ORDER (ORAL)HON'BLE DR. K.B. SURESH, MEMBER (J):

1. Heard. This matter is in a very small compass. Apparently, one notification was made in September 2014. The applicant completed the qualification in October 2014 i.e., after a few days after the notification. But, still even at that point, they were in the process of completing the process and not yet completed. There are even now vacancies available. There is no harm in applicant also being considered for that post , of course according to the qualification and eligibility. Therefore, we will remit the matter back to the respondents and direct them to consider the eligibility and suitability of the applicant to that post and if he is found suitable can give appointment to him within next 2 months.
2. OA is allowed to the limited extent. No order as to costs.
