The applicant should not be made to suffer for mistakes or fraud committed by others.

2. We would have gone through the merits of the matter but during the course of submission, it has been pointed that pertaining to the said controversy about withdrawal of this amount, investigation is also being conducted by the Central Bureau of Investigation. Learned counsel for respondents stated that perhaps even challan has been put up but he was not sure about it.

3. Keeping in view the above facts, once the matter pertaining to the said withdrawal is under investigation, the applicant can only apply for crediting the said amount in his GPF Account in accordance with law. He may, if deemed appropriate, therefore, submit an application before the Court of Competent Jurisdiction. In face of aforesaid, it would be appropriate that we are not expressing any opinion on the merits of the matter for and against either party.

With these observations, the OA is disposed of.
