The applicant had filed the present petition
contending that the merit list prepared by the

'C' whereby the name of the applicant has been removed should be quashed and a direction should be issued to include the name of the applicant in the merit list in the category of OBC.

2. Learned counsel for the respondents has informed that the name of the applicant has been recommended by the Department of Health and Family Welfare to the Director to Health Services, Karkardooma for appointment and that necessary pre-appointment formalities are only to be completed.

3. Keeping in view the same, it is patent that the relief claimed has become redundant. The original application has become infructuous. This is perhaps the reason why there is no appearance on behalf of the applicant.

4. With the aforesaid observations, the present OA is disposed of.
