These Original Applications having been heard on 9.4.2018, the Tribunal on the same day delivered the following:

COMMON ORDER (ORAL)

Per: MR. U. SARATHCHANDRAN, JUDICIAL MEMBER

Heard Mr.Vishnu S Chempazhanthiyil, learned counsel appearing for the applicants and the learned counsel appearing for the respondents.

2. In the common order dated 10.01.2018 in OAs Nos. 180-46-2015, 180-359, 377, 385 & 1057-2017 this Tribunal has passed an order as under:

"13. . . . we are of the view that in the light of Annexures A4, A5 and A6 judicial decisions the applicants in these cases on hand are entitled to the benefits of those decisions especially in relation to the fixation of their TBOP and pensionary benefits. As the Modified Assured Career Progression Scheme (for short, MACPS) envisages **regular service** as a threshold requisite, we hold that for claiming benefits under the MACPS the service rendered by the applicants in the above cases shall be counted only from the date of their regularisation as Postal Assistants/Sorting Assistants. In order to cut short further litigations we direct that the respondents shall grant the benefit of Annexure A4 order of this Tribunal to all the applicants in the afore-captioned OAs and also to the other similarly situated persons who have not approached this Tribunal so far.

14. With the above directions, we dispose of these Original Applications. The respondents shall grant the monetary benefits to all RTP candidates in terms of the above order within three months from the date of receipt of a copy of this order. Parties shall suffer their own costs."

3. Since the issue involved in these cases and the grievances of the applicants herein also are similarly situated to those of the applicants in the OAs adjudicated under the aforesaid common order, we pass a similar order as in the afore-extracted order in this case also.

4. Accordingly, these Original Applications are disposed of as above. No order as to costs. Incorporate a copy each of this Order in the case files of the above captioned Original Applications.
