**ORDER**

**By Navin Tandon, AM-**

This Review Application has been filed by the applicant to review the order dated 28.08.2018 passed by this Tribunal in Original Application No.200/00768/2011.

2. The applicant has submitted that due to his inadvertence in his application letter dated 25.08.2009 the dates of his participation as referee in international events were wrongly detailed as under:

- (1) 26 to 28 June 2009 World Championship Qualification(Men)  
Tehran (Iran)
- (2) 12 to 14 July 2009 World Championship Qualification  
(Women) Bangkok (Thailand)
- (3) 31<sup>st</sup> July to 9<sup>th</sup> Aug.2009 Junior World Championship (Men)  
Pune (India)

Whereas the correct dates of participation of the applicant in international events were as under:

SL	Event	Venue	Dates
1.	<i>World Championship Qualification Tournament for Men</i>	<i>Tehran, Iran</i>	25-27 May 2009
2.	<i>World Championship Women's Qualification Tournament</i>	<i>Bangkok (Thailand)</i>	12-14 June 2009
3.	2009 FIVB Men's Junior World Championship	Pune (India)	31 <sup>st</sup> July to 9 <sup>th</sup> August 2009

3. The applicant has further submitted that there lies a typographical and inadvertent mistake on the part of the applicant in his application and therefore the same was also recorded in the judgment dated 28.08.2018 passed by the Tribunal in OA No.768/2011. He, therefore, prays for correction of dates of applicant's participation in international event in the body of the judgment passed in OA No.768/2011.

4. As regards the correction of facts recorded in para 2.1 of the order dated 28.08.2018 passed by the Tribunal in OA No.768/2011, is concerned, we find that the same have been recorded by the Tribunal in the order, in terms of the pleadings/documents available on record of OA

No.200/00768/2011. However, we find that aforementioned OA No.200/00768/2011 was partly allowed by this Tribunal with the following directions:

*“(10).However, on perusal of applicant’s letter dated 25.08.2009 (Annexure A-6) we notice that the applicant has officiated as International Referee in some events which took place after 9<sup>th</sup> July,2008 (Annexure A-5) but before 9<sup>th</sup> July,2009 (Annexure A-3) i.e. during the period said incentive scheme was in vogue. In terms of para 9.3.5 of Railway Board’s letter dated 30.03.2007 (Annexure A-4), these incentives shall be in addition to those, if any, granted for the sports achievements as a player. Therefore, denial of said incentive to the applicant for these events is not sustainable*

*(11). In this view of the matter, this Original Application is partly allowed with a direction to the respondents to grant two advance increments for each event (before 09.07.2009) subject to total five increments to the applicant for his performance as Referee/Umpire in terms of Railway Board’s letter dated 9<sup>th</sup> July 2008 (Annexure A-5). However, the applicant shall not be entitled to benefit of two increments for any event in which he participated after issuance of Railway Board’s letter dated 9<sup>th</sup> July, 2009 (Annexure A-3). No costs”.*

5. From perusal of the operative portion of order passed by the Tribunal, we find that there was no direction, as such mentioning the dates of events of applicant’s participation in international events. The Tribunal has only directed the respondents to “grant two advance increments for each event (before 09.07.2009) subject to total five increments to the applicant for his performance as Referee/Umpire in terms of Railway Board’s letter dated 9<sup>th</sup> July 2008 (Annexure A-5)”. Thus, so far as operative part of the order is concerned, since no specific dates of events were mentioned, it does not require any change. The

applicant may, if so desire, make an application to the respondent-authorities pointing out the specific dates of events, who, in turn may consider the same before considering applicant's case for grant of benefit in terms of the order passed by the Tribunal.

**6.** In the result, with the aforesaid observations, this Review Application is dismissed at the circulation stage.
