ORDER (ORAL)

DR. K.B. SURESH, MEMBER (J):

Heard. The matter is in a very small compass. Apparently the respondents had recognized a particular hospital but failed to fix the charges. Since the charges had not been fixed, the hospital had taken as per their discretion. Now the respondents says that they will not honor their earlier commitment. They would say that even though they have accepted CS(MA) conditions the charges which ought to have been fixed by them earlier and therefore they have granted the reimbursement at the rate of CGHS only. That is applicable to the recognized hospital only on them fixing the charges. If the respondents have done otherwise, it is to their prejudice and not to the prejudice of the applicant.

2. The OA is allowed. The entire amount will be paid within one month. No order as to costs. If it is not paid within that time, it will be paid in accordance with the rulings of the Hon'ble High Court of Karnataka at 15% interest.
