**ORDER (ORAL)**

This OA was restored on 07.02.2018 after having been dismissed in default earlier. However, the applicant is absent today and so is his counsel. Even on the last date of hearing, i.e., on 27.03.2018, adjournment was sought by applicant. Judged by the conduct of the applicant ever since he filed this OA, it seems that the applicant is not interested in pursuing this matter any further because at least, if once the OA having been dismissed in default, he should have been careful in pursuing this matter or at least be present on the hearing date.

2. Given the above circumstances, it is deemed appropriate that this OA be dismissed in default and for want of prosecution.
