, the O.A. was dismissed in default. However, it was restored by the Tribunal on 08.07.2016 in M.A. No.1197/2016. It appears that the applicants are not interested to prosecute this case. Dismissed for default of appearance and non-prosecution.
