2. The applicant has canvassed that being appointed on compassionate ground with the approval of the General Manager, the Divisional Commercial Manager had no authority to remove him from service as he was neither the appointing authority nor an authority equivalent in rank to an appointing authority and, therefore, the removal order deserved to be quashed.

3. On 15.01.2016, pursuant to a direction of this Tribunal in O.A.No.350/1383/2015 upon the applicant to prefer a statutory appeal before the appellate authority, the Senior Divisional Commercial Manager(Sr.DCM), Sealdah, on his appeal, informed the applicant as under :-

"While examining the DA case file, it is observed that your earlier appeal dt.29.03.06 against removal order passed by DCM/SDAH was entertained as well as disposed off by DCM/IC(Appellate Authority) & the aforesaid order was sent to you as well as your Ld. Advocate vide this office letter of even no. dated 18.01.10. Since your appeal dt. 29.03.06 has already been disposed off by the Competent Appellate Authority, there is no further scope for disposal of the same.

Hence, a copy of Speaking Order dt. 18.01.10 passed by Appellate Authority DCM/IC/Sealdah is enclosed herewith for ready reference. This is without any prejudice."

4. The earlier speaking order dated 18.01.2010 reads as follows:-

.....(not legible) the charges leveled against the delinquent staff, Enquiry Officer's(not legible) proceedings, Charge Official's representation and Charge Official's(not legible) details along with findings of Disciplinary Authority. It observes that as(not legible) of the Hon'ble CAT, Kolkata passed in O.A.No.,1121 of 2003 dt.23.2.2004 had directed to supply documents as per relevancy and complete the proceedings within 4 months. The said direction for supply the relevant paper documents were sent to Charge Official by respondent in time. Hence, reasonable opportunities were granted to the applicant. It is mentioned here that the applicant did not co-operate with the DA proceedings from its inception and it was brought to the notice of court in earlier O.A.No.1121 of 2003. That the applicant had filed the said case only to prolong the enquiry without participating(not legible). Taking into consideration the said submission of the Railway, the Ld.(not legible) of applicant had given assurance before the Court that his(not legible) to operate with the respondents in the matter in all respect as evident from the said

judgment dated 23.2.2004. It is observed that the Enquiry Officer followed the enquiry procedure extending the natural justice to the Charge Official. It is further observed that the Charge Official in the beginning attended the enquiry with his Defence Helper but as the enquiry was(not legible) the Charge Official started to non-cooperate.

However, enquiry was concluded on 09.7.04 and the said enquiry report has delved to Charge Official and it was received by him on 26.7.04. Although(not legible) advised to submit his report within 15 days on receipt of the said letter but he submitted an evading representation dated 03.8.04, since he did not come to submit his defence/reply even after expiry of 8 months, the Disciplinary Authority had given an opportunity to give a personal hearing adopting all possible means i.e. sending letters to special messenger under whom the Charge Official was working, through register post, through control message etc. But the Charge Official did not meet with the Disciplinary Authority. As such natural justice(not legible) him in all respect.

Even the representation and in the appeal preferred by Charge Official(not legible) not contain any point/defence against the charges leveled against him.

It is observed from the Enquiry Officer's report that the defence side failed to light anything during cross examination in respect to prove as incorrect that the duplicate fake MSTs for originating destination fare, Taherpur to Park Circus via Sealdah fraudulently to the passengers on various occasions for his personal gain. Sri Ghosh kept the 22 nos. duplicate/fake MSTs which recovered from Sri J.R. Ghosh's working table drawer at Taherpur Station. The said drawer was locked and the key was with Sri Ghosh, Charge Official.

As such, the charges are of very serious nature and those involved keeping of fake MSTs having uncounted and undeclared cash amount to the tune of Rs.3298.00 etc. during duty hours of Taherpur Station. There is no point/defence of Sri Ghosh(Charge Official) in his representation and appeal to prove himself free from the charges leveled against him.

Under the above fact and circumstances, the undersigned as Appellate(not legible) matter applying mind properly and uphold the punishment order dated 13.6.05 passed by the Disciplinary Authority.

It is disposed of in compliance with Hon'ble CAT/Kolkata's Judgment order dated 15.9.09."

5. Ld. counsel for the applicant at hearing would vociferously submit that the appeal was not disposed of in terms of the directions of this Tribunal as in

O.A.No.1383 of 2015 and, therefore, the order dated 15.01.2016 deserves to be quashed.

6. Ld. counsel for the respondents on the contrary would submit that the only ground for challenge was in regard to the authority of CCM to remove the applicant from service. Inviting our attention to Indian Railway Establishment Code, Vol.I Ld. counsel would contend that the applicant was rightly removed from service by the CCM who was the Appointing Authority in regard to the post held by the applicant. Dispelling the claim of the respondents, Ld. counsel for the applicant would submit that he had sought for an information through RTI as to who enjoyed the authority of taking decisions in regard to compassionate appointments in Indian Railway Services at its zonal level which was replied to as "by General Manager/CPO or the power delegated by them to any other official". Ld. counsel would further refer to the offer of appointment dated 08.04.1982 issued on behalf of the CPO in order to contend that the appropriate Disciplinary Authority of the applicant was either the CPO or the General Manager and, therefore, removal by Chief Commercial Manager was bad in law.

7. Ld. counsels were heard and materials on record were perused.

8. In view of such factual dispute in regard to the authority competent to remove the applicant from service in the light of the IREC, Vol.I and the appointment order of the applicant referred to supra, which has not been addressed while issuing the speaking order dated 18.01.2010 and the order dated 15.01.2016 as it does not speak on the authority of the CCM to act as Disciplinary Authority, we dispose of this O.A. by quashing the orders dated 15.01.2016 and remand the matter back to the Appellate Authority to delve into the allegations of

the applicant as contained in the Appeal in regard to competence of the CCM to issue removal order in view of his appointment order dated 08.04.1982 and schedule of powers etc. and pass appropriate speaking order within 8 weeks from the date of receipt of this order.

9. The O.A. accordingly stands disposed of. No costs.
