ORDER (ORAL)

HON'BLE DR.K.B.SURESH ...MEMBER(J)

Heard. Apparently in the 2nd para of our order, the word consent has crept in. Learned counsel for the original respondents now submits that it may then be felt that she had consented to the element of merit of the matters also, as we were only dealing with the interregnum situation in the OA then.

2. Therefore, there will be a direction to the Registry to remove the word consent from that order or any consequences thereof from it and issue a fresh order.

3. RA allowed to this extent. No costs.
