O R D E R (ORAL)

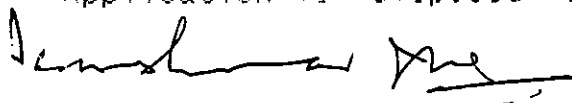

Heard the learned counsel for the applicants. At the very outset, he has submitted that the case of the applicants is identical with the cases decided by the Tribunal in OA No. 466/2002 and OA No.2327/2002 on the 24th October, 2002 and 7th May, 2002 respectively. On perusal of the orders of the Tribunal in the said OAs, it is observed that in both the cases it had been alleged by the respondents that the buses in which the applicants had travelled, availing themselves of the LTC, did not have valid permits for operating their bus services. However, it was held by the Tribunal in these cases that it was not the

fault of the applicants that the relevant buses did not have valid permits and, therefore, the prayers made by the applicants therein had been allowed.

2. On perusal of the submissions, it is observed that the recovery has been ordered to be made from the applicants vide respondents' orders issued to the applicants individually on different dates in 2001 (Annexures A-1). Though the orders say that the recovery has been directed to be made from the applicants for the reason that they had submitted forged LTC claim, it does not specify the fact that the bus in which they travelled also did not possess valid permit. In this regard, the learned counsel for the applicants has invited attention to the internal correspondence between the Departments concerned (Annexure A-4) to point out that the fact that the bus in which the applicants had travelled, availing themselves of the LTC for the respective years, also did not possess necessary permit.

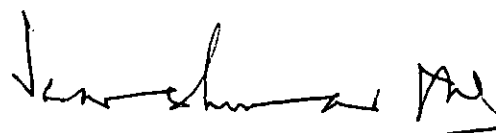

Keeping in view the fact that the applicants have been able to lay their hands on the aforesaid two cases in which they have found identity with their case, it would be appropriate that the respondents apply their mind to this aspect of the case particularly with reference to the decisions of this Tribunal in the two cases that have been referred to herein-above. In order to ensure that the respondents are in possession of the relevant material to be able to consider the matter with reference to the relevant instructions and also in the light of the said decisions of the Tribunal, I consider it appropriate that this Original Application is disposed of at this stage itself, while

hearing on the point of admission, with a direction to the respondents to consider the prayers of the applicants with reference to the two cases they have cited and decide the matter as per law by issuing a reasoned and speaking order within a period of six weeks from the date of receipt of a copy of this order. The respondents are further directed that this Original Application may also be considered as a representation of the applicants while deciding the matter as directed above.

4. With the above directions, the OA is disposed of at the admission stage itself.

5. Registry is directed to send a copy of this OA along with a copy of this order.
