These applications having been heard on 15.11.2019, the Tribunal on 28.11.2019 delivered the following:

ORDER

Per Hon'ble Mr. Ashish Kalia, Judicial Member –

OAs Nos. 180-627-2015, 180-673-2016, 180-124, 168, 176 and 282-2017, 180-273, 276, 364, 369 and 769-2018 have common points of fact and law involved and hence are being disposed of through this common order. The pleadings, documents and records in OA No. 180/627/2015 are referred to in this common order for the sake of convenience.

2. Similar relief are claimed by the applicants in all the OAs. For the sake of convenience the relief claimed by the applicants in OA No. 180-627-2015 are quoted hereunder:

“i) to call for the records relating to the case and quash Annexures A13, A14 and A15 orders and all further proceedings thereon including any procedure adopted by the respondents affecting the promotion and seniority of the applicants;

ii) to declare that applicants are entitled for promotion and institutional seniority from 2.11.2009, the date of takeover of ESI Hospital, Udyogamandal from the State Government and that they are entitled for all service benefits including arrears of pay, arrears of leave, bonus, advances, compensation allowances and retirement benefits and for all other benefits given to the similarly situated ESI Corporation employees;

iii) to direct the respondents 2, 3 and 4 to protect the applicants institutional seniority and to give them due promotion and monetary benefits in the absorbed service of the ESI Corporation according to designation and seniority in State service; and

iv) to award costs and such other reliefs which may be granted as ancillary and incidental to the main reliefs.”

3. The brief facts of the case in OA No. 18-627-2015 are that the applicants are Head Nurses and Staff Nurses in the ESIC Hospital, Udyogamandal, Parippally and Ezhukone. They were originally the employees of the 7th and 8th respondents. The 2nd respondent decided to take over some of the major hospitals in the State including the ESI Hospital, Udyogamandal and develop the same as model hospitals. In the 142nd meeting held on 22.2.2008 steps were initiated for taking over the Udyogamandal Hospital and absorption of the staff. The first hospital to take over in Kerala by the ESI Corporation was the ESI Hospital, Asramam. The other hospitals were identified to be taken over are the ESI Hospitals at Udyogamandal, Ezhukone and Parippally. These hospitals were also directed to be taken over on the basis of the terms and conditions on which the Asramam hospital was taken over. The final order of handing over of the hospital was issued by the 7th and 8th respondents as per order dated 15.10.2009. The handing over of the ESI Hospital, Udyogamandal along with the staff working therein was accepted by order dated 30.10.2009 of the ESI Corporation. The 2nd respondent informed that the pay and allowances of the staff will be equal to the pay and allowances of ESIC hospitals. The 3rd respondent approved the absorption of the staff of ESI

Hospital, Udyogamandal w.e.f. 2.11.2009. The 7th respondent by order dated 25.2.2011 accorded sanction to the 8th respondent to relieve the employees including the applicants from the State government hospitals to the ESI Corporation. On the basis of the Government direction and request of the ESI Corporation, the 8th respondent accepted the technical resignation of the applicants and similarly situated employees and they were relieved from their duties of Insurance Medical Services Department with effect from 2.11.2009. The 3rd respondent absorbed all the employees including the applicants in the ESI Corporation service w.e.f. 2.11.2009. However, the 2nd respondent withdraws the order of absorption of the employees in the ESI Corporation by order dated 26.9.2011 and later issued order dated 25.10.2011 confirming absorption from 4.3.2011. Aggrieved the applicants have filed Writ Petitions before the Hon'ble High Court of Kerala. The Hon'ble Single Judge allowed the Writ Petitions. However, the said judgment was challenged by the respondents in Writ Appeals. The Division Bench of the Hon'ble High Court in Writ Appeal held that the matter is to be heard by this Tribunal. Accordingly, the applicants have filed OA No. 1175 of 2013. This Tribunal after hearing the parties set aside the impugned orders and held that the applicants will stand absorbed to the ESIC w.e.f. 2.11.2009 and they shall enjoy all consequential benefits including promotions and other service benefits. However, the 3rd respondent issued an order dated 19.6.2015 without any authority and fixed the seniority list without considering the long service in the establishment. It was also directed that provisional draft seniority list may be drawn up w.e.f. 4.3.2011 including ESIC Hospital in Udyogamandal, Parippally and Ezhukone. This

shows that the 3rd respondent is intentionally trying to bypass the order passed by this Tribunal in OA No. 1175 of 2013 where one of the prayer was to give institutional seniority. According to the Fundamental Rules and Annexure A12 order passed by the Tribunal in OA No. 1175 of 2013 the applicants are eligible for promotion considering the date of absorption as 2.11.2009 and not from any other date. The applicants have given option for permanent absorption w.e.f. 2.11.2009 and accepting that absorption letter a list of persons was prepared. Once an option is exercised that will be final under the Rules. The State Government also decided that they have relieved the applicants w.e.f. 2.11.2009 and that they have no lien in the State service. While passing the impugned orders the respondents have denied the principles of natural justice to the applicants and it also infringe the fundamental rights guaranteed under Articles, 14, 16 and 21 of the Constitution of India. Aggrieved the applicants have filed the present OAs with the reliefs as above.

4. Notices were issued to the respondents. They entered appearance through Shri K.S. Dilip, ACGSC appearing for respondent No. 1, Mr. T.V. Ajayakumar, Standing Counsel for respondents Nos. 2-6, Mr. M. Rajeev, GP and Ms. Rekha Vasudevan, GP for respondents Nos. 7 & 8, Mr. P.V. Mohanan, appearing for respondents Nos. 9-25 and Mr. K.P. Harish, appearing for respondents Nos. 26-58.

5. Respondents Nos. 2-6 filed a detailed reply statement contending that the Medical Superintendent, ESIC Model Hospital, the 4th respondent is the

appointing authority of the applicants. By letter dated 8.12.2010 issued by the Joint Director (MA), ESIC Headquarters it was informed to all the Medical Superintendents that Medical Superintendent of ESIC Model Hospital of a particular state will be incharge for recruitment, transfer/posting and promotion of staff for all the hospitals in the State. Therefore, the Medical Superintendent, ESIC Model Hospital, Kollam is incharge of Kerala. The ESI Hospitals situated at Udyogamandal, Parippally and Ezhukone in the State of Kerala were taken over by the ESI Corporation w.e.f. 2.11.2009, 16.4.2010 and 20.4.2010 respectively. The reason for withdrawing Annexure A8 order is that the Corporation has decided to absorb the State Government employees working in the ESIC hospital, Udyogamandal w.e.f. 4.3.2011 on which date the condition of two years service required on the date of absorption in the lending department was deleted. The Joint Director (Integration Cell) of ESIC Headquarters has clearly stated that the resignation submitted by the staff on deputation was technical in nature and the acceptance was based on erroneous absorption order issued by the Medical Superintendent who was not competent to do so.

6. The absorption order dated 24.5.2011 issued by the Medical Superintendent keeping 2.11.2009 as the date of absorption cannot be approved because on that date the condition that staff on deputation should have two years service left in the lending department was operative and 12 officials out of 96 in respect of whom the absorption orders have been issued by the Medical Superintendent, were not eligible for absorption. The

respondents have admitted the fact that OA No. 1175 of 2013 was disposed of holding that applicants will stand absorbed to the ESIC w.e.f. 2.11.2009 and enjoy all consequential benefits.

7. The said order was challenged before the Hon'ble High Court which was dismissed vide a common judgment dated 4.1.2016. Aggrieved the respondents filed SLP before the Hon'ble Supreme Court. The Hon'ble Supreme court admitted the matter and issued an order directing that there shall be stay of the operation of the impugned judgment by the High Court on 4.7.2016. Thus, the respondents withdrawn Annexure A8 order issued by the 4th respondent. The absorption of the applicants has been approved with effect from 4.3.2011 instead of 2.11.2009 as sought for by the applicants. Respondents 2-6 pray for dismissing the OA.

8. Respondents Nos. 7 & 8 also filed a reply statement contending that the employees who opted for ESI Corporation Service has tendered technical resignation with effect from 2.11.2009. They were absorbed in ESI Corporation Service based on the terms of absorption put forth by the ESI Corporation in concurrence with the State Government. The hospital was taken over by the ESIC w.e.f. 2.11.2009. Therefore, the employees who opted ESIC service are the employees of ESIC since 2.11.2009. The Insurance Medical Service Department had relieved the employees of Udyogamandal w.e.f. 2.11.2009. As per the terms of absorption, ESI Corporation is bound to abide by the terms and conditions stated in it.

9. A reply statement was also filed by respondents 9-17 and 19-25 wherein it is contended that the applicants who are born in the cadre of Staff Nurse in ESI Hospital, Udyogamandal have no locus standi in challenging the promotion of respondents Nos. 9-17 and 19-25 to the post of Nursing Sisters in ESIC, MH, Asramam. The applicants were not permanently absorbed on public interest. No illegality or wrong was committed by the official respondents for taking steps to draw seniority list of nursing personnel as directed by the Tribunal in OA No. 157 of 2013. Since the aforesaid four hospitals were taken over by the ESI Corporation from the State Government, state-wise seniority list is to be prepared in the exigencies of service and public interest. Respondents 9-17 and 19-25 pray for dismissing the OA.

10. A detailed reply statement was filed by the respondents Nos. 26-58 contending that these respondents are presently working as Staff Nurses under the ESI Corporation having been selected and appointed by direct recruitment and is working at ESI Model & Super Specialty Hospital, Ashramam, Kollam, ESI Hospital, Paripally, Kollam, ESIC Hospital, Udhyogamadal, Ernakulam and ESIC Hospital, Ezhukone, Kollam. Respondents Nos. 50, 53 and 57 were promoted as Nursing Sisters as per Annexure A27 order dated 22.11.2016. The OA is liable to be dismissed on the ground of non-impleading of all the affected and necessary parties. The terms and conditions of permanent absorption of the applicants clearly stated that the C and D employees cadre will be state cadre and seniority will be based as per rules. Respondents Nos. 26-58 pray for dismissing the

OA.

11. Heard Shri Thampan Thomas, learned counsel for the applicants in OA No. 180-627-2015, 180-124, 168, 176-2017, 180-273, 276, 364, 369 and 769-2018, Mr. K.P. and 9 in OAs Nos. 180-273, 276 and 364-2018 and respondents Nos. 6 & 7 in OA No. 180-769-2018, Mr. P.V. Mohanan, learned counsel for the respondents Nos. 9-25 in OA No. 180-627-2015 and Mr. K.P. Perused the records and the argument notes submitted by the parties.

12. Applicants are Nurses in Employees State Insurance Corporation (ESIC) Hospitals. They were appointed/absorbed from State of Kerala service hospitals at Udyogmandal, Parripally, Ezhumkone w.e.f. 2009 onwards and later absorbed in ESIC w.e.f. 4.3.2011 but on the basis of the order passed by this Tribunal their date of absorption was declared as 2.11.2009. The Hon'ble High Court of Kerala affirmed the order passed by this Tribunal. However, the matter is now pending consideration before the Hon'ble Supreme Court in SLP. The challenge was with regard to the date of absorption in ESIC as to whether it should be 2009 i.e. the date of deputation or 2011 which is approved by the competent authority of ESIC for absorption.

13. In the year 2000 the Central Government took a decision to take over the above State of Kerala hospitals. The principles adopted for absorption in Ashramam was accepted to be the common principles, the date of take over of the hospital were agreed to be the date of absorption i.e. 2.11.2009 which

was the date of take over of the ESIC hospital, Udyogmandal. But the headquarters of ESIC had prescribed a common date of absorption as 4.3.2011 for subsequently taken over hospital which was not acceptable to the applicants as well as to the State Government. The State of Kerala had never agreed to such a date and the staff was relieved w.e.f. 2.11.2009. The respondents asked for option of the staff of the hospital and those who wanted repatriation may join back the parent department of the State Government service.

14. The applicants initially approached the Hon'ble High Court of Kerala and their petitions were allowed by Single Judge Bench declaring that applicants are entitled for absorption w.e.f. 2.11.2009 with all consequential benefits. However, the said judgment was set aside by the Division Bench in WA No. 433 of 2013 on 2.9.2013 on the question of jurisdiction and the applicants were advised to approach this Tribunal. Thereafter, this Tribunal in OA No. 1175 of 2013 having jurisdiction allowed the OA and held that the date of absorption would be 2.11.2009 which was again affirmed by the Hon'ble High Court of Kerala and the same was challenged by the ESIC before the Hon'ble apex court which is pending adjudication.

15. The further argument put strenuously by the learned counsel for the ESIC is that there is no provision in the Recruitment Rule for absorption as decided in the case of *S.I. Rooplal & Ors. v. Lt. Governor, through Chief Secretary, Delhi & Ors.* - AIR 2000 SC 594, a landmark judgment where there was a provision in the Recruitment Rules therein in Rule 5(h) of Delhi

Police (Appointment & Recruitment) Rules. The said decision can be made applicable in the present case as when the Government took a decision to take over these state run hospitals, the Government was well aware that employees seniority will now have to be governed by Central Government rules which permits counting of benefit of past service in the same grade in the previous Department substantively. In support of this ***K. Madhavan & Ors. v. Dwarka Nath & Ors.*** - AIR 1987 SC 2291 and ***Union of India & Ors. v. Deo Narain & Ors.*** - (2008) 10 SCC 84 were also relied on. The case cited by the respondents in ***Mrigank Johri & Ors. v. Union of India & Ors.*** - (2017) 8 SCC 256 considers the judgment of the apex court in ***Indu Shekhar Singh & Ors. v. State of U.P. & Ors.*** - (2006) 8 SCC 129.

16. The next objection raised by the ESIC was that they have informed each and every individual employee that they would not claim seniority and the absorbee has given written consent in this regard. It is not understood what was the need for that when paragraph 3.4.1 of OM dated 3rd July, 1986 of DoP&T made it clear that they will get past service benefit including seniority. It is a ploy made by the ESIC to protect the interests of the direct recruitee who were appointed in the state in March, 2009. The Hon'ble apex court was very critical in ***S.I. Rooplal's*** case (supra) held as under:

“24. It is clear from the ratio laid down in the above case that any Rule, Regulation or Executive Instruction which has the effect of taking away the service rendered by a deputationist in an equivalent cadre in the parent department while counting his seniority in the deputed post would be violative of Articles 14 and 16 of the Constitution. Hence, liable to be struck down. Since the impugned Memorandum in its entirety does not take away the above right of the deputationists and by striking down the offending part of the Memorandum, as has been prayed in the writ petition, the rights of the appellants could be preserved, we agree with the prayer of the petitioners/ appellants and the offending words in the Memorandum

"whichever is later" are held to be violative of Articles 14 and 16 of the Constitution, hence, those words are quashed from the text of the impugned Memorandum. Consequently, the right of the petitioners/appellants to count their service from the date of their regular appointment in the post of Sub-Inspector in BSF, while computing their seniority in the cadre of Sub-Inspector (Executive) in the Delhi Police, is restored.

25. Before concluding, we are constrained to observe that the role played by the respondents in this litigation is far from satisfactory. In our opinion, after laying down appropriate rules governing the service conditions of its employees, a State should only play the role of an impartial employer in the inter-se dispute between its employees. If any such dispute arises, the State should apply the rules laid down by it fairly. Still if the matter is dragged to a judicial forum, the State should confine its role to that of an *amicus curiae* by assisting the judicial forum to a correct decision. Once a decision is rendered by a judicial forum, thereafter the State should not further involve itself in litigation. The matter thereafter should be left to the parties concerned to agitate further, if they so desire. When a State, after the judicial forum delivers a judgment, files review petition, appeal etc. it gives an impression that it is espousing the cause of a particular group of employees against another group of its own employees, unless of course there are compelling reasons to resort to such further proceedings. In the instant case, we feel the respondent has taken more than necessary interest which is uncalled for. This act of the State has only resulted in waste of time and money of all concerned."

Thus it is clear from ***S.I. Rooplal***'s case (supra) that Rule 5h of Delhi Police (Appointment & Recruitment) Rules, 1980 provides to make appointment on deputation basis. Any Rule, Regulation or executive instructions which has the effect of taking away the service rendered by the deputationist, in equal cadre in the parent department while counting his seniority in the deputed post would be violative of Articles 14 and 16 of the Constitution of India. Hence, liable to be struck down.

17. In ***K. Madhavan***'s case (supra) the apex court held as under:

"21. We may examine the question from a different point of view. There is not much difference between deputation and transfer. Indeed, when a deputationist is permanently absorbed in the CBI, he is under the rules appointed on transfer. In other words, deputation may be regarded as a transfer from one government department to another. It will be against all rules of service jurisprudence, if a government servant holding a particular post is transferred to the same or an equivalent post in another government department, the period of his service in the post before his transfer is not taken into consideration in computing his seniority in the transferred post. The transfer cannot wipe out his length of service in the post from which he

has been transferred. It has been observed by this Court that it is a just and wholesome principle commonly applied where persons from different sources are drafted to serve in a new service that their pre-existing total length of service in the parent department should be respected and presented by taking the same into account in determining their ranking in the new service cadre. See [R.S. Mokashi & Ors. v. I.M. Menon & Ors.](#) [1982] 1 SCC 379; [Wing Commander J. Kumar v. Union of India & Ors.](#) [1982] 3 SCR 453 : (AIR 1982 SC 1064).”

Paragraph 21 of the *K. Madhavan's* case (supra) makes it clear that full credit must be given to the petitioner for service rendered by him on substantive basis in the BSF w.e.f. 1.10.1984 when he was appointed on substantive basis.

18. The common questions raised in the present case are as under:

- a) What should be the date of absorption in these cases ?
- b) Whether the date of absorption should be the date of takeover of ESIC Hospitals at Udyogamandal, Parippally and Ezhukone or a common date i.e. 4.3.2011 for all these hospital ? and
- c) Whether applicants are entitled for promotion and institutional seniority or not ?

19. This Tribunal had already decided this issue earlier in the matter of Udyogamandal Hospital that the date of take over by the ESIC should be date of absorption for the employees. This issue has been ruled in favour of the applicants and needs not be adjudication again.

20. The respondent objected to maintainability for non-joinder of necessary parties which would prejudicially affect the rights of the employees who are already appointed prior to the date of absorption of the

applicants. It is further submitted that the applicants were initially employed by the Director of Insurance Medical Service under the Government of Kerala prior to their date of absorption in the ESIC and the appointing authority of the applicants was the Medical Superintendent, Kollam who was the incharge of the entire Kerala and that respondents Nos. 7 & 8 were only the controller. So any decision taken except by the Medical Superintendent, Kollam is not valid.

21. Now let us examine the issue involved in the present OAs. The applicants were taken on deputation and they have been given option whether they want to be part of ESIC by absorption as per terms and conditions of ESIC or they want to go back to their parent organization. A written consent was sought from each individual employee. The relevant part of the terms of absorption are as under:

“1) Option may be exercised by each employee for absorption in Corporation service or for repatriation to the State Govt. service. This option may be exercised by each employee who has a minimum of 2 years service left in the lending Department as on 1.1.2003.

2.

3. An employee for absorption has to resign from State Govt. service and his absorption in corporation service will take effect from the date of deputation in ESI Corporation or from the date he joins the duty in the ESI Corporation whichever is earlier.

4) Seniority of an employee absorbed in the Corporation will be determined either from the date from which one holds the post on deputation or from the date one holds the post in equivalent grade on regular basis in the State Govt. service, whichever is earlier. Seniority of two or more State Govt. employees absorbed in the Corporation service would however, be fixed as per the seniority existing in the State Govt. prior to their absorption. Before absorption an employee will be free to opt for separate institutional seniority i.e. seniority only for the particular hospital. In this case they will not be transferred outside the hospital even after absorption and the promotions will be based on the institutional seniority only subject to the vacancy in the hospital OR the individuals can also opt to be part of all India seniority, in which case they will be liable for

all India transfer and all India promotional avenues. If opting for institutional seniority, the all India posts and cadres to which they will not be eligible for promotion will be the Medical Superintendent of the Hospital and all officers in the pay scale of Rs. 14300-18300 (current NFSG scale).

5)”

This was further modified in terms of the 142nd meeting held. The relevant portion of the draft terms of absorption reads thus:

“1. Option may be exercised by each employee for absorption in Corporation service or or repatriation to the State Govt. Service. This option may be exercised by each employee who has a minimum of 2 years' service left in the lending Department as on the date of absorption.

2. Mere exercising of option for absorption in Corporation service shall not confer any right on any employee to claim absorption and the decision of the Corporation in the matter would be final based on consideration of due screening.

3. An employee opting for absorption has to resign from State Govt. service. His absorption in Corporation service will take effect from the date decided between ESI Corporation and the State Govt.

4. Seniority of an employee absorbed in Corporation will be determined as per rules and instructions on the subject. Before absorption, the option shall be available to different categories of employees as under:-

(a) For Group 'C' & 'D' employees, their cadre will be State cadre and their seniority will be fixed as per rules. However, promotion from a Group 'C' to a Group 'B' post in ESI Corporation will carry All India transfer liability.

(b) Group 'A' & 'B' employees will be free to opt for either the State level seniority or All India seniority. Doctors and Specialists opting for State level seniority will not be eligible for promotion beyond CMO level posts carrying pay scales of Rs. 12,000-16,500/-.

(c) Office Superintendent or other such employees who are holding posts equivalent to Insurance Inspectors in ESI Corporation opting for State level seniority will not be eligible for further promotion.

(d) Similarly, holders of such Group C categories which have All India Transfer liability in ESIC, opting for State level seniority will not be eligible for any further promotion.

(e) In the case of employees opting for State level seniority, they will not be transferred out side the State and their promotion will be based on the State level seniority only subject to vacancies in the State and further subject to conditions mentioned at (a) to (d) above.

5.”

22. The clause (4) clearly stipulates that seniority will be as per rule governing seniority of the Central Government employees. Paragraph 3 of OM dated 3rd July, 1986 of DoP&T deals with seniority of absorbees. It reads thus:

“3. SENIORITY OF ABSORBEES -

NOTE: The method of recruitment ‘Transfer’ has been re-named as ‘Absorption’ and Transfer on Deputation’ as ‘Deputation’ vide DOP&T’s O.M.No.AB.14017/2/97-Estt. (RR) Dated 25.5.1998.

3.1. The relative seniority of persons appointed by absorption to a Central service from the Subordinate Offices of the Central Government or other departments of the Central or a State Government shall be determined in accordance with the order of their selection for such absorption.

3.2. Where such absorptions are effected against specific quotas prescribed in the Recruitment Rules, the relative seniority of such absorbees vis-à-vis direct recruits or promotees, subject of the provision of para 3.4 below, shall be determined by rotation of vacancies amongst the available direct recruits, promotees and absorbees which shall be based on the quotas reserved for direct recruitment, promotion and absorption respectively in the Recruitment Rules. Where the vacancies in any quota or quotas are carried forward, the principles stated in Para 2.4.1 will apply, mutatis mutandis in determining inter-se seniority of the appointees.

3.3 The principle laid down in para 3.1 above will not present any difficulty where recruitment by absorption is made singly and at intervals but it will be found wanting in cases where two or more persons are selected from different sources on the same occasion and the selection is spread over a number of days. It will, therefore, be necessary for the authorities responsible for approving appointments by absorption to indicate the interse order of merit of the selected persons in such cases.

3.4 Seniority of persons absorbed after being on deputation -

3.4.1 In the case of a person who is initially taken on deputation and absorbed later (i.e. where the relevant recruitment rules provide for “Deputation/Absorption), his seniority in the grade in which he/she is absorbed will normally be counted from the date of absorption. If he/she has, however, been holding already (on the date of absorption) the same or equivalent grade on regular basis in his/her parent department, such regular service in the grade shall also be taken into account in fixing his seniority, subject to the condition that he/she will be given seniority from –

- the date he/she has been holding the post on deputation,
(or)

- the date from which he/she has been appointed on a regular basis to the same or equivalent grade in his parent department.,

Whichever is earlier. ”

23. Therefore it is clear that seniority of the employees on deputation will be from the date of absorption and if it is against a specific quota under the Recruitment Rules then for relative seniority past service could be counted vis-a-vis direct recruitee and promotee, otherwise not. However, if he/she has, been holding already (on the date of absorption) the same or equivalent grade on regular basis in his/her parent department, such regular service in the grade shall also be taken into account in fixing his seniority subject to certain conditions.

24. The terms and conditions for absorption in ESIC clearly stipulates that if the rules of the absorption are accepted by the applicants then they should give in writing to the ESIC that they are willing to be absorbed in the ESIC. The ESIC in consultation with State Government taken over the following hospitals:

- (i) Udhogamandal on 2.11.2009
- (ii) Parippally on 16.4.2010
- (iii) Ezhukone on 20.4.2010.

The applicants once accepted the terms and conditions for absorption in the ESIC of their own then they are bound by it and now they cannot be allowed to claim their past seniority and this Tribunal has already decided this issue that the date of takeover of the particular hospital will govern the field. The

two hospitals subsequently taken over by the ESIC on 16.4.2010 and 20.10.2010 the date of absorption will be on the same principles i.e. the date on which they took over will be the date of absorption. There cannot be unilateral date for all these hospital for absorption as per the principle decided by this Tribunal and upheld by the Hon'ble High Court.

25. The contention raised by the ESIC that the technical resignation of employees was on 3.3.2011 and they cannot be absorbed prior to this date also not hold much water now as this Tribunal had already considered this plea and decided and affirmed by the Hon'ble High Court. This Tribunal already held that the date of takeover would be the date of absorption and held in case of Udyogamandal Hospital as 2.11.2009. Similarly since the other two hospitals were taken over on 16.4.2010 and 20.10.2010, i.e. Parippally and Ezhukone respectively the same would be the date of absorption of the other two hospitals. There is no provision contrary to the same in the Recruitment Rules to this effect.

26. The recent judgment of the apex court in *Mrigank Johri & Ors. v. Union of India & Ors.* - (2017) 8 SCC 256 cited by counsel for respondent ESIC touched the issue raised in the instant case and it dealt with as under:

“21. Learned counsel contended that the aforesaid issue was no longer res integra in view of the subsequent judgment of this Court in [Indu Shekhar Singh & Ors. vs. State of U.P. & Ors.](#) The question examined was whether the terms and conditions imposed by the State in the matter of absorption could be said to be ultra vires [Article 14](#) of the Constitution of India. The offer had been made by the State not in terms of any specific powers under the Rules, but in exercise of its residuary power and thus the State was right to impose conditions, as the absorbees had exercised their right of election. We may usefully (2006) 8 SCC 129 referred to Paras 25, 26, 31, 47, 48 and 55 which are as under :

“25. The State was making an offer to the respondents not in terms of any specific power under the Rules, but in exercise of its residuary power (assuming that the same was available). The State, therefore, was within its right to impose conditions. The respondents exercised their right of election. They could have accepted the said offer or rejected the same. While making the said offer, the State categorically stated that for the purpose of fixation of seniority, they would not be obtaining the benefits of services rendered in the U.P. Jal Nigam and would be placed below in the cadre till the date of absorption. The submission of Mr Verma that the period for which they were with the Authority by way of deputation, should have been considered towards seniority cannot be accepted simply for the reason that till they were absorbed, they continued to be in the employment of the Jal Nigam. Furthermore, the said condition imposed is backed by another condition that the deputed employee who is seeking for absorption shall be placed below the officers appointed in the cadre till the date of absorption. Respondents 2 to 4 accepted the said offer without any demur on 3-9-1987, 28-11-1991 and 6-4-1987 respectively.

26. They, therefore, exercised their right of option. Once they obtained entry on the basis of election, they cannot be allowed to turn round and contend that the conditions are illegal. (See *R.N. Gosain v. Yashpal Dhir* [(1992) 4 SCC 683], *Ramankutty Guptan v. Avara* [(1994) 2 SCC 642] and *Bank of India v. O.P. Swarnakar* [(2003) 2 SCC 721 : 2003 SCC (L&S) 200]. Furthermore, there is no fundamental right in regard to the counting of the services rendered in an autonomous body. The past services can be taken into consideration only when the Rules permit the same or where a special situation exists, which would entitle the employee to obtain such benefit of past service.

31. Absorption of the deputationists, on the other hand, would depend upon an arrangement, which may be made by the State being not a part of the statutory rule. They would, thus, be borne in the cadre in terms of the directions of the State in exercise of its residuary power.

47. The decisions referred to hereinbefore, therefore, lay down a law that past services would only be directed to be counted towards seniority in two situations: (1) when there exists a rule directing consideration of seniority; and (2) where recruitments are made from various sources, it would be reasonable to frame a rule considering the past services of the employees concerned.

48. The said decisions, in our considered view, have no application in this case, having regard to the provisions of [Section 5-A](#) of the Act, in terms whereof no provision exists for recruitment of deputationists. Recruitment of deputationists, in fact, is excluded therefrom.

55. It was thus, open to the respondents herein not to agree to in spite of the said conditions as they had already been working with a statutory authority; they, however, expressly consented to do so. They must have exercised their option, having regard to benefits to which they were entitled to in the new post. Once such option is exercised, the consequences attached thereto would ensue. (See *HEC Voluntary Retd. Employees Welfare Society v. Heavy Engg. Corpn.*

[Ltd.](#) [(2006) 3 SCC 708 : 2006 SCC (L&S) 602 : JT (2006) 3 SC 102])”

31. It is no doubt true that the OM dated 29.5.1986 as modified by OM dated 27.3.2001 did provide for the benefit of the previous service rendered in the cadre. This is in effect also the ratio of the judgment in *SI Rooplal* case (*supra*). This would also be in conformity with the normal service jurisprudential view. However, it would be a different position if the absorbing department clearly stipulates a condition of giving willingness to sacrifice the seniority while preserving all other benefits for the absorbee (which are accepted) failing which the option was available to the absorbee to get himself repatriated to the parent department. The terms and conditions are categorical in their wording that the absorbees would be “deemed to be new recruits” and the previous service would be counted for all purposes “except his/her seniority in the cadre”. The appellant accepted this with open eyes and never even challenged the same. Their representations to give them the benefit of their past seniority was also turned down and thereafter also they did not agitate the matter in any judicial forum. The controversy was thus not alive and it was not open for them to challenge the same after a long lapse of period of time. In fact on the day of filing of the OM, any prayer to set aside the terms and conditions of absorption would have been clearly barred by time under [Section 21](#) of the Administrative Tribunals Act, 1985.

32. The appellants sought to rake up the issue only when the seniority list was finalized. This was preceded by the draft seniority list. Whatever may be the dispute of seniority qua other persons, insofar as the appellants were concerned, their seniority was based on the terms and conditions of their absorption. The position of the appellants in the seniority list was thus a sequitur to the terms and conditions of their absorption. We are of the view that it is precisely for this reason, anticipating that their claim would be time barred, that a challenge was laid only to the seniority list without challenging the terms and conditions of absorption though in the grounds, a plea was raised against the terms and conditions of absorption. Unless the terms and conditions of absorption were to be set aside, the seniority list prepared was in conformity with the same.

34. We are in agreement with the submission of the respondents that this issue has been squarely dealt with in *Indu Shekhar Singh's* case (*supra*) where almost identical issues have been dealt with by holding that the State was within its right to impose conditions where the employees had the option to exercise their right of election. The entitlement was not under any rules but under what was called the residuary power.”

27. The apex court clearly laid down the ratio that State is empowered to make the conditions of absorption and deputationist has no right to claim absorption. It is on the Department to ask to forgo their seniority while joining absorbee Department and if employee expressly consented for the absorption in terms of conditions of the absorption then employee is bound by it and can never challenge the terms of absorption once accepted and any

claim would be time barred on challenge seniority list without challenging the terms and conditions of absorption. Unless the terms of absorption is set aside the seniority list prepared would be always in conformity of the same.

The case of *Mrigank Johri's* case (supra) applies to the present case.

28. Resultantly we hereby hold and dispose of all the OAs as under:
