Heard. The matter is in a very short compass. Apparently, when a regular incumbent for a post was under a cloud of disciplinary enquiry, the department resorted to general selection, but in the notification, probably not understanding the object of post based roster and vacancy based roster, notified it as vacancy for SC candidate. The applicant was appointed. But in the meanwhile, the disciplinary proceedings of the regular incumbent concluded. He came back to the post. Now the applicant claims that the regular incumbent must be sent out to a post for general candidate and that the applicant being an SC candidate and notification was for an SC candidate, that selection must be allowed to continue.

2. Needless to say that this a very wrong perception on the part of the applicant. The applicant had not done or obtained a vested right because of the wrong notification issued by the respondents. The regular incumbent, on his matter being settled, is entitled to come back to the particular station and not to other station. If the applicant was selected by a wrong notification, the burden to be borne by the applicant and nobody else.

3. OA lacks merit. Dismissed. No order as to costs.
