O R D E R (ORAL)

(HON'BLE DR. K.B. SURESH, MEMBER (J))

It is most unfortunate that some department adopt all sort of unnecessary tactics to confuse the situation. We had passed an earlier order after considering all the matters in issue and after hearing the learned counsels in detail.

2. Now the issue posited is in a very small compass. The ground taken by the Hon'ble High Court seems to be that we had not considered the elements of evidence available to ascertain the working hours of the applicant.

3. Therefore we have considered Annexure-A2 and quote from it:

8. But Annexure-R3 and R4 are not of the combined duty but only one

part of the duty. Therefore what they have stated in the Hon'ble High Court of Karnataka at Dharwad seems to be absolutely falsehood and wrong and they have mislead the Court into passing an order. Anyhow it is a common knowledge that a person cannot deliver mail for 22 kms without at least having 3 hours time. His normal duty as a BPM is more than 5 hours therefore any reasonable man can assume and presume that more than 8 hours would have been spent by him in his work and it has been consistently granted to him. Just because some new wisdom has dawned on the respondents it does not enure to the prejudice of the applicant. We find that the respondents have acted most irresponsibly and have also in a way conducted a judicial fraud by suppressing valid materials as Annexure-A2, A3 and A4 are their own creation and Annexure-R3 and R4 has nothing to do with the matter as they are concerned only with one element of employment and not the second element of the employment. They have raised a frivolous and vexatious reasoning to delay the grant of benefit to the applicant.

9. The OA is therefore allowed as above. All the benefits as ascribed in the earlier order will be available to the applicant. The OA is allowed with a cost of Rs.5000/-.
