...Respondents

(By Advocate : Shri Hanu Bhaskar)

ORDER (ORAL)

Mr. A.K. Bhardwaj, Member (J) :-

Shri Ajesh Luthra, learned counsel for applicants submitted that the controversy involved in the Original Applications i.e. the claim of the applicants

for grade pay of Rs.5400/- is in all fours of the judgment dated 09.12.2010 of Chennai Bench of this Tribunal passed in OA No.966 and OA No.967/2009 upheld by the Hon'ble High Court and finally by Hon'ble Supreme Court. According to him, following the aforementioned judgments, this Tribunal has decided catena of Applications, including the OA Nos.2823/2015 and OA No.2816/2015. The view taken by the Chennai Bench of the Tribunal (ibid) is that when private respondents before it, holding the position of Sr. Accountant and functioning under the control of the applicants, were granted higher grade pay, the anomaly was required to be removed and when the same could not be removed by lowering the Grade Pay of Sr. AO, the direction was issued to the respondents to grant the revised pay to the applicants by extending the benefit of MACP Scheme fixing their grade pay of Rs.5400/-. The operative part of the judgment reads thus :-

“6. From the records, it is seen that the applicants who were initially appointed as clerks and having been qualified in the departmental examinations at various stages have been promoted to the post of Accountants and Section Officers. Subsequently, the applicants were promoted as Sr. Accountants and Assistant Accounts Officers based on the seniority and all the applicants are holding the post of AAOs. The above facts are admitted by the official respondents in their reply. In the reply it is also admitted that the private respondents have not acquired the qualifying examinations for promotion as Section Officers and accordingly they were stagnated at the level of Sr. Accountants. When the facts are like this, it appears that on introduction of MACP Scheme while implementing the recommendation of the VI Pay commission's recommendations, three financial upgradations were extended to the private respondents. According to the respondents, they are rightly granted the third financial upgradation and the grade pay of Rs.5400/- was given to them based on the eligibility criteria or the above scheme. We are not in agreement that the above reasoning as contended by the official respondents as well as by the private respondents. When the fact remains that the applicants having qualified in the departmental examination and able to gain further promotions as per the Recruitment Rules and also exercising supervisory role as against the private respondents, we are at loss to note as to how they could be given lesser pay, whereas, the private respondents were given higher pay. We do not find fault with the official

respondents by devising the scheme to extend the benefits of such of those employees who are stagnating in service for number of years but that does not mean that in the guise of implementation of the said scheme, persons like the applicants who acquired the necessary qualifications, viz., completion of the departmental examinations and gained regular promotions as per Recruitment Rules could be given lesser scale of pay. The private respondents who are holding the position of Sr. Accountants functioning under the control of the applicants cannot be fixed in a grade pay higher than the applicants. Infact, F.R.22 provides for removal of anomalies by stepping up the pay of seniors when their juniors happened to draw more pay. In the instant case, the private respondents who are functioning inferior than the applicants and who are not even qualified to be promoted to the post held by the applicants are given higher pay scale in the guise of implementation of the scheme which is/ unsustainable in law.

7. Eventhough the Apex Court in its decision rendered in Secretary, Finance Department and others v. West Bengal Registration Service Association and others - 1993 SUPP (1) SCC 153 held to the effect that determination of pay scales is the primary function of the executives and not the judiciary, in the very same decision, the Supreme Court has emphasised that the Courts have jurisdiction to grant relief to the aggrieved employees why they are unjustly treated and when the state action is arbitrary. In the instant case, we are of the opinion that the applicants are unjustly treated in as much as higher pay scale is given to the private respondents who are functioning inferior than the applicants and who have not even qualified themselves to be promoted to the posts which are held by the applicants.

8. Eventhough, we are of the opinion that in the guise of implementation of the scheme, the private respondents are given the higher pay scales than the applicants and one of the relief claimed in the applications is to quash the office memorandum wherein such benefit is extended to the private respondents. In the interest of justice, we do not propose to take away such benefits which are being extended to the private respondents. However, we are inclined to give relief to the applicants by directing the respondents to extend the benefit of the MACP scheme in favour of hte applicants by fixing their grade pay at Rs.5400/- w.e.f. the date on which such benefit was extended to the private respondents.

9. For the reasons stated above, both the applications are disposed of in the following terms:

“There will be a direction to the respondents to grant the revised pay to the applicants by extending the benefit of MACP Scheme in favour of the applicants by fixing their grade pay at Rs.5400/- from the date on which the said benefit was extended to the private respondents and to disburse the accrued arrears, if any, to the applicants

within a period of four weeks from the date of receipt of copy of this order. However, there will be no order as to costs.”

2. In OA No.2816/2015, where Shri Hanu Bhaskar, learned Sr. Central Govt. Standing Counsel represented the respondents, the Principal Bench of the Tribunal passed the following the order :-

“5. In view of above, the impugned order at Annexure A-/I dated 07.05.2015 with direction to the respondents to examine the case of the present applicants whether they are similarly situated and if so grant the same benefits in the light of judgment of the Madras Bench in OA 966 & 967 of 2009. Respondents shall communicate their decision to the applicant through a reasoned order within a period of three months from the date of receipt of a copy of this order. Respondents shall also grant consequential benefits within a further period of two months of their decision as aforesaid.

6. OA is disposed of with the above directions.”

3. The order passed by the Principal Bench is quite innocuous, as in terms of the said order the respondents have been given liberty to verify whether the applicants are similarly situated i.e. whether they are in a situation identical to one in which the applicants before Chennai Bench were there and if the outcome of examination is positive to give them the benefit given to the applicants before Chennai Bench.

4. Shri Hanu Bhaskar, learned counsel for respondents submitted with vehemence that the applicants are located/posted at different places and they may be given two weeks' time at least to verify their particulars.

5. As we have noticed (ibid), the Principal Bench of the Tribunal has left it to respondents to verify whether the applicants seeking benefit of judgment of Chennai Bench are similarly situated or not. The verification is exhaustive and inclusive term and gives liberty to respondents to verify the posting/location particulars and posts of the concerned individuals.

6. In the circumstances, OA is disposed of in terms of the order passed by the Principal Bench of this Tribunal in OA No.2816/2015. Before benefit is extended to the applicants herein, the issue should be dealt with at the level of Secretary, Department of Expenditure, Ministry of Finance. Let the needful be done within 12 weeks from the date of receipt of a copy of this order. No costs.
