O R D E R (ORAL)

Mr. Sh. K.N. Shrivastava, Member (A):

The applicant while working as Yard Master in the pay scale of Rs.5500-9000/- in the year 2002 got injured. He was under treatment from 08.06.2002 to 14.02.2005. During this period,

(OA No.3321/2012)

(2)

he was medically de-categorized. As per Annexure A-4 (Colly), which is a letter of the applicant addressed to the Divisional Railway Manager, he was medically de-categorized in September, 2003. A cadre restructuring of the operating Department took place on 01.11.2003, and consequently the Yard Master was placed in the pay scale of Rs. 6500-10500/-.

2. The applicant on medical de-categorization, was given an alternate employment by the respondent-department as Enquiry & Reservation Supervisor in the year 2005, which the applicant gladly accepted.

3. The applicant in this OA is praying for grant of consequential benefits, pursuant to the cadre restructuring in his earlier department whereby the pay scale of Yard Master is upgraded. From the records, it is crystal clear that the

applicant was medically de-categorized much before the cadre restructuring of the operating Department.

4. In this view of the matter, we do not find any merit in the OA and the same is accordingly dismissed. No costs.
