ORDER (ORAL)

DR. K.B. SURESH, MEMBER (J):

1. Heard. The matter relates to compassionate appointment. With the assistance of both the counsels we went through the Weightage Point System and check list. We found that 4 dependents were taken into account, whereas the claim of the applicant is that there are 5 dependents including the grandmother. An additional point has been raised in para 5 of the circular dated 1.10.2014 in relation to the issue, is produced as annexure R-2 and a methodology has been devised in extreme cases. As the applicant's sister is mentally retarded, as found by the Welfare Officer with 76% disability, we feel that she may fall within the clause 5 of the said circular. If, that is taken into account, the applicant will easily be eligible to be considered for appointment. Therefore, we will now dispose of the OA holding that the applicant is eligible to be considered along with others and an appropriate order may be passed in the light of clause 5 of the said circular and the fact that the applicant's grandmother is also dependent. Next consideration should be done within next 6 months.

2. OA is, thus allowed to this limited extent. No order as to costs.
