**O R D E R**  
**[ORAL]**

**Per Dinesh Sharma, A.M:** Since all these OAs are apparently on the same issue, these are being disposed of by this common order.

2. The applicants in these OAs have filed rejoinders informing that the Bangalore Bench of Central Administrative Tribunal has passed final order in OA Nos. 170, 765-810/2018 filed by **Shri M. K. Srinivas and 43 Others**. The issue involved in those OAs and in the OAs before us is exactly the same. The learned counsel for the applicants has prayed for disposing of the OAs in terms of the said order. He also requested that the amounts which have been kept in abeyance and adjusted from the arrears of 7<sup>th</sup> CPC, despite the interim order by this Tribunal, should also be released immediately.

3. Heard. The learned counsel for the respondents did not contest the claim of the applicants about the subject matter of all these OAs and the OAs decided by the Bangalore Bench being the same. Hence, the OAs are hereby disposed of in line with the decision of CAT, Bangalore Bench. The respondents are directed not to effect any further recovery. The revised pay scale, if it had been made after giving them an opportunity, will rule the field. If they were not heard, the respondents will issue them individual notices, hear them on this matter and fix their pay scales in accordance with law. Needless to say, if any amount is recovered or adjusted after the interim order was issued by this Tribunal, the same shall also be refunded. The OAs are disposed of accordingly. No order as to costs.
