ORDER (ORAL)

HON'BLE DR K.B.SURESH, MEMBER (J)

The matter seems to be covered by our earlier order in OA.1279/2012 dated 2.3.2016. Even though in the body of the order we had mentioned in the order as '1994' and a clarification was also filed as MA.No.120/2016 in OA.1279/2012 dated 14.3.2016 wherein it was clarified that "instead of 1994, it is to be read as 1999" as in one place instead of 1999 ,1994 was mentioned. The corrected copy was issued. Even though we have given w.e.f. 1999, it was given by the respondents w.e.f. 2001 onwards. Now, the applicant is again before us challenging annexure A-5. But, I feel that if we remit the matter back to the respondents there could be quietest to the issue. Therefore, there will be a direction to the applicant to file a detailed representation against annexure A-5 for the concerned authority to consider it within 2 months next, within law and pass appropriate orders. Of course, with all consequential benefits. OA is allowed to the limited extent with illumine. No order as to costs.
