This Original Application having been heard on 13.04.2018, the Tribunal on the same day delivered the following:

**ORDER (ORAL)**

**Per: Dr. K.B. Suresh, Judicial Member**

The matter seems to be covered on facts by our order in O.A. 180/187/2018 dated 9.4.2018. Therefore, they do not subsist any further impediment for the applicant to superannuate on voluntary basis.

2 The Tribunal have carefully gone through the reply as well as the letter from Shri N.N.Rafique. If the Tribunal go by Annexure R.2 which is written by Mr.N.N. Rafique, action should be initiated against so many superior officers who had apparently permitted the applicant to go during duty hours and canvas deposits for the said Co-operative Bank. Reference is also made to Annexure R-2/3 saying that the applicant had obtained consent and favours of the superiors and co-workers because they were able to get loans and other privileges from the Co-operative Bank, Edathala wherein the applicant was the President of the Bank.

3. Under Section 14 of the Specific Relief Act, no man can be compelled to continue in service if the applicant do not want to continue in Government employment, assuming that the contention taken by the applicant that he did not know that being a social worker in the co-operative movement was prohibited and was for a long year period he is serving the public and only at the fag end of his career then such a complaint had come up. Applicant would say that on coming to know that this is not a correct thing for a govt. servant to do, he had immediately resigned and had also sought for voluntary retirement. Since The Tribunal have already quashed the charge-sheet against the applicant nothing remains as an impediment against his voluntary retirement. If the disciplinary inquiries are postulated on Annexure

R-2 is to commence and continue, it will be an empty issue as lots of people who may have genuinely believed that they are doing the right thing may also be unnecessary called in this issue.

4. There is no allegation apparently as the applicant's activities have been prejudiced to the interests of the Govt organisation. Apparently, one hostile person had given so many complaints. But as the allegations that the applicant had become a politician by being a member of Edathala Service Co-operative Bank as its President cannot be entirely correct. Political activities and cooperative society activities are entirely two different things and Cooperative Societies activities are controlled by Co-Operative Society's Act. There appears to be a lot of grey areas in its operations. Therefore, the benefit of doubt will have to go to the applicant. It is held that he is eligible to have his voluntary retirement as apparently no further proceedings are pending against him. This will be done within one month next.

5. O.A. is allowed. No costs.
