1.            We heard the matter in great detail. Apparently, applicant had been deputed to do a particular project in Belgaum. Even though his children are in mid academic session and his wife is also working at Bangalore, we think that interest of the organization must come first. Therefore, we will allow the transfer to take effect. But then, we also hold that on completion of that project, applicant must be transferred back to Bangalore Division. OA is thus concluded.
2.            Whether this Construction Division, different or not, on the completion of the present project at Belgaum applicant will be immediately retransferred back to Bangalore Division.
3.            OA disposed off. No order as to costs.
