applicant are that the applicants are working as Commission Vendors Helpers at New Jalpaiguri Railway Station since they were engaged by Commission Vendors upon due clearance of the respondent authorities. In terms of Railway Board's Circular in the year 2005 the Commission Vendors have been absorbed under Gr. 'D' category of the respondent authority and since then the Commission Vendors Helpers are running and operating the food stalls at New Jalpaiguri Railway Station as Vendor under the authority of Chief Commercial Manager, N.F. Railway. The Commission Vendors during the course of their engagement have been issued identity cards, travel passes, electric meters and also have further undergone medical examination in respect of their engagement as Commission Vendors Helpers at New Jalpaiguri Railway Station. Further the respondent authorities have also issued food safety certificates in respect of the Commission Vendors Helper by the concerned Food Safety Officer of the respondents from time to time. Suddenly during the year 2014 the respondent authorities have initiated measures to evict the Commission Vendors Helper from their respective food stalls. The Commission Vendors Helpers preferred several representations, which is still pending consideration.

5. Mr. Chatterjee, Ld. Counsel for the applicants submitted that the grievance of the applicants would be more or less addressed if a specific order is passed by directing the concerned authority i.e. respondent No. 1 to dispose of the representation dated 26.8.2010 within a specific time frame.

6. Therefore, we dispose of this O.A. by directing the respondent No. 1 that, if any, such representation as claimed by the applicants has been preferred on 26.8.2010 and the same is still pending consideration, then the

same may be considered and disposed of within a period of six weeks from the date of receipt of this order.

7. Though we have not entered into the merits of the case still then we hope and trust that after such consideration if the applicants' grievance is found to be genuine then expeditious steps may be taken by the concerned respondent No. 1 within a further period of 6 weeks from the date of such consideration to extend those benefits to the applicant. However, if in the meantime the said representation stated to have been preferred on 26.8.2010 has already been disposed of then the result thereof be communicated to the applicant within a period of 2 weeks from the date of receipt of a copy of this order.

8. With the aforesaid observation and direction, the O.A. is disposed of.

9. As prayed for by Mr. Chatterjee, Ld. Counsel a copy of this order along with paper book be transmitted to the respondent No. 1 by speed post for which Mr. Chatterjee undertakes to deposit necessary cost in the Registry by the next week.
