Heard. Apparently the applicant had submitted representation for change of cadre the copy of which is not available in the respondents department but we heard the learned counsels in detail. It appears that the applicant had earlier chosen to avail of a benefit of becoming Fitter Gr. III and subsequently got promoted also. Now despite the fact that Fitter trade carries less opportunity for promotion, since he has elected for it, he cannot now claim on a retrospective

basis that his claim for being a Mason may be considered. In the meanwhile the applicant had superannuated also and no worthwhile point would be achieved by going into the academic exercise as to whether the applicant could have chosen to be a Mason at that point of time. But even if he had chosen to be a Mason at that point of time and the merger took place, he had not done so and 18 years have elapsed.

2. The OA is dismissed. No order as to costs.
