**ORAL (COMMON) ORDER**

Since the facts and the issue to be decided are one and the same in the OAs, they are disposed of by a common order.

2. The applicants while working in South Central Railway, were decategorised after verification of their health condition. However, even before any alternative employment was provided to them, they took voluntary retirement and they are being paid pension. They contend that since they took voluntary retirement while in service, they are entitled to be paid the higher emoluments by adding 55% of basic pay, as is done in case

of employees who attained the age of superannuation. Reliance is placed on an order dated 22.03.2017 passed by this Tribunal in O.As No.1362 & 1417/2015.

3. The respondents filed a detailed counter affidavit opposing the O.A. It is stated that the applicants are not entitled to the benefit of addition of 55% of basic pay and dearness allowance since they did not retire in the usual course, on attaining the age of superannuation. Various other contentions are also urged.

4. We heard Shri K.S.Murthy, learned counsel appearing for the applicants and Sri S.M. Patnaik, learned Standing Counsel appearing for the respondents.

5. The very question, which arises for consideration in these O.As was dealt with in detail by this Tribunal in O.As No. 1362 & 1417/2015. It was held that the applicant therein was entitled to be extended the benefit of addition of 55% of basic pay, after deducting the pay element of fixation benefit already granted. It is brought to our notice that the order in the O.As was upheld by the Hon'ble High Court of Judicature at Hyderabad in W.Ps. No.27894 &27895/2017 vide judgement dated 16.10.2017. Learned counsel for the respondents states that SLP (C) No.9825-9826/2018 is filed before the Hon'ble Supreme Court against the judgement of the High Court.

6. Having regard to the facts and circumstances of the case, we allow the O.As in terms of the direction issued in O.As No. 1362 & 1417/2015, namely that the respondents shall compute the pension and pensionary benefits of the applicants, duly taking into account, the 55% of basic pay

drawn by them, after deducting the pay element fixation benefit already granted to them and pay the arrears of gratuity from the date on which they were permitted to take voluntary retirement from service. This however, shall be subject to the result in the SLP (C) No.9825-9826/2018 filed against the judgement of the High Court. There shall be no order as to costs.
