ORDER (ORAL)

Per : *R. Vijaykumar, Member (A)*

MA No.231/2019 has been filed seeking interim relief on subsequent development after filing this OA on 22.02.2019 in which the letter dated 12.10.2018 has been impugned that his candidature was considered for the post of Zonal Director. After hearing the learned counsel for the applicant for sometime, he submits that he will file a better OA challenging the right cause of action.

2. In the circumstances, MA No.231/2019 is dismissed as infructuous and the OA itself is dismissed as withdrawn with liberty to file a fresh OA, if so legally advised. No order as to costs
