ORDER (ORAL)

(PER HON'BLE DR.K.B.SURESH, MEMBER (J))

Heard. We tried our best to elicit from Shri B.Veerabhadra what is the ground in the RA. We failed to do so. The question of delay we are not touching

because even if he was ill and we have to condone the delay, it will not matter because the RA has no merit in it. The illness is also not of any significant reason because he is taking mild quantity of Clopicard and Statin which means that he may have a block or artery thickening somewhere in his circulatory system. That is nothing. The certificate from Jindal Hospital indicates only back pain that is also nothing to condone the delay. But even if we condone the delay, there is no merit in the RA as no ground is even proposed to impugn our earlier order. No ground exists. RA is dismissed. No costs.
