(HON'BLE DR. K.B. SURESH, MEMBER (J))

Heard. The matter is in a very small compass. We had taken a view from the very beginning that senior officers should not challenge their transfer as the responsibility under sovereignty rest on the executive government to post whichever officers they want at a particular place. But there are two exceptions. One exception is that when serious malafides are alleged against a very senior person in the governance system and that person is granted an opportunity by making him a party then we will stop and look at it. The second exception is that the Hon'ble Apex Court has held that as far as possible mid-academic session transfer should be avoided if the children are young and in the formative stage. On this also we will stop and look at the issue.

2. In this case the applicant's daughter is studying in 9<sup>th</sup> standard which is without any doubt a formative stage. If she is burdened with a transfer at the moment right now without any doubt it will have a bearing on the daughter's well-being.
3. Therefore, following the Hon'ble Apex Court judgment in this regard we will direct that applicant will be allowed to continue as Chief Executive Officer at Bagalkot till 31<sup>st</sup> of March. On 1<sup>st</sup> of April, she will be shifted out to whichever place the government wants to, if they want to.
4. We will also put in an observation at this point of time that the party respondent who had not appeared may be considered for the post of CEO, Haveri.
5. The OA is disposed as above. No order as to costs.
