ORDER (ORAL)

DR. K.B. SURESH, MEMBER (J):

1. Heard. The matter relates to medical reimbursement. In fact in similar cases we had granted an order earlier. But, thereafter, the Government had come out with annexures R-1 & R-2 which is a scheme whereby even persons staying in out stations where the actual CGHS facility may not be available can become subscribers and then can avail of indoor patient facility. That being so, under the law of election applicant can now choose. He can either become member of CGHS and get the medication or he can get fixed medical allowance. The applicant has chosen for fixed medical allowance for which a fixed sum will be given to him and no question asked. That being so, since he had chosen he cannot claim both now.

2. At this point of time, even though, prima-facie, there may not be a view of allowing the applicant to realize this amount from them. The same benefit has been granted to people who retired after 2000 which is the formation date of the BSNL. Therefore, there now exist 2 types of employees. The entire DOT and BSNL are actually the one and the same. A new entity came into being in 2000 taking up the responsibility and functions of DOT and therefore, they might be termed and seen as one only. Therefore, since a policy decision is to be taken whether the earlier DOT will now come under the ambit of

BSNL or not, we will remit the matter back to the respondents to decide this issue within the next 3 months.

3. OA is disposed of, as above. No order as to costs.
