eligible for consideration in accordance with MHRD office memorandum/order in course. Though we have laid down that the Certificates issued by the appellant on successful completion of its bi-annual examination to its Members cannot be considered to be equivalent to a Degree, an exception needs to be made in favour of students enrolled up to 31.05.2013 and benefit in terms of the Notification dated 06.12.2012 and Public Notice as aforesaid ought to be extended to such candidates. The candidates had opted to enroll themselves so that they could appear at the examinations conducted by the appellant under a regime which was put in place by the Central Government itself and the course content as well as the curriculum were reviewed by the AICTE. However, the aforementioned Notification and Public Notice were clear that after 01.06.2013 the concerned orders granting equivalence would cease to have any effect.

52. In the circumstances we do make an exception in favour of such candidates enrolled upto 31.05.2013 and declare that the conclusions drawn in the present matter will apply after 01.06.2013. The Certificate awarded by the appellant to such candidates enrolled upto 31.05.2013 shall be considered equivalent to a Degree in Mechanical Engineering for the purpose of employment in Central Government.

53. In the premises, we do not find any error in the assessment made by the High Court in paragraphs 205 to 213 of its judgment. We, therefore, dismiss all the submissions raised by the appellant and reject Miscellaneous Application No. 2367 of 2018. No costs.

54. In the end, we express our sincere gratitude for the assistance rendered by Mr. C.A. Sundaram, learned Amicus Curiae."
