3. It is seen from the records that the applicant approached before the authority just 2 months back and without waiting for the decision of the respondent authority the applicant had approached before this Tribunal.

4. In our view, under Rule 20(b) it is not a fit case to entertain the matter. Rule 20(b) says as under:

" 20(b) where no final order has been by the Government or other authority or officer or other person competent to pass such order with regard to the appeal preferred or representation made by such person, if a period of six months from the date on which such appeal was preferred or representation was made has expired."

5. Accordingly, the OA is dismissed as being pre-matured.
