2. The applicant is a retired employee. He claims that he ought to have been promoted to the vacancy of 2001. He submits that he had represented his case several times when he was in service. We have no means to ascertain this. In a catena of judgments the Hon'ble Apex Court had held that consideration of representations should not be used to revive stale claims. We do not see any merit in this case. Accordingly, the O.A is dismissed. No costs.
