ORDER (ORAL)

DR. K.B. SURESH, MEMBER (J):

Heard. The matter is in a very small compass. The Hon'ble Apex Court have time and again held that Directive Principles shape governmental policy and colour and pervade Fundamental Rights of a citizen. Article 38 to 42 of the Directive Principles stipulate that it is a bounden right of any citizen to have enhancement in his or her life. This applies to a government employee also. The applicant had applied for permission to join a doctoral course in Rajiv Gandhi University and the university counsel would submit that the selection is not yet complete. The respondents says that only 2 seats are available in the university and they have already recommended 2 people and if applicant, who is the 3<sup>rd</sup> person, is there on an allegedly ex post facto acknowledgement then one among those who is being selected will lose their chance. But then, that is not the concern of the respondents. The better person among them will be chosen by the university in accordance with the law and regulations of the land and since the Union Government had granted permission on a representation sent by the respondents themselves to the Union Government to grant a

permission in June 2018, it will be considered as an acknowledgement given in respect to that timeframe and not to this timeframe. Therefore, applicant will be eligible to be considered for admission to doctoral course in the Rajiv Gandhi University.

2. The OA is allowed to this extent. No order as to costs.
